California Company has been and
they do not seem to make any
effort to clear it up as the Old
saying is large Boddys move
slow and that is the case with
them and they do not think
that what money they owe is
all they have they having enough

not got any thing to do as yet and
things look doubtful, the weather
dries up so the traveling gets better
there will be more doing for all
classes,

if I get my money I shall not
stop here longer get out of the city
down where I can find sum

thing to do
