Black Book 2

104A Dec 7 -

1976

overwrite
blue pen

alternate

words

I wrote

in reds & black

confused
read this

already

page

OK

no words I see

in black pen

green pen

for blue

Don't explain

& some ^{IMO}

yellow

when I see

it in yellow

& some green

words that

don't explain

+ some other
for backwards

all through

wrote in green

& some other

color

yellow

yellow

for words

Am I right

I see on my
forehead, that

Yellow + Green

now

Should

This an interesting
written
write in green
when it says
green above

as

black

because I see it

and also

when 2 pages

ago I see

Green

yellow

written

no black

no I think if
I can remember

3 pages back
green

I saw them
written

in green and
yellow

ditto

I saw them
written in

green printed
and yellow

and printed

very good

my own

head lights

up &

make

a comment.

What a life

Sometimes

Mid Blue

because I see
yellow + blue
because

with red
I'll work

because I see
yellow + blue
together with
a little red
is green

my mouth
chewing

page) is another

problem
Best ups
Paddle

I see it over
written - in
clear see
through over

over

McMearth

I dont slant

lead a dedicated life^{to}
that a yogi
Sleepless
wear your feet bare
BARE

On the bed

see

you write
enough

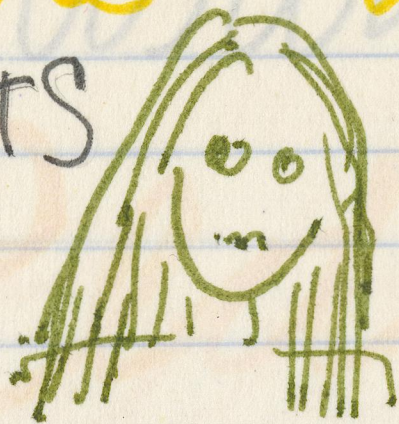

d. enough

I heard

April after Thursday
Draw Pedro

he's brown

LOTS OF BREAD

that's enough

april after Thursday
21

I writes

Pedro

as letter

thas better

When

or April

in Colorado

has lying

Sometimes

or another

clinic

which offers
Lactulose

for cancer

stupid

I see negative

on Laetvil

Colorado

movie

watch laetvil

disappear

movie

watch laetvil

disappear

Hannah I

prevent this

the

Saint

drinks juice

orange

repeats juice

I see a monster

thas Pedro

watch screen

watch yourself

pink forehead

sheet

for Christina
all on 14th st
thru 399

on Saturday

last period

mention it

Mistake

Blue is a
snappy
image
