New York, New York

Dear Johnny:

I understand that you are looking for a job.  
Would you want me to write to <sup>Jerome</sup> General Frank? If so,  
write me a letter containing all the information that you  
want me to convey to him and that is suitable to indicate  
that you might be above the average. Do you think that  
there is any way in which he can try you out before hand --  
for instance by giving you some assignment just to see  
how you handle the problem?

Sorry I didn't get to see you when I was in New  
York.

Sincerely,

Leo Szilard

At the time the safe deposit facilities and checking account were opened with you by the Trustees, it had not been provided that they could act individually and the supplement was prepared for this reason.

Would you please confirm receipt of this supplement and the making of any adjustments necessary to permit each of the Trustees to have access to the safe deposit facilities and to make deposits and withdrawals without the necessity of the concurrence of the other Trustee.

Sincerely yours,
