**SUBJECT:** CONSTRUCTION ALERT – Stein Clinical Research Building & IMG  
Emergency Power Replacement: Pedestrian Walkway One-Day Closure  
12.14.19

**Project Location/Description:**

In preparation for the Stein Clinical Research & IMG Emergency Power Replacement project, Pedestrian walkways in Stein Clinical Research and IMG buildings area will be closed on December 14, 2019 between 6:30am-4:00pm, to accommodate the set-up of the crane and removal of existing aging generators.

**Immediate Parking Lot, Street Traffic and Pedestrian Impacts:**

There will be no street impacts to vehicular or bicycle traffic or access to the Stein Clinical Research parking lot. Pedestrian walkways in Stein Clinical Research and IMG buildings area will be closed during construction hours and pedestrians will be detoured around the construction area. Please follow detour signage when traveling in School of Medicine area.
