MEDIA ADVISORY

EVENT: ANNUAL MUIR COLLEGE PUMPKIN DROP

TIME: Noon

DATE: Wednesday, October 31, 1984

LOCATION: Muir College Quad

CONTACT: Paul W. West, 452-3120 or Charles Dreilinger, 452-3587

BACKGROUND: Each fall, in honor of Halloween, the students of Muir College at the University of California, San Diego drop the largest pumpkin they can find off the top of Tioga Hall, an 11-story dormitory. However, since the pumpkin crop has not been too good, this year three smaller pumpkins will be substituted for one large one. The pumpkins are hollowed out and filled with trick-or-treat goodies including discount coupons from Muir's new sundry store.

The students who will drop the pumpkins will be selected by the Muir College Residence Hall Council.
