Estimado Hermano:

We enclose a check in the amount of \$60.00 to help send a delegation to Washington D.C. to present our collective position at the senate hearings on immigration.

This administrations proposed policies in the sensitive area of immigration and naturalization must be closely monitored. We are confident that your presence there will provide the appropriate input, direction and common sense approach.

We must all stand firm in our defense of all people's civil and human rights. Somehow the quote by Edmund Burke seems appropriate.

"All that is necessary for the forces of evil to triumph is for enough good men to do nothing."

We stand together in unity.

Sinceramente,

Jose D. Villa
