TO:

Estimado/a,

This letter is to inform your office of a serious issue which has been brought to our attention regarding the apprehension of a legal resident alien by members of the Ku Klux Klan.

If possible our organization wishes to request that your office write a letter to Attorney General Griffin Bell and United States Attorney Michael Walsh, requesting that they:

- 1) Conduct a full scale investigation of the reported incident.
- 2) The release of the names of the involved individuals by the Border Patrol to the appropriate law enforcement agencies.
- 3) That charges be pressed against the involved individuals if any laws have been violated.

Any help that you or your office can provide will be greatly appreciated.

Thank you,

Herman Baca, Chairman

Carter's Immigration Plan:

Amnesty

...adjusts the immigration status of undocumented aliens who entered the U.S. before January 1, 1977. Some will be eligible for permanent resident status. A new category of "Temporary Resident Alien" will be created for others.

Border Enforcement

...increase the resources available to control the Southern Border; 2,000 additional Border Patrol Agents will be hired to prevent illegal immigration.

Foreign Aid

...proposes cooperation with the governments which are major sources of undocumented aliens, in an effort to improve their economies and their controls over alien smuggling rings.

Immigration Policy

...reviews existing immigration laws and policies. It supports pending legislation to increase the annual legal limitation of Mexican and Canadian immigration to a total of 50,000 allocated between them according to demand.

Foreign Workers

...reviews the current temporary foreign worker (H-2) certification program so as to control the problem of undocumented aliens. It is possible to structure this program so that it responds to the legitimate needs of employers, by providing a needed work force.

Employer Sanctions

...makes unlawful the hiring of undocumented aliens, with enforcement against those employers who engage in a "pattern or practice" of such hiring. Penalties would be civil injunctions and fines.

"WHY WE MUST STOP CARTER'S IMMIGRATION PLAN"

Position Statement by Herman Baca, Committee on Chicano Rights

The Amnesty is a hoax. A great risk in applying for permanent resident status is the possibility of deportation. The temporary resident alien would be allowed to work in the U.S. and be required to pay taxes to support a government that would not allow them to be politically represented, to be united with their families or to use the social services their taxes pay for. A "semi-slave" state is created.

This proposal will increase of intensity of the police state within the Chicano community. The escalation of border tension will not stop immigration. Immigration is a socio-economic problem, not a law-enforcement problem. The added agents will mean more violations of the Chicano Latino community's civil, constitutional and human rights.

We can't stop unemployment here, let alone in other countries. Millions of dollars will be sent to these countries, but nothing is said of the BILLIONS in profit that Multi-National Corporations take out of these same countries.

This proposal is a band-aid. What we need are: 1.) Unconditional amnesty with family reunification; 2.) The immediate stopping of all deportations; 3.) Congressional hearings to form a just immigration policy.

This proposal is proof that Carter is working to protect business interests. It would allow for the importation of workers to meet the demands of Agribusiness and other employers for cheap, easily exploitable labor. It is nothing but a sugar-coated "Bracero Program". This proposal is a contradiction when one considers that on the one hand Carter wants 2,000 Patrol Agents to keep out immigrants and on the other hand Carter wants to import immigrant workers for big business.

This proposal would make federal agents of every employer. The easiest way for employers to avoid fines would be to refuse to hire any brown or Spanish-speaking persons. Chicanos would be threatened with increasing unemployment. A South African-type I.D. card for workers is being considered. This sanction attacks our community instead of the root of the problem.

Dear Friend,

As a concerned individual of the community we wish to inform you of the following concern which has been expressed to us by various organizations and individuals from the Chicano, Black, Anglo, and religious community.

The issue concerns a legal resident Mexican alien who was reportedly apprehended by members of the KKK (see enclosed attachment). This latest incident by the KKK with its known history of racism and vigilantism, in our opinion represents a dangerous escalation and a serious threat to our communities' civil, constitutional, and human rights. Incidents such as this have increased greatly in our communities in the past few months and now it appears that these organizations believe that they can carry out these types of illegal acts with impunity.

For these and other reasons we are inviting you as an individual or as the head of your organization to a special meeting of the Chicano, Black, Anglo, and religious community in order that we may discuss what action should be taken on this serious issue. Please feel free to invite anyone you feel can contribute.

Sincerely,

Herman Baca
