~~There~~ I find a boat that has
salt in it in one place (from
when the sea comes in the
room where it's kept & flows
over that place?) ~~(Chapter 1)~~

PHILOSOPHY OF MUSIC

Music keeps at bay
 Angels of desolation
 Bringing to the modern world
 A breath of consecration

Maria Call's upper bills
 Are a strong reminder
 Of a universe next door
 Where the fates are kinder

So much for music
 In these two shared perceptions
 May God touch you with his fingertips
 And bless you with reception

THE L'ami however
 that one suspects a half-
 luminous intent, 'I under-
 stand that you think
 there was a bird-sange
 in my eye that made
 me alter my vayne'
~~is a~~

OUR BEST MATCH
 Our best contains what we want
 And that contains what we want
 Our best contains what we want
 And that contains what we want
 By a fire that is not a fire
 Either a fire of people
 So much it is where it should be
 And in it is a fire of people
 When it is a fire of people
 And that is a fire of people
 This is our best match
 In it is a fire of people

 believed to be like a burning-glass, and to
 concentrate the rays on the dry grass,
 setting it on fire. It can catch
 fire in a moment. It is a
