

[#3]

A VEC, 1990
Fall

Abigail Child and Hannah Weiner

✓

NARRATIVE

ac We come
 a daily news full field
 even if inexorably false
 is rearranged
 in order our knowing makes

hw memory requires agree d
 place takes in time
 instantaneous is knowing
 in lacking surprise sequence
 reason describe involve

ac until the day arrives
 to interpose a porous scene
 contradict
 in counterpoint surrounds
 our consciousness of time

hw connection relation explanation
 meaning maintains destroy
 length
 slow a non do it
 speed respond power

ac propose blank space
 for each in echoes of omission takes
 to articulate an inattention
 I-he-you -her-
 implausible

hw historical
 switch sink bathroom
 in syntax silently
 change political record
 language consciousness image[^]alter

ac promises
an array of conjugation
The wish you want
to criticize is mortality
rupture

hw comfort
causal rational
hinting more than
elders only story

ac revives in passion amps
arms
ams
insubordination

hw interrupt nuzhe letter
authorita bk sentence
