Dear Professor Szilard,

I wonder if you remember that we talked in Moscow about the possibility of an English edition of "The Dolphins". You actually said you would show me the typescript as it then was, but in the general whirl we seem to have forgotten to come back to this.

I don't know if there is still a possibility of an English publisher making a separate edition for over here, but if there is, I should be extremely glad if you would consider us for it.

Yours sincerely,

Wayland Young

Dear Mr. Young:

Many thanks for your very kind letter of April 24.
"The Voice of the Dolphins" is being published in England by
Gollancz. It is being published in France, Italy and Germany.
The Germans are printing 50,000 copies in paperback. In
America, about three-quarters of the first printing of 10,000
copies has been sold within a month.

I am sending you, under separate cover, a paperback
copy.

With kind regards,

Yours sincerely,

Leo Szilard

Dear Wayland Young:

I am enclosing an unedited rough draft of a manuscript which I prepared for publication in England. I do not yet know whether or not ENCOUNTER may take it. If not, I might try my luck with the NEW STATESMAN. In any case, I thought you might be interested in the contents and should you need additional copies, please let me know before December 15th, at the Hotel Dupont Plaza, Washington, D.C. 20036.

With best wishes,

Yours sincerely,

Leo Szilard
