### Who's Community? Understanding Whiteness / Unraveling Racism in the Queer Community

Monday, April 24th, 5:00pm-7:00pm  
Mandeville Room East

In what ways do our queer communities mirror the whiteness of the dominant culture? How can white LGBTQI folks see and acknowledge that the very communities expected to provide comfort and safety may not provide it for LGBTQI people of color? How can we build anti-racist practice into daily life and move toward the richness of a diverse community?

Judy Helfand, invited community educator and consultant with a focus in issues of white privilege and racism, will facilitate this interactive workshop on dialogue and self-reflection using a tested model for understanding whiteness and unraveling racism.

Judy Helfand is a community activist, writer, educator, and consultant. She holds an M.A. in American Studies and Cultural Studies and teaches at Santa Rosa Junior College. Her scholarship is focused on understanding the relationship between dominant culture in the U.S. and white identity, which includes social justice issues in the U.S., especially the impact of the interlocking systems of race, class, gender, and sexual orientation in educational and other social institutions. She is also interested in the role of spirit and emotion in learning. A published author, her most recent works include *Identifying Race and Transforming Whiteness in the Classroom* with coeditor Virginia Lea (Peter Lang, 2004) and *Understanding Whiteness / Unraveling Racism: Tools for the Journey* (Thomson Custom Publishing, 2001) with coauthor Laurie Lippin.

Also, please join Judy Helfand and I afterwards for light refreshments

## Peper Anan

### Intern for an Anti- Racist Community

From Shaun,  
the Director...

"When we  
conceived of  
this internship,

we really had no idea what its actual performance would look like. Peper Anan has met the challenges of working in this brand new internship, that has a difficult area of focus, with gusto. Anyone who has ever interacted with Peper knows that he's passionate about our community, and can speak eloquently regarding the intersection of race and ethnicity. Peper has presented a number of programs in the past year to engage our community in this dialogue. Next Monday should be awesome program as well. Please join Peper and come learn with us."

### **Speakers Bureau Panelist** **Tuesday, April 25th, 5:00pm-8:00pm** **LGBTRC Conference Room**

The final Speakers Bureau Panelist training this year will be held on Tuesday, April 25th from 5:00pm to 8:00pm in the LGBT Resource Center.

The Speakers Bureau is a group of lesbian, gay, bisexual, transgender, queer and ally identified students, staff, faculty and alumni trained to represent the diversity of the UCSD LGBT community to a variety of groups and organizations interested in providing education regarding LGBT issues. Those who complete training are eligible to be panelists in Speaker's Bureau events and sessions (including Guess Who's Gay panels, and the new, "I Have Gay Friends", FUN!). Typical panels are held for residence life events, classes, and UCSD Alliance. Becoming a panelist is a zero time commitment (participate only when you want) method to become an activist and become more comfortable with yourself.

If you dream of becoming a Speakers Bureau panelist, this is your chance!! Please RSVP to the LGBT Speakers Bureau Intern Ryan Ferrell at [LGBTspeakers@ucsd.edu](mailto:LGBTspeakers@ucsd.edu). If you do, there's free pizza (choose from cheese, Mediterranean (vegetarian), Thai Chicken, and BBQ Chicken pizza) and drinks will be provided for dinner. Good times, good eats, what more can you ask for? Come join us!

### **Day of Silence** **Wednesday, April 26th**

This is Kristine Dougherty, one of the organizers for Day of Silence. In reminder, the Day of Silence is April 26th this year, and it is a day in which everyone is invited to take a vow of silence in order to draw attention to the oppressive silence that is faced by members of the LGBTQI community every day. We have scheduled a distribution of t-shirts (first come, first serve, priority given to those who volunteer for DoS), "speaking" cards to explain the day, a silent luncheon at Price Center Plaza, and a Breaking of the Silence community scream, share-out, and dinner.

This year, we'd like to make the silent luncheon in Price Center have a greater impact and help to further educate the ucscd community. To do this, we've reserved two extra tables for display purposes. Here's a list of the possible items we're looking to distribute/display on April 26th:

- pamphlets for your organization w/ meeting times or contact information
- any educational handouts or pamphlets that you see as useful for our potential audience (ie short essays, term definitions, short biographies of people, political efforts)
- artwork/poetry pertaining to the LGBTQI community
- posters or informational displays
- listserv sign-up sheets for your organization
- volunteer opportunities

"Beautiful Boxer". "Based on the real life story of Parinya Charoenphol, the movie is about a Mui Thai boxer who underwent a sex change operation to become a woman. The movie chronicles her life from a young boy who likes to wear lipstick and wear flowers to her sensational career as kickboxer whose specialty is ancient Mui Thai boxing moves which she can execute expertly with grace and finally her confrontation with her own sexuality which led to her sex change op."

Come enjoy an evening in the new Movie Theater (aka, Conference Room) at the LGBTRC with all the cool people you know and love. As usual popcorn will provided.

### **In Our Library**

#### **Understanding Whiteness/Unraveling Racism by Judy Helfand**

"Understanding Whiteness / Unraveling Racism makes whiteness and white privilege visible, revealing the cultural and institutional structures that keep white dominance in place. The book is both a workbook and reader, providing tools for examining what it is to be white in the U.S., for addressing fear and guilt as barriers to dismantling racism, and for identifying the small daily acts and larger organized movements that further the struggle for social justice and equality. It includes analytical essays, narratives, and poems from a variety of diverse perspectives. Numerous experiential exercises also aid readers in deepening learning through one's own life experiences."

### **Q-Quote of the Week**

"It is better to be hated for what one is than be loved for what one is not."  
by Andre Gide

If you would be willing to provide us with any of these items for distribution or temporarily as display, please let me know **what you would like to provide** and about **how much space** on the tables you'd like to reserve for it. If you have any questions about this or the Day of Silence in general, feel free to email me.

Thank you so much!

You can contact the Day of Silence Committee at [ucsd\\_dayofsilence@yahoo.com](mailto:ucsd_dayofsilence@yahoo.com)

Guided by people on both sides of the Arizona/Mexico border whose lives are directly affected by policies set in Washington D.C., this documentary reveals how recent events have transformed a majestic corner of the country into a deadly immigration flashpoint and witnesses the social fall-out of broken border policy.

### **Take Our Daughters and Sons to Work® Day**

**Thursday, April 27th, 8:30am-3:00pm**

UCSD staff, faculty, and students are invited to bring their children to participate in Take Our Daughters and Sons to Work Day, a national program launched by the Ms. Foundation in an effort to expand the discussion about the competing challenges of work and family. The Foundation adheres to the belief that in order for girls to achieve their full potential, whether it is in the home, workplace, or community, boys also must be encouraged to reach their potential by participating fully in family, work, and community.

Each year on the fourth Thursday of April employers across the country participate in Take Our Daughters and Sons to Work Day. Programs and activities planned at UCSD are intended to expand future opportunities for our nation's daughters and sons, ages 8-12, and encourage parents and their children to think about how the work they choose fits into their overall future. Girls and boys of our faculty, staff and students will be exposed to a variety of careers and are welcomed and encouraged to attend. Participating children must be accompanied by a parent or guardian at all times.

This year's event will take place on Thursday, April 27, 2006. Registration and breakfast will be from 8:30 a.m. - 9:15 a.m. at "The Hump", next to the new Women's Center - Student Center West Building 290, directly in front of the Main Gym steps. ### The Trevor Project: Help for Suicidal Gay Teens

Suicide ranks as the third leading cause of death among young people between the ages of 15 and 29—outranked only by accidents and homicides. And for some teens the risk is even greater—national and state surveys indicate that gay and lesbian teens are far more likely than their heterosexual peers to attempt suicide.

While there are a number of hotlines and other resources for depressed teens in crisis, The Trevor Project stands out for its focus on gay and questioning teens. The project is a non-profit 501-3-c

headquartered in Beverly Hills, California, and operates the nation's only 24-hour suicide prevention helpline especially geared towards gay and questioning youth.

As part of its mission to aid in suicide prevention and to promote acceptance of gay and questioning teenagers, The Trevor Project also provides other services, including guidance and resources for teens, teachers, parents and educators.

The Trevor Project hotline: 866-4-U-TREVOR (866-488-7386). Learn more about The Trevor Project and find links to other resources. <http://www.thetrevorproject.org/>

For more information on any of the above, please contact the LGBT Resource Center at (858) 822-3493 or [rainbow@ucsd.edu](mailto:rainbow@ucsd.edu). This is a regular compilation of news, tidbits, and information from the UCSD LGBT Resource Center to keep everyone in the know. It will be published weekly. If you have things to submit, please forward them by Friday at 5pm to [rainbow@ucsd.edu](mailto:rainbow@ucsd.edu) and type "Rainbow Newsletter" in the subject line. They should be UCSD & LGBT focused! Newsletters are archived at <http://lgbt.ucsd.edu/newsletter>. Problems with the listserv? Did you get this multiple times? Please let us know.

## Out and Proud Week

Monday, May 1st - Friday, May 5th  
Library Walk

Next week (May 1st through May 5th) is Out and Proud Week. Out & Proud Week presents the biggest opportunity for community visibility on campus. It is a week long group celebration and private reflection on the achievements of LGBTQI-identified students, staff and faculty and our allies. It's also a time for public awareness and discussion of current LGBT issues on the state and national level. Topics such as marriage equality, hate crimes and health issues are only a few of these timely and important issues.

This year we see our connection and partnership with many entities. Queer by Nature will be with us on Monday. Tuesday marks our artistic connections through personal expressions on Library Walk. Wednesday's voices will be represented by Queer Womyn's Coalition. We show our support for our diverse communities through our Transgender "T" party on Thursday, which will also be when LGBTQIA joins us on Library Walk. Finally, Friday connects us to spiritual and faith communities with the Queer Spirituality Forum, and QPOC will be tabling for our final day on Library Walk.

### Volunteer Coordination

From Shaun,  
the Director...

"Raf's  
experience is  
unparalleled in  
bringing our  
community  
together to get

things done. From coordinating the Open House for Admit Day, to securing volunteers to assist with Out and Proud Week, Raf has consistently been able to plug our community into our events, creating the vital human element that really makes things happen. On top of that, Raf is our resident statistical guru, and has a better handle on our weekly visitors than anyone. Raf is a valuable member of our team, and as he graduates, someone will have some HUGE shoes to fill."

## Friday Night Movie

to 2:30pm. We will also be directing our community that normally hangs out at the LGBTRC out to Library Walk to be open, proud and visible to the UCSD community at large. In addition to the labeling there will be various queer-related events happening throughout the week, including the Transgender Tea Party on Thursday and the Queer Spirituality Forum on Friday.

Out of all of the events the LGBTRC coordinates, we rely most on the support of our community to make Out and Proud truly great. In particular, we need volunteers to help each morning preparing the rainbow balloon columns we set-up at the table to add to our visibility. We are asking for volunteers to commit to helping with the balloons at 8:00am to 10:00am (staying as long as you can) on as many days as possible (Monday through Friday). We need about three people each morning to be successful. Breakfast will be provided for volunteers in the morning. If you are interested in helping please e-mail me at [raf@ucsd.edu](mailto:raf@ucsd.edu) with the days that you are available.

Thank you and I hope to see you all out on Library Walk next week, Rafael Colonna LGBTRC Volunteer Coordinator.

### Ma Vie en Rose April 27th at 5:00 pm

This week Raf will be showing the movie "Ma Vie en Rose" This is also part of the Human Relations Awareness Week

"Ma Vie en Rose" ("My Life In Pink") is the story of Ludovic, a little girl born in a little boy's body. For him, nothing is more natural than to change his gender. As a hopeful and sensitive child, he truly believes that a miracle is going to happen. He will be a girl, no doubt about it, and he's in love with Jerome, his school mate, and son of his father's colleague. Initially a source of amusement, an outrage begins in their suburb when the two boys are discovered pretending to get married. The family begins to realize with horror that his desire to be a girl isn't just a little boy's fantasy. They try to make him change his mind, to no avail. The situation turns into a real-life drama of intense reactions from neighbors, friends, and teachers, resulting in a profoundly optimistic ending.

Come enjoy an evening in the new Movie Theater (aka, Conference Room) at the LGBTRC with all the cool people you know and love. As usual popcorn will be provided.

### **"The Queer Perspective" Art Show** LGBT Resource Center

I am looking for artists who would like to show their work in a exhibition I am curating called "The Queer Perspective."

The exhibition will consist of undergrad, grad students, as well as art from other artists of academia. So far I have contacted only southern Californian artists so I am thinking all artists will come from San Diego, LA and Santa Barbara. The show will look at queer art done by queer artists and the themes associated with the general vision of the show will be: identity, queer social issues, visibility of sexuality and gender.

The show is sheduled for an opening reception in the week of May 22nd (will probably be on that Wednesday or Thursday) at UCSD's LGBT Resource Center.

I am looking for 3-5 pieces from each artist, however, if the artist wants to submit a piece that takes the space of more than the 3-5 pieces in proximity, then just talk to me about it.

bear on gays—occasionally through violence—to conform to heterosexual norms; from Australia, excerpts from Dennis Altman's pioneering work *Homosexual: Oppression and Liberation*, one of the first book in the English to articulate the ideas of the Gay Liberations Movement; from Brazil, an interview with Herbert Daniel, AIDS activist and Brazilian presidential candidate; from Aotearoa/New Zealand, Alison Laurie's "From Kamp Girls to Political Dykes," a chronicle of the shifting attitudes in the West toward lesbians from the 1950s to the 1980s; and much more. Among the other contributors are Nicole Brossard, David Fernbach, Guy Hocquenghem, Jill Johnston, Gary Kinsman, Mario Mieli, and Joao S. Trevisan."

**Saturday, April 29th, 6:30pm-9:45pm**  
**International Gardens, Club House**

It's coming again!! That's right, another Family Dinner is happening in the next few weeks. The Potluck style dinner is being held April 29th from 6:30pm - 9:45pm at the International Gardens Club House. For the sake of efficiency the event is being organized through Evite, and hopefully it'll prove to be successful, so USE IT!!

### **Community Beach BBQ**

**Saturday, May 6th, 12:30pm**  
**La Jolla Shores**

On Saturday, May 6th, 2006, the queer organizations of UCSD will be hosting an all campus queer and ally Beach BBQ down at La Jolla Shores. This will be an opportunity for all the campus queer and ally identified people to interact and relax, down at the oh-so-beautiful beach. The event is directly following the Grand Opening of the LGBT Resource Center on campus, around 12:30pm, and we will be coordinating rides down to the beach so that everyone can enjoy the event. Since we are expecting a large number of people to show up, we're going to commandeer two grills and will be offering free food for all those who show up. This includes hamburgers and hot dogs, both vegetarian and vegan friendly, as well as snacks and drinks.

We will also have volleyball nets rented, and other fun games to partake in throughout the day, including football and frisbee. This event is meant as a chance to relax down at the beach with all your friends, as well as an opportunity to meet those members of the community that are usually too busy to make it most other events. We're also hoping to get a good mix of both students, staff and faculty so that we can mix and mingle, and meet each other in a less formal setting. While the event is aimed at UCSD individuals, feel free to invite friends, family and all those you feel would have a good time (Just make sure to remember this is aimed at UCSD affiliated people).

If you would like more information, would like to recommend

anything (food, games, anything else), or need a ride down to La Jolla Shores feel free to email us at [qxn@ucsd.edu](mailto:qxn@ucsd.edu). Also, any RSVP's would be great, especially if you are planning on bringing friends.

This event is being hosted by all the queer organizations at UCSD: Queer by Nature, LGBTQIA, QPOC, Queer Womyn's Coalition, Alliance, and the Umbrella Group, as well as the LGBT Resource Center.

### Take Our Daughters and Sons to Work® Day

Thursday, April 27th, 8:30am-3:00pm

UCSD staff, faculty, and students are invited to bring their children to participate in Take Our Daughters and Sons to Work Day, a national program launched by the Ms. Foundation in an effort to expand the discussion about the competing challenges of work and family. The Foundation adheres to the belief that in order for girls to achieve their full potential, whether it is in the home, workplace, or community, boys also must be encouraged to reach their potential by participating fully in family, work, and community.

Each year on the fourth Thursday of April employers across the country participate in Take Our Daughters and Sons to Work Day. Programs and activities planned at UCSD are intended to expand future opportunities for our nation's daughters and sons, ages 8-12, and encourage parents and their children to think about how the work they choose fits into their overall future. Girls and boys of our faculty, staff and students will be exposed to a variety of careers and are welcomed and encouraged to attend. Participating children must be accompanied by a parent or guardian at all times.

This year's event will take place on Thursday, April 27, 2006. Registration and breakfast will be from 8:30 a.m. - 9:15 a.m. at "The Hump", next to the new Women's Center - Student Center West Building 290, directly in front of the Main Gym steps. ### In Our Library

#### Coming Out of Shame by Gershen Kaufman and Lev Raphael

Most gay men and lesbians grow up learning that to be gay is to be sick, to be unnatural, to be a sinner. By adolescence, such negative attitudes have produced and reinforced a single, powerful emotion: shame, the feeling that you're inferior and judged as "bad" not for what you do, but for what you are—gay.

In *Coming Out of Shame*, Gershen Kaufman and Lev Raphael expose the role shame has come to play in gay and lesbian lives. Rarely discussed but vastly important, shame powerfully shapes each individual's development of self-esteem, identity, and intimacy—three areas where gay men and lesbians have been extremely vulnerable to the crippling effects of shame. Tracing the historical and cultural sources of gay shame, Kaufman and Raphael reveal how gay men and lesbians have internalized shame, resulting in self-loathing and self-destructive behaviors.

The hallmark of shame is silence, and by breaking the silence around the dynamics of gay shame, Kaufman and Raphael offer a way to "come out" of shame and begin the journey toward wholeness and self-acceptance. Filled with the experience of those struggling to overcome shame, *Coming Out of Shame* includes strategies for: storing self-esteem, creating a positive gay identity, healing scenes of shame, developing partnerships in intimacy.

May 12th, 2006 at  
5:00pm

This week's movie is "Bad Education" by Pedro Almodovar and is being shown by Sakura.

"Filmmaker Enrique (Fele Martinez) gets a visit from an aspiring actor claiming to be his old school friend Ignacio (Gael Garcia Bernal), who has a story about their traumatic childhood spent at Catholic school. In the story, a drag performer known as Zahara attempts to blackmail a predatory priest by exposing their scandalous past. The tale provides the inspiration for Enrique's next film. But when the villainous priest from their school days arrives to tell his own version of the events, the truth is wider than anything anyone could have imagined."

Come down to the LGBT Resource Center and visit with all of your friends. As usual, we will provide popcorn.

### Queer By Nature Night Hike

Saturday, May 13th, 7:00pm  
OLD LGBT Resource Center Parking Lot

No, we're not hiking at the LGBTRC parking lot, we're meeting there to go who-knows-where for a beautiful night hike. We've been hoping to do such a hike for the last year, and finally we are offered such an opportunity. It will be a full moon that night, so the evening should be pleasantly bright, and it's getting closer to Summer, the weather should be nice and warm.

As usual, we are meeting beforehand at the much easier to access Old Resource Center parking lot to determine where we are going and how to coordinate rides. Make sure to bring your regular hiking gear (good walking shoes, pants, and water) as well as a sweatshirt (just in case) and a flashlight. Snacks are a good idea too.

If you would like to see something specific at this event, or any QxN event, then please attend our bi-weekly meetings from 6:00pm-6:30pm at the LGBT Resource Center on Mondays. For more information contact [qxn@ucsd.edu](mailto:qxn@ucsd.edu)
