ADDRESS ALL COMMUNICATIONS TO
RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

September 4, 1917.

App. No. 2893.

Cuyamaca Water Company,

San Diego, California.

Gentlemen:-

Referring to Application No. 2893, being application of your company for authority to execute a promissory note in the sum of \$100,000, together with a mortgage of your entire property to secure the payment of this note, the inability of Mr. Ed Fletcher by reason of his illness to be present at the hearing resulted in failure on the part of the Commission to secure an answer to a number of important questions.

Without this information, it will be impossible for the Commission to decide this application.

Accordingly, an adjourned hearing in this proceeding has been set for November 17, 1917, at 10 A.M., in the Federal Building, San Diego.

Formal notice will follow in due course.

Yours truly,

RAILROAD COMMISSION OF THE STATE OF CALIFORNIA.
