

Dear Sir

I have not now recd yours by the way with a great deal of pleasure to hear you are well, but am concerned to hear my poor girls beeping out returns. I had would have you get some good advice about it and not let it run too far.

I wish not to give you any dissatisfaction you I want rather you should have agreed with him for putting a Mahogany then you should have got the Suttons Schooner to be re-fitted & down provided he would have allowed in the price, or the letter is obliged to the payment in goods, I wish you could give the person who owes it is that is to buy his goods & his hand to give him in payment I also Capt Sutton. all the way as I came up on Thursday who says he was to call at Savannah tomorrow & would bring round our letter.

I left an order, I think, with Geo. Gray an Justice for my done an written State which Justice promised to pay & hope he has not neglected.

But more at Savannah Town has wrote to me for to get him about 600 feet of Choice Mahogany, I wish you could agree with Harvey for some as I know he was cutting some very good, or any other person, that could get some again the ship of Vaughan & Stevenson arrived, or that of Matthews. I wish you would think to put Lawrence as being to have one a few Choice Blanks, I shant differ with them about the price as I want willingly oblige with them of whom I may have occasion to ask some favours in return as I know it could be in the power to serve me in the affair of Blacivance in case I shant go to Law, as I have

Further I fear to believe my Title good, but falling Campbell
in a manner I am pleas'd to see, that he must depend on me
at last to strengthen his Title, I had a message from Mr
Anthony Brett the attorney that he had fully considered &
stated the case & that it was all the Councils opinion
who had seen it that I had an absolute Title

Mr Tho. Peeler sends a letter by the bearer to Mr James Campbell
which he says you will forward to him, if he sends an answer
to return it by some opportunity

Found every thing here in pretty good order tho' we fall
short of our crop of Cotton, I want more above 7 or 8 bags of
about 200^{lb} of sugar

I propose to set out for Town tomorrow morning & hope
to write you soon from thence, I now conclude with
best wishes

I am a most affec^d Father
