MORESBY REFS BOOT PRESIDENT

by SINCLAIRE
SOLOMON

PORT Moresby Rugby League referees have booted out their president, Douglas Talai, charging him with misuse of office.

And they have replaced him with Cliff Kowih, a junior league referee, at an extraordinary meeting of the referees association on Monday, April 21.

Talai was not present at the meeting but his job had been on the line for several weeks following numerous complaints from referees about his lack of concern for their conditions and grievances.

He had been given

Douglas Talai; out because of misuse of office

two weeks' notice by the referee association secretary Wally Ainui to tender his resignation but did not reply thus prompting the Monday extraordinary

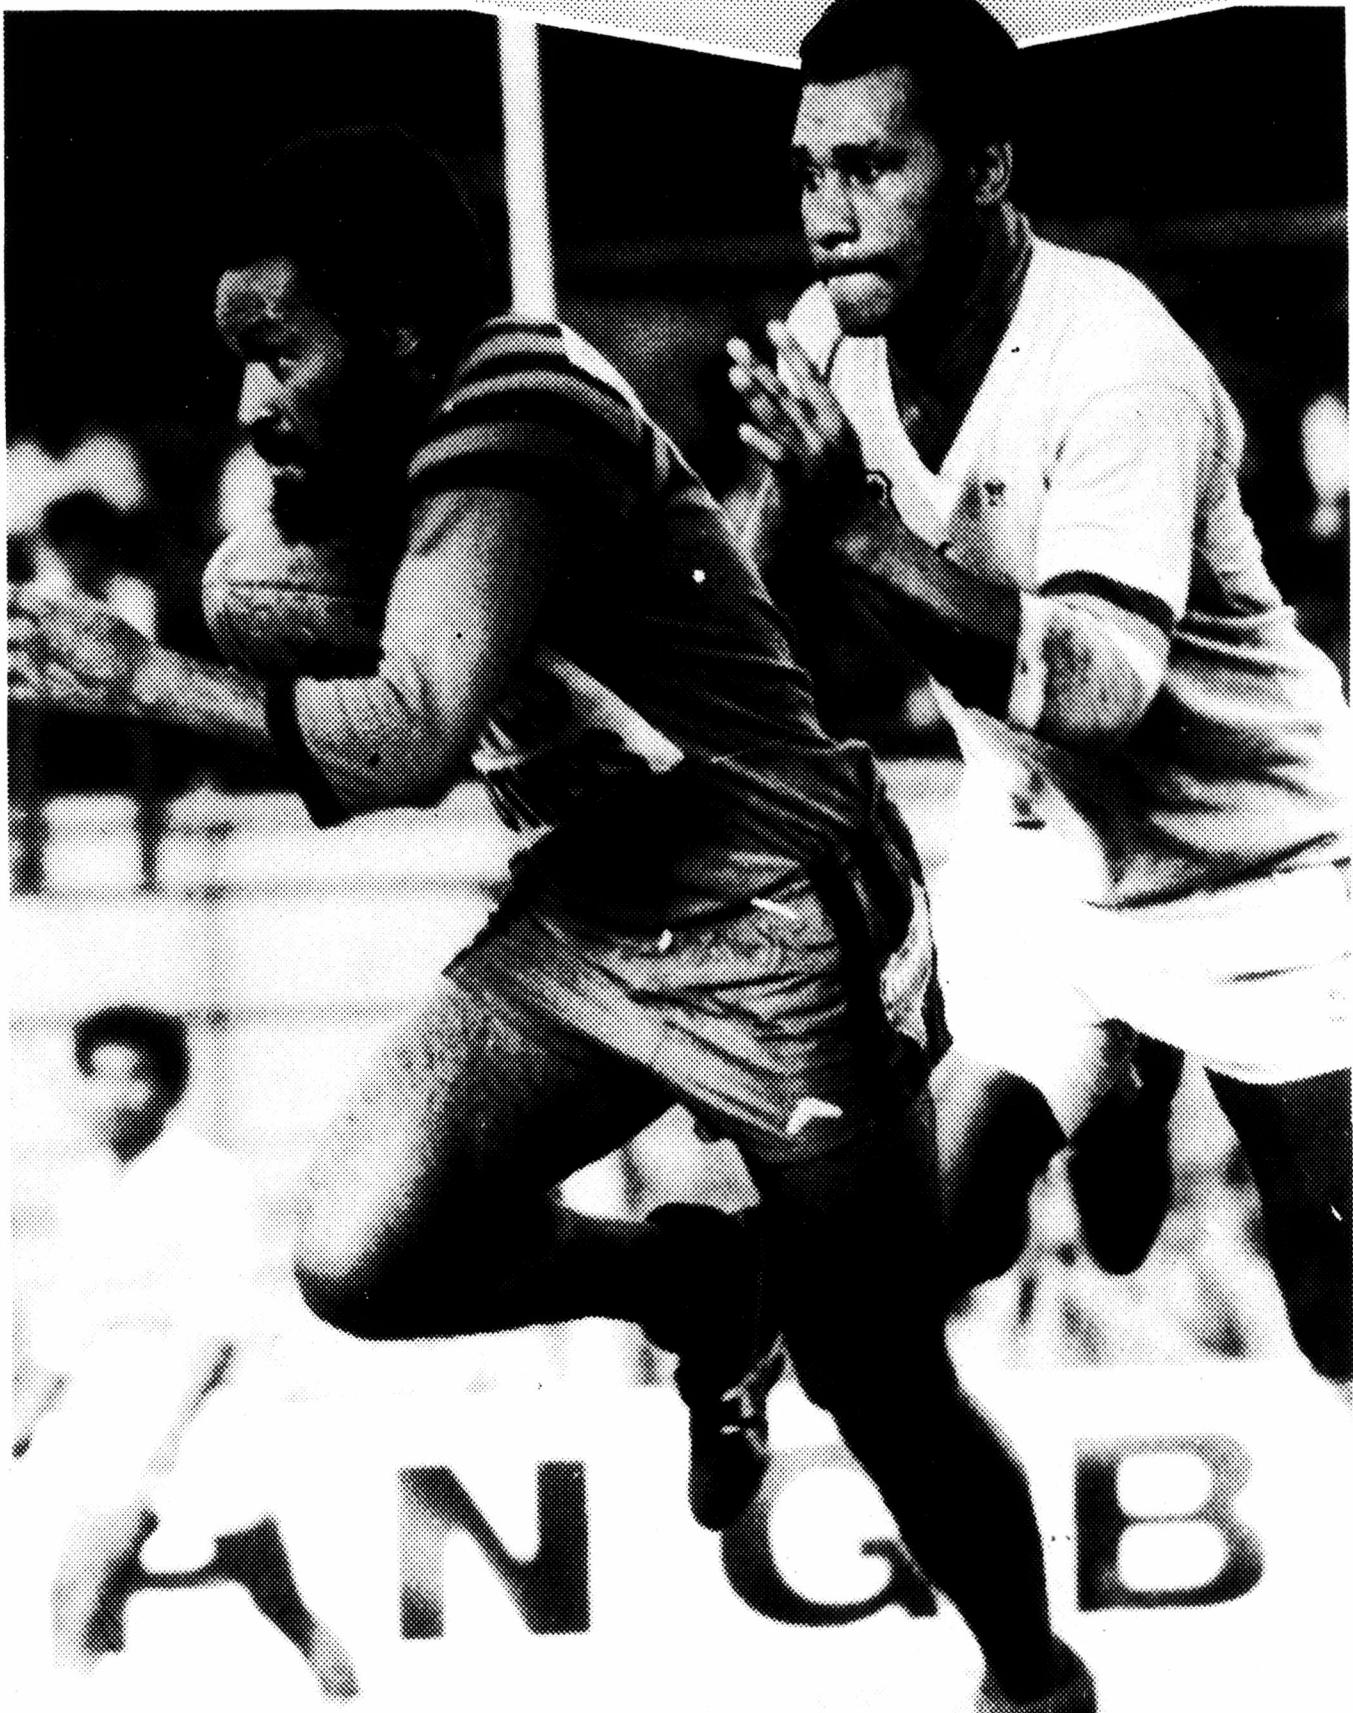

meeting.
The Port Moresby Rugby League Referees Association has 22 registered members although the Monday meeting was attended by only 15 members.

Following a resolution to sack Talai, Kowih and another referee Eno Daiere were nominated for the post. Kowih got the job by one vote — 8-7.

He said soon after his election that he would do his best to improve the conditions of referees in Port Moresby.

Kowih has served in the past as secretary and treasurer of the association.

• Twisters Brothers' Daniel Piskul goes it alone again for a wide out try. Heni Heni, Hugo Hawks fullback is hungry to stop him from this individual performance.

THE 'FLY' STORY

by IAN KAKARERE

TODAY gold and copper is being unearthed at Mt Fubilan in the North Fly area of the Western province, but with this a faster development league talent has now been unearthed all over the area.

Before 1982, when the construction of the Ok Tedi project started, there was not one competitive sport being played in the region.

There were only a few social games of soccer and basketball, introduced by the small number of government and mission personnel from other provinces.

The construction of the mine in 1982, enabled the catalyst for rugby league to start, with the influx of rugby league fanatics coming into the North Fly to work for the government and the Ok Tedi company.

At the same time, by chance rather than design, North Fly's only high school at Kiunga was staffed by rugby league enthusiasts.

Teachers such as Jerry Mapo, Sowati Ole, Daniel Basua, Asigabo Asiri were instrumental in teaching the code to students at Kiunga High School.

The deputy headmaster at that time, Obira Bring set high standards of refereeing, and the Headmaster Joel Evi was, and still is, active in league administration.

Ex-students like Eugene Eugenius, a clerk with Ok Tedi has planted a seed of rugby league at his home of Boset, 100 kilometres south of Kiunga, and another ex-student, Fredrick Paulus is now a community school teacher at Boset mastering the code in the area.

Boset has a four club village rugby league competition.

Ex-students such as Royals Jay Jossiah and Singiso Leo are now key players in the club's reserve grade side.

Former Kiunga High school students are now distributed evenly throughout the four Kiunga clubs and starting to join in the Tabubil teams.

Young men like Homono Espesi with Royals, and Joseph Skai in Magani, both from the remote Nomad River district are now making an impact with their clubs since graduating from high school.

The tough Fairwolmin boys from the Star Mountains are also making their presence felt.

Dickson Wetegim, Christopher Koteng and Emmanuel Kisofalang are making a valuable contribution to United while Nibo Dangkim and Weteng Kikieng are doing the same with K&T Country.

Classy Youngom speaking halfback, Mawum Katop with Magani is consistently giving a display of shells and courage beyond his 17 years.

In the heart of Awin territory is Rumginae which is fielding a rough and ready team of village players to take part in Kiunga competition every weekend.

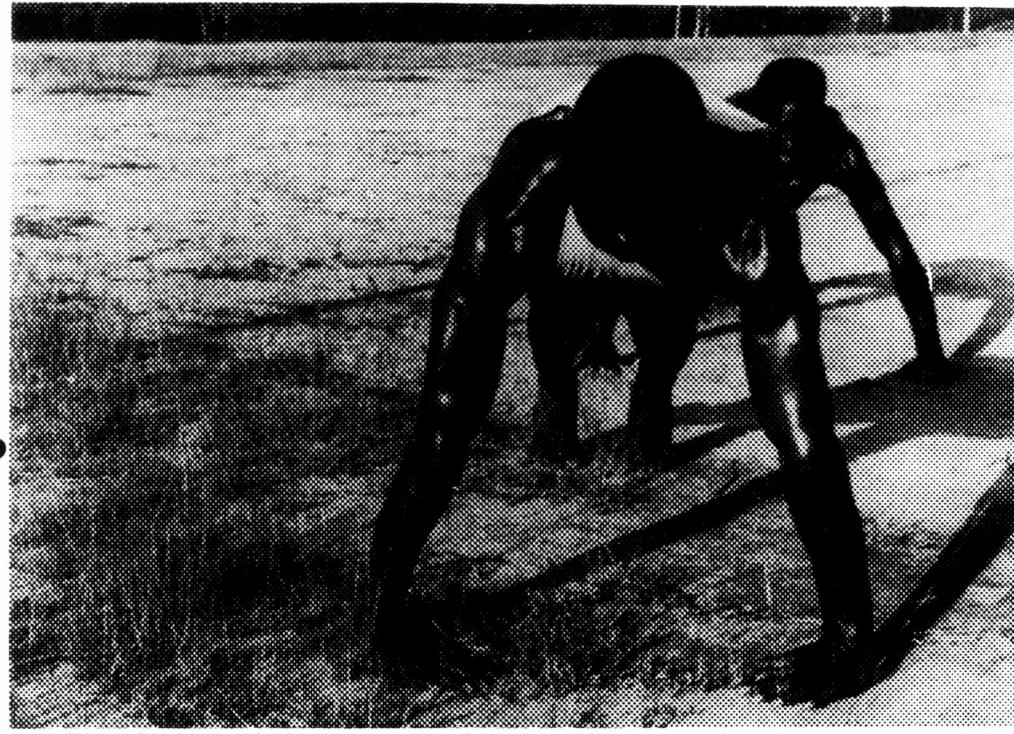

They are helped along by Rumginae community school teachers and male staff at the Rumginae hospital.

Again, it is not surprising to see three ex-Kiunga High students in the teams.

The gold and copper at Mt Fubilan might be depleted in 30 years' time and large numbers of the people from other provinces who brought league to the North Fly have returned home but the seed they have sown has germinated and quickly taking root all over the North Fly.

But like all crops, it must be harvested and like the gold and copper ores it has to be refined, the Rugby League talent in the North Fly area needs proper coaching and administration.

With proper coaching and administration the young players in the North Fly area will be PNG Rugby League's latest "pot of gold" and will be unstoppable like the Fly River in full flood.

• The Code and the pressure involved in mastering it is never soft in Kiunga as this picture of the "Phantom" of Magani shows

GIRL of the WEEK

'MIGHTY PAGA'

ELISABETH BISIAI. She just passed her 21st birthday. She comes from Shortland Island, North Solomons Province. Miss Bisiai works as Loans and Saving officer with PNGBC headquarters, Port Moresby.

Asked what her favourite team was she said "Mighty Paga". Besides watching rugby league she also likes dancing, listening to music, travelling and also meeting people.

Vanimo League

ONCE again Vanimo Rugby League saw another stumbling block. This time reserve grade would not take the field last Sunday.

The cause of the hold back is that there are not enough players to form teams to play in the reserve grade.

Last Sunday's main game which kicked off at 3pm was between Tarakum and Hawks. The game was exciting for the supporters of both teams, but tough for players themselves because both teams put up a very strong defence.

However about 15 minutes into the game, Hawks got their act

together and walked through the Tarakum defence with a try by young and upcoming rugby star Jessy Kairu. From there on, Hawks gave no chance at all to the tough veterans of Tarakum to score tries.

Half time score was; Tarakum 6, Hawks 22.

After half time Tarakum tried very hard to break through the Hawks defence but to no avail, because the half time break strengthened their opponents. Because of this, the last half belonged to Hawks, they scored try after try until full time.

There were some mishaps during the game like ex-Sea Ea-

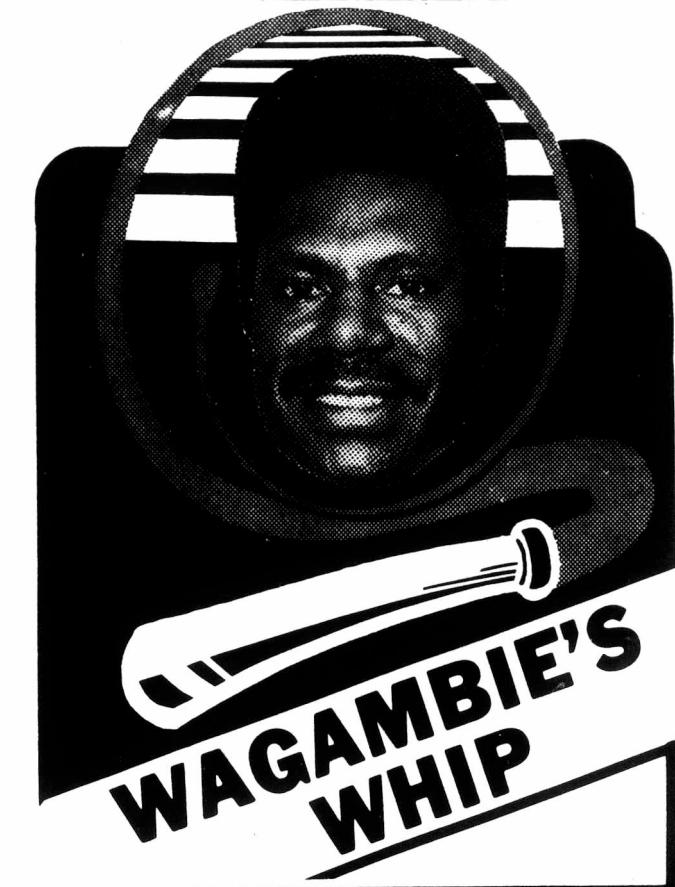

to Felix Ramram

gles hooker Daniel Maskim, now playing for Hawks, pushing the referee John Ilau after a decision he made.

In one of the flare ups he tried to exchange punches when Tarakum prop-forward Jerry Bond and another Tarakum player used his fist in tackle, otherwise the game is exciting for the supporter and the general spectator.

Players in both teams played their best but Hawks very best is

FRUITLESS EFFORTS

IN last weekend's main game TST East and Watkins Kone Tigers did not put up the sort of polished football that they have been displaying in previous weeks.

Maybe the spectators could foresee what was in store, as attendance was not as good as previous main games.

Charles Kouri, the East half back, was the mastermind behind East's last minute revival, creating gaps and sending his centres away. His effort was wasted, as his inside centre kept running back inside. Kone five eighth created a lot of opportunities for his team, but chose to overdo his efforts on numerous occasions.

Emmanuel Kauna the Kone fullback should learn to take the ball straight up, or straighten up after attempting to overrun the opposition on the flanks.

The only other game that perhaps gave the spectators their money's worth, was the Kis DCA-RLC Paga match on Saturday.

Paga was out for sweet revenge from their 40 nil thrashing in the Easter Kool knock out.

Poor goal kicking in front of the goal posts together with a lapse in defence denied the blue boys that sweet revenge.

Serious consideration must now be given to goal kicking, as Paga have lost two games in a row due to unreliable goal kicking. This also applies to other clubs, a good goal kicker is a match winner.

Hi Lift Hawks continued to be a disinvestment to their sponsor, in their match against Twinsties Brothers.

The score of 44-6 did not really display Brothers' capabilities, rather the non-existence of a good solid defence line allowed the Twinsties boys to score at will.

Hobar West shot to the clear with 4 points at the expense of lacklustre Nissan Tarangau.

Wests are a very deceptive team indeed, they play their game according to their opposition's strengths and weaknesses. The way these men in black and white are going, it won't be surprising to see them win their second minor premiership.

It appears that most of the clubs are not using their big men to the fullest advantage. For instance, how many times do you see a big forward running from the rucks, only to be pulled down before he gains any ground.

If anybody is to run from the rucks, it has to be the smallest man, there is an exception to this rule however, in the 25 metre zone.

In open play, if I were one of these big forwards I would take the ball on the burst from about the third or the fourth pass and run straight into the opposite backline hence creating an overlap for my backs.

The reasons why these big men are not taking the ball from the burst out wide are:

1. They have not been instructed to do so.
2. They know what to do, but insist on bludging due to the absence of their physical condition.

In defence some of the big men are a disgrace to themselves, they let smaller men run rings around them.

It takes the combined effort of more than two such men to make a tackle on a small man. Whilst this status quo remains, we will never be a threat to the other international teams. What's so hard about picking up a big man and dropping him on his back. If I can do it in the past, so can you. There is no magic involved, but a simple common sense approach is to go for the legs.

For round 8 this weekend, on Saturday Kone should give West a good run for their money, and Air Niugini should just edge out Nissan Tarangau.

On Sunday East will put Brothers to the test, DCA should have no trouble dumping Kool Magani, and in the main game of the week Ela Defence look set to push Hi Lift Hawks further into the doldrums.

EDITOR'S view

Taking the field

This area covers many arguments and sub-arguments that are plenty fold.

I wish to talk about death that comes with sloppiness of mind and half hearted readiness of the body — death that stops a club from entering the field to play a match in order to give a moment of silent reflection to their late ace player. Death that robs a mother of her baby and leaves a woman (and maybe children) to survive on her own — which was not in accordance with the theme on family life, anyway.

Less than a month ago today a Hagen player died while playing rugby league. Later it was claimed that lack of fitness was to blame for his death.

When do we know we are not fit to take the field? That comes from great hours of training — of the mind and of the body. Yet that is not enough. One must constantly work to master body and mind control.

The Answer? Encourage "School Boys League". The earlier one starts, the more educated his games will be — his performances on and off the field. Thus there shall be less records of death on the field (near non-existent).

Rugby league is here to stay so let's help and make the staying good for all league fans.

So much for that — how do you think Australian ever ready Steve Mortimer become a star?... and the others may I add. Because they have the biggest brains on rugby league ever.

Bros sound out threats

by SINCLAIRE SOLOMON

enabling them to run in try after try with ease.

Hawks lacked match fitness and cohesion and the backline tended to stand too shallow to make their runs count.

In their current form Hawks could expect similar thrashings from other teams in the coming matches.

Brothers on the other hand should not be over-confident with the Saturday win because they face another tough, and some time unpredictable team, Easts, this weekend.

East succumbed to Kone 18-24 last Sunday but it was a close match throughout and they will be out to avenge that loss.

Brothers, however, should run out the winners judging from last weekend's performance.

No commitment

IT seems ages, since I ran and got tackled or made a tackle on a ball-carrier, although it has been only three years, as of this year, since I gave away the game.

Looking in from the outside after these years of non-involvement I can only conclude that the competitiveness of yester-years is sadly missing in the games of today.

Personally, I feel that the game standard has declined — in fact the standard has taken a nose-dive.

1. Commitment by Players

2. The Team Coach

3. The Team Captain and

4. The Club Administration

I now will briefly elaborate in that order the four points which I have mentioned above.

1. Commitment by Players: In years gone by there was never much movement of players from one club to another.

They were never "sooks" compared with players of today, if they did not receive trophies during presentation.

Now, this sort of attitude brought about the loyalty that a player has for the club.

Not too many players now are committed to training. If they are serious enough they should put more into their own training such as, doing some weights or improving on skills of the game during their off-nights.

Some even get drunk the day or night before the game. Can you call this commitment?

2. The Coach: Good number of coaches now are too lenient. They have players and officials tell them who should be in team.

There are no criteria on which the team is selected which leads to selection on a final night of training and in so doing upset the team and players' morale.

3. The Captain: This job is a great value to a team, as this gentleman is in fact a coach on the field of play.

In Moresby competition I have yet to see a good team leader. It is quite opposite to the calibre of captains that Port Moresby once experienced in the mid and late seventies in the likes of Kaira Kako, Simon Girty, John Wagamie and of course yours truly, to name just a few.

This position and for the person for it must be a leader in all aspects of the game.

4. Administration: This is one big area where a lot of past players have overlooked giving a hand to.

Let us not kid ourselves, not everyone who has played rep. or so many seasons of grade football can become successful coaches. Because we cannot all be coaches, why not put something back into the game by becoming club administrators. This is the areas where all the above-mentioned fall back on. So, come on players and supporters if you can find time please do assist in improving the standard of Rugby League — The Greatest Game of All.

DCA earn two hard points

KIS DCA continued its successful bid for the 1986 Port Moresby rugby league premiership with 28-24 win against RLC Paga at the Lloyd Robson oval last Saturday.

Despite some controversial referee decisions DCA had to fight all the way for the win which placed them second on the premiership ladder.

The fact that there were only two rugby balls during the whole match also did not help the game and caused unnecessary delays when a ball was kicked out the field of play.

DCA shot to the lead five minutes into the match and never looked back although they were threatened by an equally determined Paga throughout the match.

Paga's heavier pack and good hooking saw them win the lion's share of the ball and they made good use of this but never seemed to finish off their moves.

The pack, led by Martin Mareto and Francis Hennessy, also commanded the Paga play by making good breaks and running hard on to the ball from around the ruck and off the inside backs.

Mareto's efforts throughout realised two tries and kept Paga's hopes of an upset win alive until the end of the match.

DCA on the other hand relied again on the services of skipper Tara Gau whose non-stop running spurred on his young side.

They threw the ball around and the outside backs had a feast of possession resulting in most corner tries. Six extra

points went begging because kicker Greeny Mea could not convert three of the tries his team scored.

DCA faces another tough battle this weekend when they clash with Magani at 2.30pm on Saturday but should come out winners.

After two straight losses Paga has a bye this weekend but should come out fighting against Magani the following weekend.

Tigers score two points from teamwork

by HENRY MORABANG

KONE Tigers clawed Easts 28-18 during the main fixture on Sunday at Lloyd Robson oval.

Tigers were first to score when Ivan Turia landed for the first unconverted try.

Both teams played brilliant football but Tigers boosted their win with their good team work.

Easts paid back with a try from Charlie Kouri who ran through Tigers' defence landed near the uprights.

Tigers, who displayed great teamwork,

did not do as well from the start, but their late combined force easily ran over Easts.

Kiva Fae zigzagged 50 metres to score his try. The try then was converted by centre Stanley Haru.

Halfback who contributed much to Tigers win and was later tagged 'Boroko Hotel' man of the match, played a great match that day.

Nine minutes before the half time siren Tigers' sneaky centre Stanley Haru scored a

try. He then converted his own try which soared Tigers 16-8.

In the second half Tigers came out on the field to 'kill' Easts. But Easts, lead by five-eighth Charlie Kouri, who was later named the "Best and Fairest Player" of the game did not give Tigers an easy win.

Charlie Kouri, with his side stepping run and his slim figure, really out ran heavy Tigers.

Easts' Windom Aiwei had contributed his share with his buzzing runs that gain large favourable ground from their opponents,

Tigers.

One of the Easts' brilliant try came from Matagu Kevau and was converted by Windom Aiwei.

Tigers' last try came from Wilfred Mai but was unsuccessfully converted by Stanley Haru.

In the other match on the day, Wests still lead the points table with 12 points and they defeated Nissan Tarangau 30-12.

Wests, which displayed a very superb defence and made it hard for Nissan Tarangau hard runners, Paul Timbe and Ben Piru to gain ground for their

colleague.

Wests' representatives in the National Panasonic squad Tati Evera and Isa Mai plus the Kouvu brothers led Wests raiding runs into Tarangau territory, to give them this win.

Tarangau brothers John and Dara Ben Moide contributed much to the Tarangau team but lack of support was the main factor for Tarangau's downfall.

Dara Ben Moide came back shinning into the limelight after a long break following injuries he received.

NCL begins at top class

by KENA'E KA'AU.....

THIS weekend all games will be played at the Kone Tigers oval at Waigani, with the senior seconds and thirds games on Saturday starting at 9:30am and the senior firsts and U17 games on Sunday commencing at 10:30am.

This weekend also sees the first premiership games of National Capital League and top clashes are expected in this senior firsts encounters. Hohola looks all set to take revenge on Saraga for their pre season loss and if they use their flankers to the fullest should come out on top.

Korobosea meet Bomana in the other clash worth mentioning and Korobosea coach Badi Dou is confident that his charges will come out on top. His words cannot be taken lightly and if Bomana maintain the easy going attitude they displayed last week, they should be in for a thrashing. A Uama, J Tia and company should be in top gear to reverse the scores from their pre season clash.

Joseph Wate, the Bomana skipper is however quietly confident that his boys should be able to come out on top.

The other encounter should see "Ray" Karaki and his mob from Morata over-run Boroko.

Southern Zone Squad

THE Southern Zone junior squad for the national championship will be announced on Saturday.

The 20-man squad was selected on Wednesday, April 22, following a possible v probables match at the Lloyd Robson Oval.

Port Moresby was the only league that could select players for this match because other centres faced

financial difficulties.

According to Southern Zone junior league co-ordinator Don Haro, the National Capital District league would be able to have two players in the squad.

Southern Zone are the current junior champions having won the title and retained it since in 1984.

This year's cham-

pionship will be held in Lae during May 9, 10, and 11.

According to Haro, the Southern Zone should be able to retain the title again this year.

Northern Zone and Highlands Zone have also selected their squads and are both confident of winning the championship.

LOOK OUT!

KOROBOSEA sounded out a warning to Saraga and Bomana in the National Capital District Rugby League competition when they convincingly defeated a strong Saraga side in the first encounter of the last round of the pre season games at the weekend.

Johnson Tia, Muli Kera, Amex Uama and T Pupun were in the thick of everything, thwarting Saraga's moves and making telling breaks that weakened the Saraga defence for Korobosea to score.

The first try after 15 minutes into the game was a gift when an overlap pass from J Beleni failed to meet his flanker and his opposite Peter Yuwi scooped up the ball and raced away to score. Amex Uama added the extras for Korobosea to surge ahead 6-0.

Saraga retaliated with a barging W Yame try five minutes before half time to trail 4-6 at the break. Saraga got into business minutes into the second half and Eric Sawiya raced away to score from a neat backline movement, and Saraga hit the front for the first and last time.

Stocky Muli Kera went in to score and A Uama put the issue beyond doubt when he converted Kera's try and scored a converted try himself.

Kera, Tia, Uama and P Yuwi played a strong game for Korobosea whilst E Sawiya was a lone trier in the Saraga camp.

In the other games at the weekend Hohola drew 20-all with Morata after trailing 16-0 five minutes into the second half and Waigani scored all of its 18 points.

More laugh!

REMARKS from down under about the chances of PNG players breaking into the Sydney scene obviously indicate that despite the progress in the code here, the standard of our game has yet to meet international standard and particularly that of Sydney Rugby League.

There is no doubt that Bal Numapo, the 1984 player of the year, is a talented youngster whose ability if honed can become one of the best players that PNG has ever produced.

We have had DCA's Tara Gau and Arebo Taumaku doing stints with clubs down south and Philip Ralda doing likewise in England. Their appearances did not have kind of impact we would have like it to be but then again, perhaps there is a lesson in it for the learning.

Just read in the paper this week of an Alotau League fan standing up for the press following reports of members (of the press) being charged gate fees for the recent Western Australia-Port Moresby Rugby League Panasonic Cup series knock-out.

It certainly is heartening to see rugby league fans understanding the need for a more intellectual approach by organisers to the role the press play in the promotion of rugby league, not forgetting the information it disseminates to the minor centres about the code in the major centres. Perhaps the press should concentrate on the minor centres and forget about the major ones.

Australian basketball referees who recently voiced concern over proposed rule changes for the national Basketball League would have receive a shock if they read the Canberra Times last Tuesday.

The Canberra Times was offering five lucky readers double season passes to see the Canberra Mazda Cannon's home games.

A blurb on the front page referred readers to a coupon on page 11.

But the coupon contained a competition for gold passes to the Canberra Raiders rugby league team's home games.

Surely the NBL's rule changes aren't going to be that drastic?

And the K-Ave while on his way from the game last weekend talking about something to do with United Nations.

From a distance one could distinctly make out some words to the effect that: "Long PNG, yumi save tok pung wantaim, ol masta ol i save tok yu-laitied leisons." Beautiful, I could have put my arms around his lek, I mean neck.

Western Suburbs Rugby League captain, Bruce Clarke, on his ample physique: "The Chicago Bears have got 'The Fridge'... I'm the esky."

About the two country league reps talking about the marriage of one of them. How did the marriage go?"

"Aw, I couldn't keep me hands off her."

"Yea...? The honeymoon must have been great. What about when you got back?"

"Tell yer. Couldn't keep me two hands off her."

"Cor... and what's it like now?"

"Well, it got so bad I fired the hands and bought a tractor."

How about the priest who made his own holy water... He fetched ordinary water and boiled the hell out of it.

league around the provinces

REVENGE!

by ALPHONSE TANNE

DOLPHINS took sweet revenge over their first pre season loss against Muruks when they defeated them 30 points to 26 on Saturday April 19 at the Arawa RL oval.

Dolphins went into business from the start determined to show the league that they should have been included in the finals of the pre season competition title that went to Muruks under questionable circumstances.

Muruks were first to score when Mapu Tamtu crossed Dolphins guarded area for the points of the match with the conversion attempt unsuccessful by David Tamtam. They held their slender lead for the next 10 minutes and appeared set to give Dolphins a good run for their money with big runs from William Luita and Clarence Tsibilian. The pair combined well to give Dolphins a much needed tackling practice.

Dolphins' machine clicked when the pair ran out of steam and there appeared no stopping when Peter Kilory and Apia Anana combined to send Lukas Manil for an unchallenged run under the goal posts for Dolphins reply. Apia Anana converted to put Dolphins in front 6-4 and never looked back from here on.

Dolphins ran in another two tries in succession through Blaise Golu and Karoa Memeho to lead 18-4. Stanley Amau galloped past four Muruks' defenders and carried on over for a great individual try for a 24-4 lead. Just before the break Philip Misikaram had a chance to score for Muruks. Apia's kicking boots slotted a penalty two pointer for Dolphins to lead 26-4 before half time.

At the resumption of play Philip Misikaram replied with a try for Muruks with a successful conversion to trail Dolphins 26-10.

Then came a succession of

mistakes by Dolphins' fiery character John Miri, sent on as a replacement that resulted in two tries to Muruks, however with only one successful conversion to hold Dolphins 26-all.

Tensions were high in the Dolphins' camp at this stage, however smiles soon returned when Louta Atoi sprinted clear after a scrum win to score for Dolphins to seal the game in Dolphins favour 30 points to 26.

On Friday night at Loloho, one man demolition squad Ekon Togili completely demoralised Snafu putting an end to Snafu's unbeaten record.

On Sunday Diggers recorded their first points at the expense of Barbarians. John Takaku again starred for Diggers to spear-head the win.

On Wednesday night, April 16, in the SP Cup competition Dolphins thrashed Diggers 30 points to 12.

Fourth round games coming weekend sees Dolphins against Barbarians at Loloho on Friday night April 25 with a predictable outcome. Dolphins will be back to full strength with the return of Mr "Suicide" Ambrose Tuhi and Marcelin Kirama whose elbow joints should be right by now after visits to the specialist at Nifig last weekend. Peter Sterling lookalike talkalike and playalike Karoa Memeho is showing glimpses of this old form and looks set for a big game.

Diggers meet Seagulls at Arawa on Saturday and if Diggers want to win should stop Togili and Luaina while Muruks, if they repeat and produce their first half effort against Dolphins, should account for Snafu.

Next Wednesday night SP Cup match will between Muruks and Snafu and whoever wins on Sunday should also win this one.

Jessy Kairu who also scored most of the tries. Tarakum's best is Aisa Pupu.

The full time score: Hawks 56 defeated Tarakum 6.

In the second game the most experienced Brothers were run over by 28-0 by Sea Eagles consisting mostly of New Guinea island players.

The game began in a slow place in the first half in which Sea Eagles lead 16-0.

The second half saw Brothers recover consciousness and started playing a good game as the heat of the day cooled off in the afternoon but its veteran players like Mark Martin and Jacob Mandari an ex-Sea

Eagles player who walked across and ganged with Brothers's Otto Sabakali just could not keep up the pace the Sea Eagles had gain from the start of the game.

Sea Eagles kept the spectators yelling from the start of the game to the end. But 10 minutes before full time, Chris Uri walked off the field after disagreement on a decision debate for a penalty kick that was not taken by Eagles player Otto Sabakali.

The final score ended at Sea Eagles 28 to Brothers 0.

This weekend games and Tarakum versus Eagles will need a referee from the defence team. The second game between Defence and Brothers will use Sam Teno as referee.

A prediction of Vanimo League that has been confirmed by the vice president of Vanimo Rugby League Eko Mason (who was a player himself in 1982/83 at Defence and has always shown good form in the field) Defence team will win the game next week against Brothers.

Madang Panthers fanged Brothers

by MICHAEL KANAKO

BROTHERS nearly defanged Panthers but lost 24-22 in a closely fought encounter in Madang last Sunday.

Both teams were equally matched in speed and ballwork. They played fast and open football and kept their scores close to each other in the first half.

In the second half, Brothers' halfback, Leslie Patoro's mistimed pass went sailing into the hands of Panthers' centre Jacob Nalali. The fast centre outpaced the brother's backline to dash 60 metres and touch down wide out.

That was not to be Patoro's first error. He erred twice afterwards by missing two seemingly easy conversions to give the game away.

But Panthers only capitalised on the errors in the dying stages of the second half. For the best part of the half, both sides restored to tough defensive play to keep the ball seesawing at centre field.

Brothers looked the better side. They should've drawn or won the match. But their weakness was that not much back-up was given to the forwards by the backline and vice-versa.

Brothers had four tries and three successful conversions, while Panthers potted two of their five tries. Best for Brothers were lock Gabriel Kuk, secondrower Noki Kopi, fullback Jonare Apelis and halfback Leslie Patoro. And for Panthers, centre Willie Waluka and pivot Sam Erol stood out.

School Boys get K250 cash

Lae

THE Lae Rugby League is making a cash donation to the Morobe School Boys league so that the code can be re-recognised in the province.

This was revealed at the National School Boys meeting held at Busu High School in Lae last weekend.

Mr George Mack of Lae League said that this would give Morobe School Boys League K250 to assist the school boys to get going again.

Mr Mack said, "It is a small amount but is a start". He also said if you don't make a start the senior league could be affected in the future.

At the moment, only Bugandi High School allows rugby league football to be played by its students.

Morobe School Boys delegate Mr Peter Oyato said, "Many Morobe High School headmasters banned the code because they had never played the game themselves".

"The headmasters said that their boys did not want to play rugby league but they have not asked

the boys yet," Mr Oyato said.

The president of the PNG School Boys Rugby League, Mr John Morrison said that Eastern Highlands province is the largest league centre for School Boys Rugby League so it was hoped that Morobe could be the next big centre because of its many likeness to Eastern Highlands.

The details of the National School Boys Carnivals to be held at Goroka in July this year have been hammered up.

Seven centres have definitely expressed their participation and will enter the tournament. They are: Kimbe, Morobe, Port Moresby, Kerema, Kiunga, Simbu and Eastern Highlands.

The carnival would be held during July school holidays week (7-11) at the National Sport Institute, in Goroka.

The public are more than welcome to watch the game during the week of non-stop rugby league action.

Assistance for last weekend and for the carnival is provided by PNG Banking Corporation, a positive contributor to sport.

Unfit Magani allow Air Niugini win

Moresby

A LATE second half take off enabled Ward Air Niugini to scrape home over Kool Magani 26-24 in last Sunday's early A grade game at Lloyd Robson oval, Port Moresby.

Magani jumped to an early lead when their ace goal kicker and half back Tonny Kapigeno booted a penalty goal from in front of the post after Air Niugini player stole a ball from a tackled Magani.

Airliner jets failed to ignite in the first half but their top prop John Keai touched down for solo unconverted try.

In the final 20 minutes of the first half it looked like Magani could not do anything wrong as they poured on three tries by fullback Apuna Wali, replacement Ivan Gano and hooker Ronny Ilo, and with accurate footer Kapigeno, had Magani leading Air Niugini comfortably at half time.

The second half started off with the airliners on new flight plan with inside centre Bob Tolick setting up the traffic pattern which resulted in Jonah Unagi in for his first try which was converted by winger Wata Sauna.

Few minutes later Sauna ran in another try

which he converted himself to have the airliners on the Wallabies tail at 16-18.

Although Kool Magani fitness started to wear, replacement Sam Kapani still had enough strength to break the PX defence to set up outside centre Thoa Rauv for a try which was converted by ever reliable goalkicker Tony Kapigeno to stretch the Magani lead to 24-16.

But Magani's lack of fitness forced them to meet too many basic errors such as a drop ball, high tackles and not being able to kick the ball ten metres, allowed Air Niugini to take control of the game.

Air Niugini poured two tries by inside centre Bob Tolick and lock Jonah Unagi plus a penalty goal kicked by Wata Sauna allowed Ward Air Niugini who just touched down on the runway to defeat Kool Magani 26-14.

Rugby League football demands 100 per cent commitment and fitness from a player so that the spectators will give their money's worth to watch Rugby League Football.

'DUSTY' KIUNGA KICK OFF

KIUNGA Rugby League season proper started off with a couple of "dusting."

On Saturday revived Magani defeated K&T County 36-14 while on Sunday Royals ended out a similar treatment to United by defeating them 40-16.

In Saturday's games Magani sprang into action from the first reserve, storming the K&T line with seven tries and four goals non-stop to the final whistle.

Two sides concentrated on the ball with Magani showing better ball handling skills, with backs scoring over tries.

Individual brilliants of K&T Country, inside centre, Makeso Nago scored three tries for his side.

Magani replacement fullback Willie Zagarawas was all over the place with his centre partner Peter Maiaga tc set up Magani tries.

The scorers for Magani were outside centre Buge laba, three tries, replacement fullback Willie Zagarawas two tries, fullback Morgan Pewamu, right wing Bamoro Olewale 1 try, five-eighth Varo Kuwale, goal kicker and second rower Gawi Ilie three goals, Willy Zagarawas 1 goal. Total points for Magani 36.

For K&T Country scorers were inside centre Makeso Nago three tries, fullback Gawi Jimmy one goal. Total score for K&T Country was 14.

In scrums, Magani 13, K&T 10. In penalties K&T received more with

10 and Magani one.

Despite the scoreline Sunday's Royals versus United clash was a tight tussle with the halftime score being nil all.

But in the second half Royals ran riot by running in eight tries to United's three.

United captain coach Thomas Kubu said that it was a fast open game, "and my boys gave up tackling".

In the scrum Royals 11 and United 1 K&T 1.

This weekend's game K&T Country challenge Royals on Saturday. And Magani are playing United on Sunday.

The K&T Country versus Royals game should be a real thriller with K&T Country wanting to register a win while Royals like to remain undefeated.

The K&T Country forward should get into gear with supports from their backs.

Royals forwards, led by Martin Baining would road block little K&T moves and the Royals backline led by Michael Pagru and inside centre Tom Penny should take their side to their win.

If United's found is hard to contain Royals last weekend, they would have real trouble against Magani this time.

The Magani attack is like a swarm of bees with quick well timed passes and backing up will carry them through physical United defence.
