## Why Join the Umbrella Group Staff/Faculty Association?

"I found out about the Umbrella Group during my first month at UCSD, over 8 years ago. I had just come from a 9-year stint in the U.S. Navy. I needed friends and I also needed people to help me get acclimated to my new environs... I got all of that and more through the Umbrella Group. Since then I have witnessed some really positive changes at UCSD that make me, as an openly gay man, feel like my efforts and participation are appreciated."

## **UCSD Equal Opportunity/Staff Affirmative Action – Informal Conciliation Process**

**NOTIFICATION:** The informal conciliation process starts with a UCSD staff member contacting the Equal Opportunity/Staff Affirmative Action (EO/SAA) office for a confidential meeting. The Director or designated staff member schedules an intake meeting within two working days.

**INTAKE:** At this meeting, the staff member is provided an opportunity to confidentially disclose issues and related documents. The options listed below and the UCSD nondiscrimination policy (following) are reviewed. "It is the policy of the University not to engage in discrimination against or harassment of any person employed or seeking employment with the University of California on the basis of race, color, national origin, religion, sex, physical or mental disability, medical condition (cancer-related or genetic characteristics), ancestry, marital status, age, sexual orientation, citizenship, or status as a covered veteran (special disabled veteran, Vietnam era veteran, or any other veteran who served on active duty during a war or in a campaign or expedition for which a campaign badge has been authorized). This policy applies to all employment practices, including recruitment, selection, promotion, transfer, merit increase, salary, training and development, demotion, and separation. This policy is intended to be consistent with the provisions of applicable State and Federal laws and University policies."

**OPTION 1- REFERRAL:** Issues may be more appropriately handled by Employee Relations, Labor Relations, Employee Rehabilitation, FSAP, Staffing, Classification and Compensation, Sexual Harassment Prevention & Policy, or other suitable university office.

**OPTION 2- ONE-ON-ONE CONCILIATION:** In this forum, the staff member meets with the accused confidentially to discuss concerns, issues, and plausible solutions.

**OPTION 3- HUMAN RESOURCES FACILITATION:** The staff member and the accused agree to have an EO/SAA representative facilitate discussion of the issue(s) and possible solutions.

**OPTION 4- DEPARTMENT CONCILIATION:** The staff member elects to have the Department Head conduct an investigation of the incident(s), and recommend a solution consistent with UC policies.

**OPTION 5- EO/SAA FACT-FINDING:** The staff member elects to have EO/SAA conduct a fact-finding review of the issue(s) and report findings to all affected parties for possible solution(s).

**OPTION 6- OUTSIDE AGENCIES:** If not satisfied with the proposed solution(s), the staff member may appeal the decision to the Equal Employment Opportunity Commission or California Department of Fair Employment and Housing.

**KEY ITEMS:**

- Incident(s) should have occurred within the last 3 to 6 months.
- Have a realistic resolution in mind.
- EO/SAA must remain impartial during this entire process.
- This is an informal conciliation process.

This is your opportunity to confidentially disclose your issues and, if you so elect, fill out a form chronologically delineating incident(s), naming possible witnesses, and noting proposed resolution(s).

## **FEDERAL AND STATE NON-DISCRIMINATION ENFORCEMENT AGENCIES**

The noted federal and state outside agencies are the Equal Employment Opportunity Commission (EEOC) and Department of Fair Employment and Housing (DFEH).

EEOC is located at 401 "B" Street, Suite 1550, San Diego, Ca 92101, Phone numbers: Voice (619) 557-7235, TDD (619) 557-7232, FAX (619) 557-7274, Voice 1-800-669-4000.

DFEH is located at 110 West "C" Street #1702, San Diego, Ca 92101-3901, Phone numbers: Voice (619) 645-2681, TDD (619) 227-2895, FAX (619) 645-2683.

The EEOC provides for a complaint to be filed within 300 days from the alleged act of discrimination. Whereas the DFEH provides for a complaint to be filed within a year period from when the alleged act of discrimination occurred.

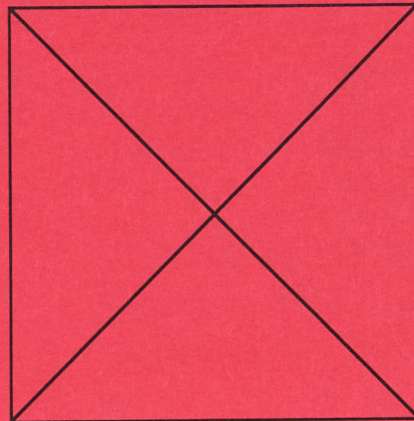

Keep in mind that the EEOC and DFEH have different statues of limitations in filing complaints. However, these agencies work closely by exchanging complaints that are filed. Even though they exchange filing information, the agency you filed with takes the lead in fact finding and final disposition.

These time lines are important to keep in mind when filing a complaint with either office.

# Queer People of Color (QPOC)

Fall, 1999

## Purpose and Goals

This is Q.P.O.C's first academic year at UCSD as an organization. Many times issues specific to queer people of color are over looked and at times it may feel as though one has to choose between multiple aspects of his/her identity. Q.P.O.C's purpose is to create a space in which individuality and multiple aspects of one's identity can be expressed in an open and safe environment. Within that space identities remain fluid as growth and learning develop. Within this space, expression of ideas and life experiences can be shared with one another. Beyond that, our experiences as queer people of color can be shared with others to create awareness about issues.

*Working to create unity, visibility, solidarity, community, and awareness.*

## Upcoming Events

Some upcoming events for Fall Quarter 99 include National Coming Out Day, Fall Festival on the Green, as well as weekly meetings. We will be attending a series of conferences such as Models of Pride VII and UCLA's queer Latina/o organization La Familia's conference in November. ## Community Outreach

Q.P.O.C's services are not limited to UCSD students. Community outreach is an important goal in creating networks among diverse communities and groups. THE STUDENT AFFIRMATIVE ACTION COMMITTEE  
(SAAC)

GUIDELINES

STATEMENT OF PURPOSE

Formally united in 1975, the Student Affirmative Action Committee (SAAC) of the University of California at San Diego is comprised of seven organizations. As a committee, we are an autonomous student advisory body to the Vice Chancellor of Student Affairs, the Chancellor and other on campus offices, on issues of recruitment, retention, and academic achievement of underrepresented students. As a coalition we are committed to upholding the principles of educational equity and opposing institutionalized oppression. The SAAC is dedicated to fighting ignorance, addressing the issues confronting underrepresented students and promoting cross-cultural awareness and communication by strengthening the bonds between students and organizations. We also work to protect those groups who have historically and continually are effected by prejudice, discrimination and marginalization. We establish that fulfilling the mission of the University of California will only be achieved through greater access and diversity, collective empowerment and self determination of all disenfranchised communities. We the SAAC pledge ourselves to this vision.

I. MEMBERSHIP

a.) Groups eligible for membership in SAAC represent historically underrepresented groups identified for admissions and retention purposes. UCSD designates the following groups as underrepresented classes for admissions and retention:

Asian and Pacific Islander Student Alliance (APSA);  
Disabled Student Union (DSU);

## LGBT CAMPUS ARCHIVE & HISTORY PROJECT

*Help Preserve the Histories / Herstories / Queerstories  
Of Lesbian, Gay, Bisexual, Transgender and Queer  
Students, Faculty, Staff, Alumni, and Community  
At the University of California, San Diego*

Over the last year, I have the incredible opportunity of developing a bound archive of lesbian, gay, bisexual, transgender, drag and queer related materials from the beginning of UCSD to the present. Materials on student, faculty, staff, alumni/alumnae and community interests have been sought. Already more than 2,500 pages of materials, including over 400 articles, have been chronologically organized and incorporated. The bound archive will be donated to the LGBT Resource Office in Spring 2000, and will be accessible to members of the campus community.

As impressive as the current collection may seem, materials on all issues and time periods are still very much needed. Whatever materials you have relating to LGBT/Queer life and experiences at UCSD, programs, organizations, events, academics, activism, etc., that you could donate permanently (or lend temporarily to be copied and returned) would make a difference. Materials sought include but are not limited to posters, flyers, event programs, brochures, letters, memoranda, articles, newsletters, handouts, speeches, syllabi, book lists, curriculum vitae, photographs, proposals, reports, petitions, papers, abstracts, memorabilia, writings and printed materials of all kinds.

Please contact me (Scott Heath sheath@ucsd.edu) to arrange pick up of any materials, or mail materials directly to:

## UCSD LESBIAN GAY BISEXUAL TRANSGENDER OFFICE OPENS NOV. 8

The Lesbian Gay Bisexual Transgender Resource Office of the University of California, San Diego will open with a dedication ceremony on Monday, November 8, beginning at 3 p.m. at the LGBT Resource Office Lawn outside Building 201 in the University Center near the heart of campus.

UCSD Chancellor Robert C. Dynes will speak at the dedication ceremony. The office fulfills a pledge made in the eighth point of the Chancellor's 10-Point Diversity Plan for "space for UCSD's lesbian, gay, bisexual and transgender communities."

Other speakers will include Pat Walsh, director of the LGBT Resource Center at UC Irvine; Harry Hirsch, chair and professor of Political Science and chair of the UCSD Steering Committee for the LGBT Resource Office; and Jim Ziegler, chair of the Board of Directors of the San Diego Lesbian and Gay Men's Community Center of San Diego.

An LGBT Poetry Slam will follow the dedication ceremony at 7 p.m. in Gallery A/B on the 2<sup>nd</sup> floor of the Price Center with readings by poet Stacy Ann Chin and others.

"This is an important event, not just for the lesbian, gay, bisexual and transgender members of the UCSD campus community, but for the entire university," said Hirsch. "The opening of this office means that every UC campus will have a staffed space for LGBT concerns. It also means that UCSD students, faculty and staff will, for the first time, have a physical focal point for exploring sexual orientation and gender issues."
