Dear Sir

I should have wrote to you by the New Shoreham Capt: Goaham, had I not been absent from Hanover at the time of her sailing; since which opportunity I have waited untill Mr Fenn settled the purchasing a House & about 22^h Acres of Land of Michael Barnes situated on the Borders of Worcester Pasture, & joined by Williamsfield on the other side. Mr F. thought it would be much better for me to live there, than in the same House with the Overseer, or than my adding any additional Building upon the Estate, as it was a very cheap House & would be as convenient for me at Williamsfield should you think proper to remove me to that place. We have been here about three Weeks, & I have been with Mr Fenn Over your Estate, the Sugars at Inyall Williamsfield & Worcester are exceeding fine, much better than most

that I have seen; they are not so good here at present but I hope they will amend. I hope you will receive 700 Stds this Crop. the Estates in many Parishes will fall greatly short of last year. We may expect great prices as the account we have of the other Islands is that they will hardly make anything this year. I shall send a Turtle of 108 Weight by (the Dawes Capt Brown), & another for my Brother should I be able to get one. The Sails on Sunday fortnight; Dr Mackenzie & Family are Passengers in her. The Thames will sail soon, if I can get any more Turtle that is worth sending I will by the Thames. I should be glad if you will remember to send me out some Garden seeds of all kind & likewise a small quantity of Lucerne Grass seed, as I have a mind to try it here, it being the chief fodder for the Cattle in the Spanish West Indies, I think it will succeed. I hope by this time you have received an account of my conduct since I have been here that will give the

Satisfaction you could wish for, as it has been my Endeavour to shew to Mr. Fiers that I am not so unworthy of your Esteem as you thought me in London. We all return to Hanover on Saturday the 30th Instant, from whence you shall hear from me by the Dawes. Give my love to My Brothers & Sisters, & tell my Brother I shall write to him soon. I have nothing further to add will beg leave to conclude myself to be Dear Sir

Your ever Dutifull
& Affectionate Son
