

UCSD: Is this my place to be?

Large lecture halls,
Different Faces,
Enormous campus,
Six colleges,
Intelligent classmates,
New courses.

UCSD: Is this my place to be?

A diverse student body:

White,
Black,
Latino/a,
Asian,

But not many like me.

UCSD: Is this my place to be?

Far from home,
Family,
Friends,
Laughs,
Middle Eastern food,
And Tradition.

UCSD: Is this my place to be?

Great Professors,
Peaceful roommates,
Single room,
Biochemistry major,
Close to the beach,
My second home.

UCSD: My place to be.
