### HIGH SCHOOL COLLEGE BOWL TOURNEY SET FOR APRIL 25 AT UCSD

The eleventh annual High School College Bowl Tournament sponsored by the University of California, San Diego, will be held from 9 a.m. to 4 p.m. Saturday, April 25, in the Warren Lecture Hall Complex on the Warren College campus. The event is free and open to the public.

Staged as a question-and-answer game, the tournament allows area high schools to compete for three UCSD scholarships totaling \$3,500. Teams from 16 San Diego County high schools will compete in the contest, which is modeled after the National College Bowl rules and regulations.

The UCSD awards are funded through a grant administered by the UCSD Scholarship Office. The team winning first place will receive \$1,750; second place will receive \$1,000 and third place winners, \$750.

Distribution of the scholarship is determined by the winning team and coach. It can be divided among all team members who are admitted to UCSD for the fall quarter, 1992, or, if only one of the four team members is admitted, the entire scholarship is awarded to that member.

College Bowl is a question-and-answer game played between two teams of four players and two alternates. Teams play for two rounds, with winning teams continuing to participate in elimination rounds.

Questions cover a variety of subjects, including history, science, literature, art and trivia. UCSD staff, students and faculty coordinate and moderate the event; some local television and radio personalities may serve as guest moderators.

The College Bowl Tournament is hosted by UCSD's Student Outreach and Recruitment (SOAR) Office, which provides information about UCSD's undergraduate programs through school visits, presentations, publications and a campus tour program. Students who are interested in learning more about UCSD are encouraged to contact a SOAR outreach officer, Monday through Friday from 8 a.m. to 4:30 p.m.
