COLLEGE of EXTERNAL STUDIES

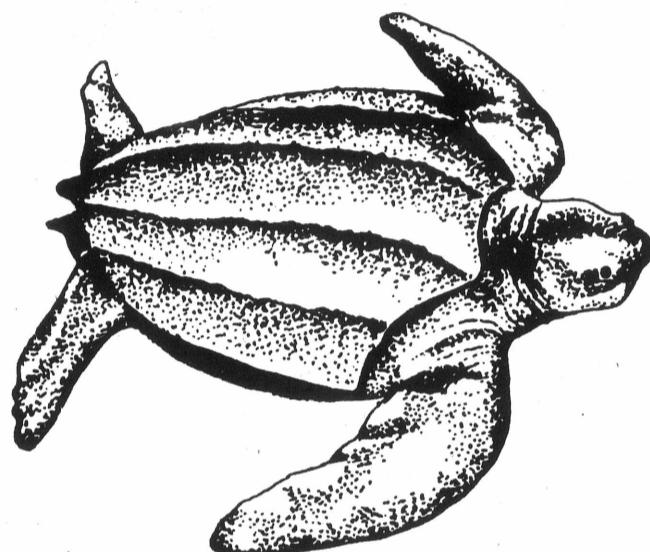

COLLEGE of EXTERNAL STUDIES

NUMBER 144

Last month in Environment we look at our first example of wildlife in PNG: "The Queen Alexandra's Birdwing Butterfly." This month we will look at "The Leatherback Turtle."

THE LEATHERBACK TURTLE

Papua New Guinea is one country where the Leatherback turtle, the world's largest is found. The Leatherback may grow to over two metres in length and has an average weight of 225kg.

The scientific name for the Leatherback turtle is:

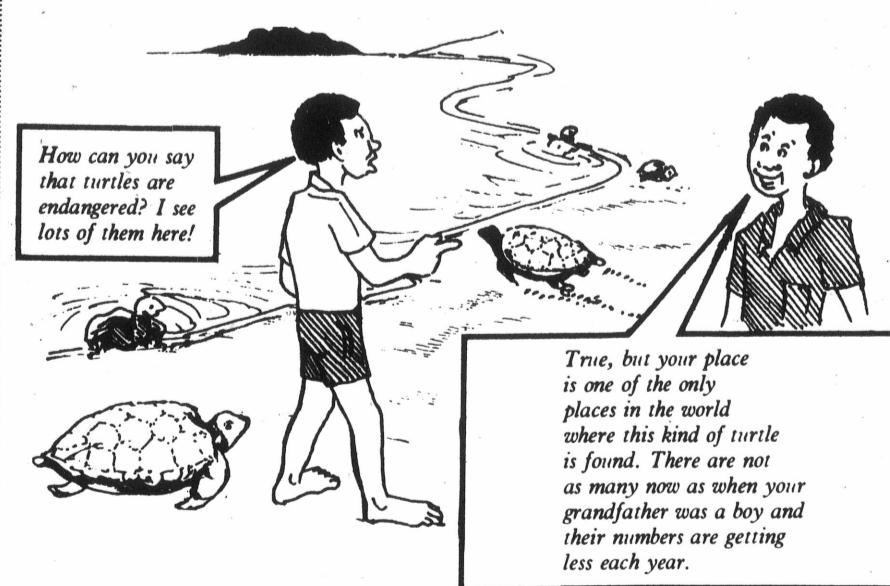

DERMOCHELYS CORIACEA. This turtle is very rare and nests mainly along the North coast and on some islands. Both the turtle and its egg are eaten by villagers, therefore numbers of this turtle are getting less.

SAVING THE LEATHERBACK

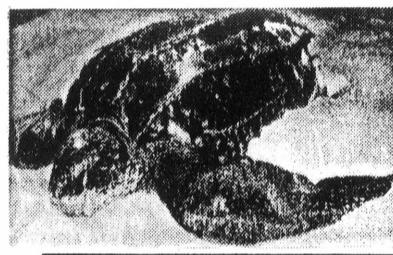

IN 1982 the Leatherback was declared a National Animal. It is now against the law to hunt it, except by traditional means and for traditional purposes. Here are some ways that we can help save marine turtles.

- DO NOT KILL THE FEMALE WHEN SHE COMES ASHORE TO LAY HER EGGS
- LEAVE TURTLE EGGS ALONE SO THE YOUNG ONES CAN HATCH UNDISTURBED.

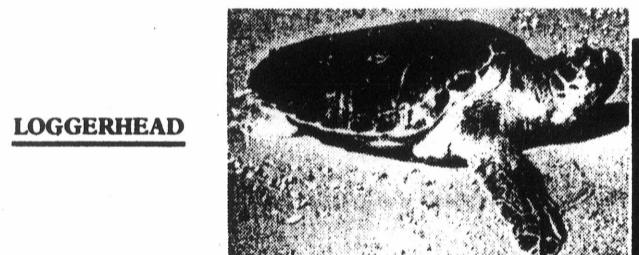

There are seven species of marine turtles and PNG has six of these. All except the Flatback turtle are ENDANGERED SPECIES.

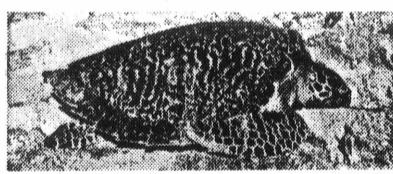

The names of PNG's saltwater turtles are:
**LEATHERBACK, LOGGERHEAD, HAWKSBILL,
PACIFIC RIDLEY, GREEN AND FLATBACK.**

LEATHERBACK

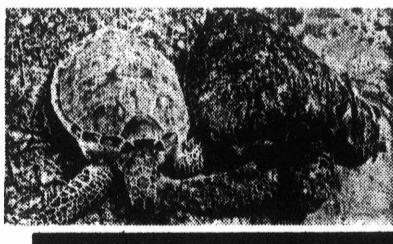

LOGGERHEAD

HAWKSBILL

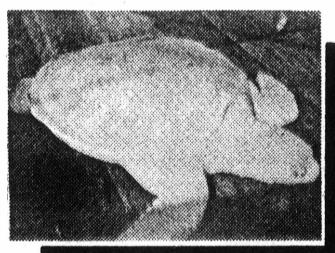

PACIFIC RIDLEY

GREEN

Turtles are becoming fewer in number because of over hunting. The old traditional way of hunting which were not very effective resulted in a small harvest of turtles. Modern methods using nets, harpoon guns and motorised canoes are more efficient and many more turtles are killed.

Season '85 — Issue Number 10 — 18th May

WAR PARTY COMES ALIVE

By ALFRED KANINIBA

KIS DCA stalwarts, Tara Gau and Arebo Taumaku must have been the winning factor last Tuesday night which helped them edge out Kone Tigers 18–14 in the first game.

Both teams displayed good attacking football but minutes into the game, DCA was awarded a penalty in the Kone Tigers territory which was converted by Ricky Vagi to take an early lead of two points.

However, in the 15th minute Kone Tigers' Tony Kila tread easily through a gap in the DCA defence to score under the post which was

converted by Kokove Tifati to grab to lead 6–2.

In the 22nd minute a roar of cheers echoed across the field from all sides as DCA veteran war party leader Tara Gau took to the field.

This did not alter Kone's attack, however, who scored an unconverted try.

Minutes before the break, Tara Gau barged his way through the Kone defence to set Greeny Mea in for a try under the posts to trail 10–8 at the break.

In the second half, both sides came out with fire. DCA scored

minutes into the half which was converted to take an early lead, however this was short-lived as a die hard Kone side retaliated with an equaliser to tie the scores at 14 all after fifteen minutes of play.

For the next 25 minutes, it was a desperate neck to neck struggle as both sides tried to wriggle through their opposition's defence to score.

However, it was minutes before the full time siren that DCA's Mike Arere broke the Kone defence after a good backline movement to put the match winning try to take out the game 18–14.

In the other game, Kool Magani leap frogged TST Easts 30–8 despite Easts courageous efforts.

Let's tackle the world

PAPUA New Guinea will be playing Australia, New Zealand, France and Great Britain in the revived Rugby League World Cup over the next three years.

President of the PNG Rugby Football League, Mr Ben Sabumei and Mr Bruce Flynn who is general manager of SP Holdings, the sponsors of the code, said it was a great commitment for PNG.

Sabumei and Flynn, who had represented PNG at the international board meeting, said teams from the five member nations will meet each other both at home and away over the next three years, with the three most successful teams qualifying for the final

phase in Australia in late 1988.

This would mean the PNG Rugby Football League meeting the challenge of financing overseas trips to other league nations during this period.

The World Cup was last competed for in 1977. The board also set the programme for a ten year cycle for international tours up to 1995.

Sabumei also said that an Under-19 World Cup would also be considered by the board to take place in Auckland, New Zealand in 1986 with teams from England, Wales, Australia, France, Papua New Guinea and the host country to take part.

POM executive happy with its spectators

PORT Moresby League Secretary, Jeff Wall said this week that the executive appreciated the tremendous support and excellent behaviour of all the spectators, and had granted its spectators free admission to the night A grade fixtures last Tuesday and Wednesday night in Port Moresby.

"I am sure the spectators really got their money's worth with both main games ending in a two point margin."

"The League is gearing up for a tremendous clash between competition leaders, Hobart Wests and Air Niugini on May 26th," he said. "and it's likely that this match will decide the leader at the half way stage of the premiership who wins the K2,000 prize being provided for the first time by the Port Moresby League."

Girl of the Week

That's a real Rosey smile

OUR GIRL of the week hails from Popondetta but she was born and bred in Lae.

Rose Eric, 22, is a shop assistant with the Galwood Cassette and Record shop at Hugo's building, in Port Moresby and of course it is obvious that one of her hobbies is watching rugby league. She also likes listening to music and likes going out to discos.

She says she supports the Brothers Rugby League Club in Port Moresby, which she says are really coming up strong.

LETTERS TO THE EDITOR

Congratulations High Flyers

CONGRATULATIONS to the high flyers in Goroka Rugby League who have come a long way to where they are now.

It's a shame these brilliant young players did not compete in the Easter Tournament in Goroka as I am sure they would have made it to the finals, with stars like Ifisoe Segeyaro,

Ellison Ketauwo and Efo Huhuva. However, 1985 will see the highflyers in the grand finals.

Special thanks to Ivan Rava their coach who has brought the boys this far.

RABAUL EXPOSE SECRETS

Kicking still absent

By Ku Veve — Rabaul

MANY TEAMS in the Rabaul League this year have not given any serious thoughts about kicking goals. They have worked hard on their defence through solid physical training and in their attacks through tactical moves and secret formulas or combinations but they have left out on training their goal kickers, a vital area that is lacking in the games.

Last Saturday, PTC East could have easily won their game against Crusaders had some of their kicks been successful and, on the other hand, Crusaders could have also won easily if their kicks were converted.

Bolten Pelly of PTC East and Harrison Patiliu of Crusaders must be blaming their boots for missing some of the vital kicks that could have given their teams the victory. Both teams instead ended up in a 14-all draw.

The game between PTC East and Crusaders was not exciting.

But it certainly proved one thing and that was the standard of game the two teams have produced so far. Crusaders need to work a little bit harder in their defence, particularly their tackling. Their fitness was also lacking and they still not 80 minute footballers.

Although their attacks seem to have shown signs of packing up, they still have a

long way to go to match the top teams in the competition.

PTC East have the determination and potential in the youngsters it has in its line-up. The side has matched the other senior and more experience sides in its defence and fitness but one thing that is still lacking is in its attacking moves. If it can find a good goal kicker and an experienced play-maker it will be solving half its problems already. The team is young and tough, can play 80 minute football but still needs proper organisation. It is improving a lot every week and given proper training, it should emerge one of the strongest and most promising sides in the competition this year.

Both teams must patch up quickly on their weaknesses if they want to stay in the running with the other senior teams in the league this year.

In the early game on the day Balanataman gave up in the last ten minutes to allow NGIP Muruks to thrash them 16-10 in a very close game that they could have won easily.

Balanataman drew first blood when strong Francis Magel carried several players over the try line for their first converted try. Muruks replied and they drew 6-all in the opening minutes. However Balanataman did not continue their strong defence and Muruks took the game away by playing consistently to gradually take the lead and win the game.

Rain maker says enough

By Myles Naluf

AIR NIUGINI maintained its lead in Mt Hagen by beating Ela Magani 10-nil last weekend.

They had two tries in the first half but could only convert one.

In the second half it was all given to defence however, what could have been an exciting game was spoiled by rain, making the ground muddy which saw a lot of confused ball handling. The rain maker obviously did not like defensive football.

Magani lost possession on many occasions and their repeated raids into the Air Niugini territory did not pay off. Their two would-be tries were disallowed by the referee.

In the second game between Wamp NGA Tigers and Tarangau was an exciting game. Tigers easily defeated Tarangau 16-8.

Their win was sounded out by good co-ordination from five-eighth Simon Moi

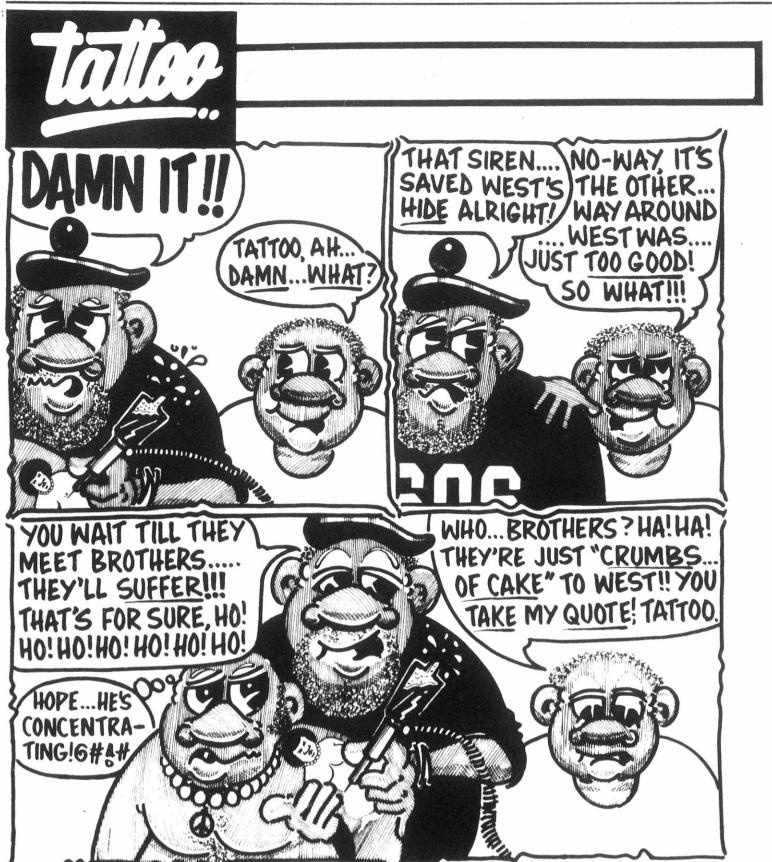

who scored two tries which were by converted by Anthony Timon.

The winning try came from a good pass from Joseph Baraka who set Nglalai to seal the game.

Tarangau put up a good fight but they could not put their forwards together leaving wide gaps for the cats to capitalise on.

Tries: Tigers Simon Moi 2, Nglalai 1, Anthony Timon 2 goals.

The main game between Royals and Brothers saw the Brothers defeat Royals 6-4 in a tough and rugged encounter in very sloppy conditions. Brothers' winning try came from Paddy Kongopa which he converted. Royals only managed one unconverted try.

Brothers — town's gossip

RECENT Sunday games played by Brothers in Rabaul have been the talk of town among football fans and league officials. Brothers have certainly raised a lot of eyebrows and made league fans actually "gossip" about them on the streets and during training nights. With a completely new approach to their games compared with the Brothers teams of the past years, the 1985 Brothers side this time is a totally clean and strong football team.

The past Brothers' teams can only be remembered for their "play the man" style of football instead of their "play the ball." Brothers this year seem to have put together a strong team of footballers and they have easily won the interest of a lot of football followers and fans. If Brothers can keep the same side and play the same type of fast, hard and clean football, they will certainly be a strong team to beat in this year's competition. Not only will they win games but they will also be providing a fine example for up and coming footballers for the future.

Brothers' ball handling has improved tremendously over the last four games and it is very interesting to see how they have cleverly and effectively made the ball do

most of the work for them through clean and swift ball handling and timely back ups. Their defence is also a contributing factor to their wins although they need to polish up a bit more on this if they want to continue winning by big margins.

Brothers whipped North Raiders on Sunday from the start and held on to the lead giving North Raiders little room to catch up until the final whistle. North Raiders looked like snatching the lead in the first half but then the Brothers applied strong pressure in the second half and completely shattered the Raiders' defence to score tries in the dying minutes of the second half to win 28-10.

For the Brethren it is worth mentioning players like Joe Panapen (half back) who easily masterminded the Brothers' attack, Amos Wareky for his clean footwork and timely back ups, John Enban who made a lot of ground through his clever footwork, Nana Auna who scored two easy tries in succession after backing up the forwards, and solid little "Maus Gras" Joe Gespe who won the cheers from the crowd because of his solid attacking runs that created a lot of scoring gaps for his team and his bone-crushing tackles.

Impressive Hivo's and United

By Goisi Agu — Alotau

CHEONG United and Masurina Hivoilele registered their first impressive wins in the Alotau 'A' grade rugby league competition last weekend.

In the early game on Sunday, Hivoilele turned an 8-point deficit into a fourteen point win over Kula Sharks. Kula Sharks posted the first points on the scoreboard in the 13th minute of the match through a try from Emmanuel Sarufa which Vali Vagi converted easily to give the Sharks a 6-nil lead. Sharks surged further three minutes later through a runaway try a few metres into Hivoilele territory but Vali Vagi who converted his own try.

The Hivoilele machinery then started firing and were rewarded ten minutes later through Sebona Ruben who crossed the tryline wide out to score. But both sides gave little leeway to the opposition for the rest of the half which ended with the score remaining at 12-4 in Kula Sharks' favour.

The second half was all Hivoilele as they thwarted all Kula Sharks' moves and held them scoreless while they scored four tries

through Jim Irona (2) and N Nadile and Inosi one each. Manoa Panta converted two of the tries and kicked a penalty goal to seal the game 26-12 in Hivoilele's favour. In the late game, Cheong United left Bay Tigers flat-footed as they scored two tries in each half to emerge 20-4 winners. The Tigers' only try came from Willie Kalit in the 26th minute of the first half.

United tries came from Yamina Tauboda and Ivan Dugutara in the first half and Robert Ilatu and Tony Manuai in the second half.

United's Yamina Tauboda converted two of the tries — his own and that of Robert Ilatu.

In the 'B' grade, United and Hivoilele also registered their first win of the competition. Hivoilele defeated Kula Sharks 14-6 and United held Bay Tigers scoreless to win 6-nil.

Royals smothered at full throttle

by Moses Tolingling

RESULTS of games played in Mt Hagen on Saturday between East Panthers and Tarangau in the reserve grade saw both end in a four all draw.

In the second game between Hawks and Royals in the 'A' grade Hawks whitewashed Royals 40-13.

Despite Hawks' last two losses they were able to come out to take Royals at full throttle.

Royals didn't seem to give their best and were not able to stand up to the Hawks' onslaught.

The main game on Saturday between East Panthers and Tarangau was

anybody's game from the start but East Panthers had the edge over the Tarangau and were able to take the game out by 32-26.

On Sunday Brothers defeated Magani 12-10 in a very close game and in the second 'B' grade game on Sunday Hawks drew with Royals 2 all.

In the main game on Sunday, Magani defeated Brothers by a ten point margin of 32-22 which has left Magani undefeated so far in the first round of competition in the Mendi league.

Souths Kicked Off Manus Premiers

By Paul Aia — Manus

THE REIGNING premiers, Zulu Raiders came under a crushing defeat by unknown team Souths, 26-nil, last weekend in Manus rugby league.

Souths in their first appearance in Manus Rugby League showed the city elites that a village team could do wonders. They defeated Defence in the first round of premier season and now have thrashed the reigning premiers.

In the other 'A' grade game, Defence came from behind to beat Brothers 16-14

despite Brothers' early lead of 12-8 at half time.

This Sunday's game between Souths and Brothers should be an interesting encounter as Brothers were the only team that beat Souths in round two of the Manus League.

Souths will have to rely on their backline if they wish to win. However, Brothers will not take them lightly, they will concentrate on their forwards. Brothers' backs are very weak but their forwards could do the damage.

In the main match Defence should outclass Zulu Raiders.

MADANG Tigers team work took the top of the ladder in the competition. Star player and coach, J J Jacobs' good cover defence plus a lot of backing up from team mates with 'the man with the ball' always ready to unload. Tigers grabbed the one point lead over fellow clubs.

Tarakum had the bigger man. Yet their mistake to take alternate turns to repack and rest gave enough time for fitter Tigers to lead the attack to a finishing victory.

But Tarakum had a bad day as they missed the services of captain Felix Yaman and his propaganda — 'get them men — the man with the ball!' Tarakum looked a better team last weekend but luck was not on their side.

Brothers stars were

pushed off the top of the ladder by energetic and enthusiastic younger Hawks like Homie Tinave and Alois Bilas. It was quite a surprise. Brothers, who were once a glamour team in Madang, must fight more consistently and with more discipline to bring forth their stimulating colours.

Last week, the third match, unfit Panthers were lucky to win. With two breakaway tries by Robert Diga against a strong finish by Souths forwards like Kanai Koi and Leo Malabika, this match was a great review of Madang's improving standards in league.

This weekend Madang has a good draw. According to the pro-

gressives points ladder, team one will be playing team two, team three against four and five will take on six. The ladder will be shaken and there are implications of a major reshuffle in the points ladder too.

In Saturday's game, the Hawks 'A' grade team are expected to make a leap from fourth position to second by beating Panthers.

Both sides have good forwards. Hawks have Homai Tinawi and Joe Joli while Panthers will be depending on Adu Timbing and Levi Philip. Their halfbacks are also equally matched. Hawks have Alois Bilas who is very aggressive and Panthers have Ronald Paita who is a pageant performer.

In Madang's style of open football, Tigers have hit the top. Tigers' star and captain J J Jacobs looking on (far right).

King Kouri Tastes

First Defeat

KOURI tasted their first defeat of the season when they were brought down to earth by a determined Niugulf side on Sunday, 6—4.

Despite the noticed stiff arm tactics employed by Kouri, Niugulf kept their cool and won the game using brains rather than trying to end it in a brawl.

Kouri despite reserve power of "Super" Nao Kouri and Ben Miria just could not get their powerhouse started.

By Joseph Kau
in Kerema

Niugulf forward pack led by rugged Mero Sagea, Miaru Lele and Ilaru Sevese effectively shut out the Kouri scoring machine.

Niugulf, Miro Sora, the best player on the field despite all the heavy punishment he received from Kouri, used his skills to an advantage and kicked all of Niugulf's points.

The first two points of the game came after Miro Sora was punched in the face by a Kouri player. Why the player was not sent off is still to be comprehended. Miro made no mistake with the penalty kick to lead Niugulf 2—0 at half time.

Kouri came into the game in the second half with great determination and fire and hit the front minutes into the half when front rower Eugene Epe dived over beside the uprights;

Elavo, however, failed to convert but Kouri led 4—2.

Miro Sora had a chance to put Niugulf up when he neatly retrieved a bomb he put up and raced away but as he was going over, the ball was cleverly hit out of his grasp.

Kouri started play with a tap kick but after a few minutes were penalised right in front of their goal area, which Miro converted to equalise the score at 4 all. However, the

winning point of the game was scored minutes after the full time siren. After Kouri was penalised for rough play in their own territory, Miro made no mistake with the kick.

Kouri had themselves to blame for the loss because they resorted to playing the man instead of playing the ball.

Their usually reliable powerhouse backline just could not put on its distributor cap.

This match also showed how a reliable kicker can win matches for a team. Miro for Niugulf was given three chances and he made them count. However, Kouri had eight attempts at the goal, all within easy distance but their kickers David Hilake and F Hurae just could not find the mark.

Best for Niugulf in the backs were Miro Sora and Weta Lele while in the front trio of Mero Sagea, Miaru Lele, and Ilaru Sevese stood out. Surprisingly, Eve-

sese was quiet throughout.

For Kouri Ruben Kourou and Thomas Harevela were the pick of the bunch who kept their cool and played the game well through.

In the main match of the weekend a rejuvenated West completely annihilated Brothers 22—nil.

West player coach H Semese must be one of the happiest men in town and he reckons he has finally got the side that should raise a few eyebrows.

With minor polishing up West should be able to give the top dog something to think about.

From the first whistle West got into business and hit the scoreboard two minutes later then Sarigi Kwan dived in the corner to score which S Galowa converted to put West in the lead 6—nil.

At the kick off, and after a barging run up the middle by H Semese, centre S Maola dived over for a try and

Panthers will try to win by getting Tony Seeto, presently a Kumul, to get the ball out to their very fast wingers, Robert Diga and Nicko Deliah.

Hawks will win the game with energy by smothering Panthers in midfield, in the second half by their lightweight but very fit and mobile forwards.

The first game on Sunday is going to be Tigers and Brothers. The winner will stay on top. The loser could drop to the third or the fourth place on the ladder.

Brothers have the stars in forwards Willie Kentipul and captain Stanley Pil. Halfback Garry Agui, presently Northern Zone scrum half will join forces with their special danger man, Gabriel Kuk, who is the leading scorer with 24 points in only three games, and other centre Willie Bagore, who is fast thinking and fast running. Brothers will be out to show their fans who the 'number one' team is after a very disappointing show last weekend.

Tigers are all stars. They are a very highly motivated outfit, very fit and play in disciplined formation in attack and defence as well. They all play around captain J J Jacobs who is a star himself.

At a personal level, I hope the Tigers' team work will enable them

S Galowa converted and kept West ahead.

West never looked back. Paul Akia scored a try which Farapo Kavoi failed to convert. S Galowa then wrapped the game for West when he received the ball from H Semese and charged to the try line unopposed to score, which he converted to seal the game for West.

The second half was evenly contested and no team was able to score any tries.

Best for West in the front were S Galowa and H Semese while in the backs Roy Julape stood out. For Brothers, skipper Robert stood out.

In other games played out the weekend, S Miro registered their first win of the season when they defeated K United and K Laho continued their winning run when they trounced Mala Mos.

Kouri 14, K Laho 14, Niugulf 12, Brothers 6, K United 6, West 4, S Miro 2, Mala Mos 2.

league Mettas

PORT Moresby competition leaders Hobart Wests and Air Niugini had the scare of their careers at the weekend when their opponents just fell short of causing the upsets of the weekend on Sunday. Coincidentally, the matches finished off on the same scores 28–26 with Hobart Wests and Air Niugini emerging victors. But the warning has been sounded. For now on the leader can expect that the pathway to the big time will not be all that easy.

THE MAIN game between Defence and Air Niugini may have taken a turn for the worst if Defence had won. However, I believe they had three replacements in the second half when it is required that two only can take the field in each half and not more than that number. League secretary Jeff Wall made the point on the P.A. just before Defence sent in up to three players in the second half.

IT WAS disappointing to see star Air Niugini player and skipper Lawrence Gandi get his marching order in Sunday's game for backchatting referee Ray Stewart, and refusing his orders to cool off in the sin bin. It's all very well to question the referee's decision, but it's another thing to be hot-headed about it. Gandi has proved his worth and selectors are not blind. It's such attitudes as his on Sunday which can stop his representative chances.

TALKING about old times, let's attempt to get the tacklers award thing back on the scene. It was in practice in 1978 but has since taken the back seat. Games are made much more interesting with good tight defence. Saturday's whitewash of Easts 66–8 by Tarangau spells out the need for such an incentive. So come on you sponsors out there, it's a worthy cause to support.

HEARD IN the grandstand. Spectator commenting on a nice piece of football on individual player, "He's full of clever!" Take care!

— JACK METTA.

Kiunga's "Catfish" Ready To Swallow Daru's Barramundi

By Ian Kakarere in Kiunga

THE KIUNGA selectors had a near impossible task to select the Kiunga representative side after Saturday's Possible Versus Probables game, as players from both sides played exciting and open football.

Possibles edged out Probables 22–18.

In the first half, Possibles flung the ball out wide with right wing Bamoro Olewale and outside centre Buge Iaba going over for two unconverted tries.

However, moments before halftime, Probables five eighth, Tom Penny sneaked through for a try, which he converted himself. The scores at halftime were Possibles 8 Probables 6.

The second half started off at a fast pace but an offside Probables player allowed Possibles second rower, Irie, to kick a thirty metre penalty goal to put Possibles ahead 10—Probables 6.

Minutes later Possibles threw the ball around and their left winger Sinanene Dalowa shot off for a try converted by Irie.

Probables forward stated to fire and started to feed their backline and after a backline movement Probables inside centre sent Steven "Rogers" Dimagi touched down for an unconverted try. Possibles 16 to Probables 10.

Moments later, a classic backline chain passing move-

Brothers stopped Soldiers advance in Lae

by Ras Fox in Lae

A LATE slice through by Brothers' classy fullback Andy Ralph allowed Brothers to edge Sullivan's Defence 18–12 in the main fixture last Sunday.

Ralph, born bred match-winner, who previously starred in the Brothers grand final win over Ela Magani in 1983, also with national championships gold medal under his belt, proved a matchwinner when he wrongfooted Defence fullback Berom Akis and sliced through for a try near the posts which was converted successfully by Harry Aope.

Defence without several stars namely, Chris Bari, Paul John and Andrew Gandin were still in full strength with services of skipper Aquila Tati, Watt Kiddie and Berom Akis.

Soldiers led at the interval 12–4 with two converted tries while Consort Brothers booted two penalty conversions but due to instability of Defence's defence pattern, allowed Brothers to reach over them.

The crowd witnessed the fine display of forward play by two

young Unitech students, Joe Brunoks for Defence, who really impressed Defence fans with timing runs and halting tackles, while for Brothers was last year's Northern Zone juniors captain, Goro "Herb" Arigai who played his heart out with steam rolling rampaging runs and was everywhere in defence.

Eventually his team maintained their winning run.

Best for Brothers were Andy Ralph, Kingston Koiwa, and Goro Arigai, while Joe Brunoks and Watt Kiddie kept Defence high.

The earlier match was called off when TDE Royals' spectators invaded the field when points lay Royals eight while MPS Panthers were six.

On Saturday Lae rugby league Kings survived 24–16 win over Tarangau while newly born Easts Spiders recorded their second win over high fanged Ela Magani 24–16.

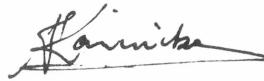

from the EDITOR'S desk

THE revival of the World Rugby League Cup in which PNG is one of the countries taking part, will surely see a lot more players and officials going all out to see that they produce the best from their zones.

With eight international tournaments to be played over the next three years league officials in all the provinces will also be on the lookout to screen players' performance.

The next two seasons will also be a crucial time for players to make their mark on the selectors, and will surely see a big rise in the standard of football in all the provinces.

But we must remember that if we are to send a Kumul side to compete in the international arena then let's try to make our Kumul side for the next three years the best that has every come out of Papua New Guinea.
