Gentlemen:-

You are ordering from us today a truck to haul
the Engine and accessories from San Diego to your Works on the
Diverting Dam System.

On account of the bad condition of the roads
which is almost unpassable to a truck without serious
injuries to same, we will accommodate you and will have to
charge you \$35.00 for the trip as per our telephone
conversation this morning.

Yours very truly,

BACK-COUNTRY TRANSPORTATION CO.
