Dear Dr. Szilard:

This is to inform you that your article entitled, "How May Amino Acids Read The Nucleotide Code?", which was submitted for publication by Joseph E. Mayer in the August issue of the Proceedings of the National Academy of Sciences journal will run approximately seven (7) pages in length.

If we can provide any further information we will be happy to hear from you again.

Sincerely yours,

JoAnn McDonald

Dear Mrs. Alexander:

I am writing to confirm our telephone conversation of today, in which I asked that my manuscript, "How may amino acids read the nucleotide code", be withdrawn. This manuscript was submitted by Dr. Joseph E. Mayer on June 10th.

I wish to express my regret if any inconvenience was caused by this change of plans, and to say that I greatly appreciate all the help you have given me in this matter.

Very sincerely yours,

Leo Szilard

Dear Mr. Szilard:

Mr. Bellman has called in his several manuscripts of THE FAILURE OF THE UNIVERSITIES, and I find they have all been returned with the exception of the one on which you gave us a report.

At your convenience may we have it, and we shall then send it on to Mr. Bellman. Please feel free to send it collect.

Sincerely yours,

Mrs. Elisabeth Hiller  
Editorial Assistant
