Mr. Ed Fletcher, Mgr., Cuyamaca Water Co., Office.

Dear Sir;-

Railroad Commission is in San Diego today, and I would like to call your attention particularly to the account of Rev. H.A. Marshall, whose water rentals are still unpaid, and which now amount to \$150.96. If you remember, Mr. Marshall sent in several communications to the Commission and at that time refused to pay his water rentals until the Commission had made a decision. So far I have not been able to find out what their decision was, if they have made any regarding this particular case. We have sent statements each month to Mr. Marshall, but we have had no answer from him. If this question has been settled, can we not, after a reasonable notice to him, or any other consumers who are in arrears of their water bills, compel them to pay by turning off their water?

Yours very truly,
Cuyamaca Water Co.,

By Secretary
