Mrs. Ira C. Craft,
224-A North Isabel Street,
Glendale, California.

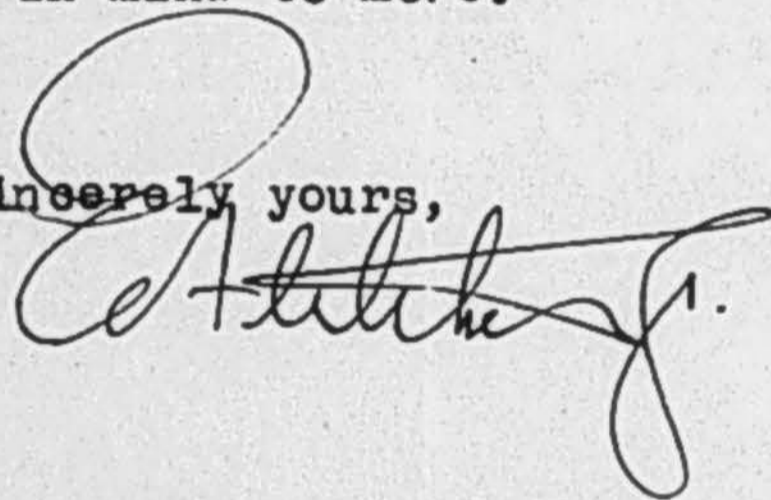

My dear Mrs. Craft:

I have received a letter from a party living in Glendale who desires to become manager of the court. This solicitation came out of a clear sky and I am wondering if you are contemplating leaving or whether the applicant was just taking a shot at the moon.

Would appreciate a reply as to whether or not you plan on staying or have in mind to move.

With best regards,

Sincerely yours,

EFJr/RC

Mr Fletcher: In replying to the above must say we have no idea of moving - Besides you would hear it from us first - I am satisfied if you are?

Mr. Ray H. Brown,
218 North Isabel Street,
Glendale, California.

My dear Mr. Brown:

We have conferred with Mrs. Craft and find that she is not intending to leave. We would not be interested in making a change unless you might make us a better proposition than we have at the present time.

If you will submit to me a letter showing on just what basis you would take the management of the court, what you would charge for same and what you would do, I will then take the matter up with the board of directors and make a decision.

Yours very truly,
