

## **Media Advisory, news conference and media tour of Charles Lee Powell Structural Research Laboratory**

**April 28, 1986**

**EVENT:** News conference and media tour of Charles Lee Powell Structural Research Laboratory, University of California, San Diego

**DATE:** Thursday, May 1, 1986

**TIME:** 10 a.m.

**LOCATION:** Southeast of the Central University Library, across the (unnamed) street from the UCSD Police Department.

**REMARKS:** The \$2 million laboratory will be capable of testing structures up to five stories tall for resistance to earthquakes. It is the only such facility in the United States capable of doing this. The laboratory will be formally dedicated at ceremonies Sunday, May 4, during the UCSD Open House. Thursday's media tour will be an opportunity to view the five-story high reaction strong wall and to discuss the research which will be conducted at the lab with Director Gilbert Hegemier and Assistant Director Frieder Seible.

**Media Contact:** Paul Lowenberg, 452-3120
