UCSD HOLDS HIGH SCHOOL COLLEGE BOWL TOURNAMENT

The University of California, San Diego will hold the ninth annual High School College Bowl Tournament on Sunday, April 29, from 10:00 a.m. to 4 p.m., in Peterson Hall on the Third College campus (see attached map).

The all-day event will take place during UCSD's Open House festivities, and is hosted by the Student Outreach and Recruitment (SOAR) office.

Teams from 16 San Diego County schools will compete in the contest, which follows the National College Bowl rules and regulations. Twenty-seven schools will participate in a preliminary tournament April 22 to determine the finalists. College Bowl is a question-and-answer game played between two teams of four players and two alternates. Teams play for two rounds, with winning teams continuing to participate in elimination rounds.

The sealed packets used in the tournament contain questions about history, science, literature, art, and trivia. UCSD staff, students, and faculty coordinate and moderate the event, which is open to the public.

Three scholarships funded through a grant from the UCSD Scholarship Office will be awarded. The team winning first place will receive \$1,750, second place will receive \$1,000, and the third place winners will receive \$750.

The distribution of the scholarship is determined by the team and the coach. It may be divided among four students admitted to UCSD for fall, 1990, or if only one of the four team members is admitted, the entire scholarship is awarded to that member.

The High School College Bowl Tournament is a traditional event of the annual UCSD Open House which offers the public an opportunity to tour the campus, enjoy a wide variety of entertainment, attend lectures by UCSD faculty, take advantage of free health screenings and sample foods from many countries.
