

Free Continuing Education and Career Showcase

Workshops Show How to Transition to Higher Demand Jobs

July 22, 2009

Henry DeVries

A free "Continuing Education and Career Showcase" will run from 4:30 to 7:30 pm September 2 at the University of California San Diego Price Center Ballroom East. Informative workshops to propel career and personal interests will be offered along with job tips from local professional associations.

Two workshops will be offered every 45 minutes. Workshops led by UC San Diego Extension faculty will include:

- Creative Careers in Casual and Mobile Game Industries
- Bridging the Gap: Translation and Interpretation (Spanish/English)
- Transferable Job Skills to Help Your Career
- Careers in Healthcare You Never Thought Of
- The Emerging Field of Healthcare IT
- A Career in Teaching English as a Foreign Language (TEFL)
