Sept. 21, 1915.

Mr. W. E. Ingelow,  
Spring Valley, Calif.

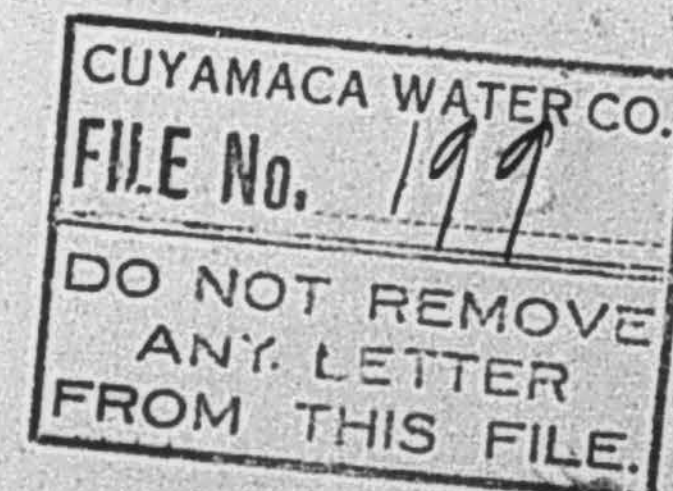

Dear Sir:

Not having received your check for \$1.00 for penalty for non-payment of water bills by the tenth of the month, we are returning to you herewith your check for \$52.65, together with bills for the month of August, 1915, and will thank you to send us your check for the correct amount, being \$53.65, by return mail. Otherwise we shall be obliged to have the water turned off.

Yours very truly,

CUYAMACA WATER COMPANY.

Secretary.

December 29, 1915.

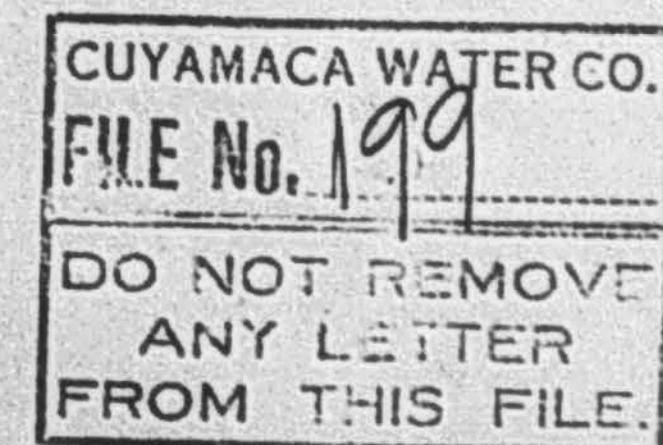

Mr. Mathews:

Mr. Ingelow saw me this morning about payments of the water bills on the Bancroft land at Spring Valley. He states that heretofore the Bancroft people have been sending him a check for the water bills and that he has then made out a check to the Company. In the future, beginning with the January bill, he has arranged that he will pay this direct and will get it in on or before the 10th of the month.

In addition to the foregoing Mr. Bancroft is now one of the Railroad Commission Examiners and in view of all these facts, we had better not require any deposit unless there is a considerable delinquency in the future. Please mark this name off the deposit list.

F. M. Faude.
