

San Antonio Dec. 5th

Dear Sir.

I was much disappointed at not receiving the keg of powder you promised to send. If there is any in town please send it down by the first opportunity. Could not you get me some at the Mission if there is no other way? Please send me down my letters & papers by Mr. Darnall. Some of my papers may perhaps be still directed to Mr. Wynder, have the kindness to enquire or they will be sent to Fort Suma.

Yours truly

A. Neusch
