2 September 1988

Dear Committee Member (soon to be dropped from the list)

Enclosed is the passbook copy of the account at the bank with the notation of the depositor's amounts. Add to this two more persons: Diola Gonzalez, Houston and Juan Ramirez, San Francisco for a total of \$100 that is reflected in the statement.

Three people can sign on the account: Angel Noe Gonzalez, Gloria Garza and I. We will obtain an assumed name certificate and register our effort under "20th Activist Reunion."

At the end of this month, we will place the names of persons who have responded and sent their \$20 on the final stationary lay-out and go to print. These persons will be the sponsoring committee. The Janies and Panchos-come-lately will just have to wait and join us for the 25th Activist Reunion.

Bueno bye.....

Saludos,

Jose Angel Gutierrez

Dear *Harman*

Enclosed is a photocopy of the proposed stationery and draft of our first letter for the 20th Activist Reunion. You and I had discussed this project once before. Your willingness to serve as part of the organizing committee is now taking concrete form. Note your name in the list of committee members at the bottom.

I plan to print stationery and the letter on behalf of all of us before the summer is out. If you have any disagreement with the content, style, layout or whatever, let me hear from you at once.

Saludos,

Committee Members: Rudy Acuna, Eliseo y Esperanza Solis, Charon D'Aiello, Mario Compean, Irma Mirelez, Angel Noe Gonzalez, Jose O. Mata, Severita Lana, Juan Andrade, Francisco Rodriguez, Claudio Arenas, Herman Baca, Viviana Santiago Cavada, Hector y Nora Chavana, Nacho Garcia, Domingo Garcia, Maria Jimenez, Maria Elena Martinez, Gloria Morales, Mercedes Pena, Sheryl Solfer, Juan Ramirez, Armando Navarro, Janie y Antonio Stephens, Jesus Ramirez, Juan Patlan, Bill Richey, Domingo Reyes, Teresa Marmolejo, Gloria Garza, Celia Valle, Jose Angel Gutierrez.

Dear.....

Time marches on respecting no one, much less our expansive waistlines; thinning, graying, receding hairlines; sagging physiques; nor, our hard earned movimiento merit badges. My political button collection hangs on a zarape not on my lapel. My causa posters, except Amado's, are in the garage not framed or on my kid's wall. Copies of the Gringo Manual occasionally surface for an autograph when I travel.

Yet, when I do travel around the country, former camaradas are active as they have always been in one thing or another. Invariably, I am always asked about a reunion. Some folks, like Mario Compean and participants at the NACS conferences, have at time gathered a few activists.

So... over the past few months those printed below agreed to form an organizing committee to stage the 20th Anniversary Activist Reunion to celebrate :

1. The Walkouts/Blowouts of 1968 and 1969;
2. The founding of the Mexican American Youth Organization (MAYO) in March, 1968;
3. The founding of El Partido de la Raza Unida/La Raza Unida Party in January, 1970;
4. The takeover of Cristal/San Juan/ Cotulla in April, 1970.

The reunion is to be held primarily in San Antonio, Texas with side trips to Cotulla and Cristal during December 27, 28, 29 and 30, 1989. This date should give us ample time to plan a good program, alert interested participants and raise the necessary funds to pull this off.

The initial organizing effort is via this "chain letter." Please photocopy the enclosed form and this letter or send your own version of the letter to as many former camaradas as you can afford. Be sure you ask each person for a \$20 contribution to be mailed to the letterhead address made out to: "20th Activist Reunion."

Send me your form filled out with the names of people you sent letters to and your \$20.00 donation. You'll receive periodic reports from the committee as progress is made.

Saludos,

Jose Angel Gutierrez

Dear Activist (Former, Present or Otherwise):

The Reunion is around the corner! And, some one thought of you, that's why you got on this mailing list. In 8 weeks we'll be partying, dancing, eating and generally having a great time poking fun at each other for how we look, what we are doing for money, who we now are married to, comparing photos of grandkids, and guessing at ages, number of wrinkles, gray hairs, rolls of fat, inches around the middle, etc. etc.

Please look over the enclosed program schedule. Send in your registration fees immediately.

Please help out with selling of ads for the program book. This is the only fund raising we are doing. Notice that a one line "name only" costs \$5 each....surely you can help get some of those, if not the larger ads.

You are encouraged to copy these papers and distribute liberally.

Many folks have asked: "Did you invite so and so...?" We are not inviting anybody we do not have an address on. If you don't mail them a copy of this material or have not told them about it...then you and us have not included them. There is no staff working on this..just us volunteers.

Other folks have asked: "Why did you put Him/Her on the program? Why didn't you have a session on?" The answer is: First, there is no censorship or exclusion, all are welcome except those who do not agree with this policy. Those should stay home and be petty, bigoted and sectarian with others like them. Second, the sessions are open to any other addition. This schedule is open to anything...you have to organize it, fund it and call us for inclusion.

Mail out your own statement, letter, memo, leaflet, whatever! Just let us know you and how many others are coming.

Saludos,

Jose Angel Gutierrez

"THE TRIP BACK"

El 12 de octubre, 1992 will have a very special significance for Chicanos. We will celebrate 500 years that LA RAZA was born. As mestizos let's rediscover our Spanish/Moorish roots back to Spain and Africa. Let's get on a cruise ship, make some stops at some of our heritage islands and countries as we party all the way back to our roots. Imagine -- days and nights of puro party. Once we arrive in Spain and Africa we can get historical, artsy, cultural and stay for the Olympics in Barcelona.

So let's stop being an "endangered species!" Let's renew ourselves as we go on

...

THE TRIP BACK!
