

Solitude Meditation

for:

any solo instrument

gary mckenzie

solitude meditation

instruction:

the piece can be realized with any solo wind instrument -  
or with any non-bowed string instrument.

folk instruments are desirable.

the following note symbols indicate :

 = A = for any solo wind instrument =  
1 = hold throughout one full breath  
or  
2 = hold indefinitely - with free-quick - breaths  
  
B = for any non-bowed string instrument =  
1 = attack single string - pitch - and vibrate to extinction -  
or  
2 = tremolo on single string - pitch - for an indefinite  
duration -  
  
O = free duration -

with the duration having been established from the initial realization  
of the note-value, each successive realization of the note-value  
should be consistent throughout -  
- slight variants can be realized -

the notation is written in register -

the musician is to choose the lowest pitch - which should be from C (C#)  
-- F (F#) - within a range of 2 octaves ---

- the lowest pitch should be realized at the lower or middle register  
of the instrument that is used for realization -  
with the range extending 2 octaves from the chosen lowest pitch -

the scale used should be pentatonic -  
with each successive pitch determined from the chosen lowest pitch -  
or from each preceding pitch -

solitude meditation

instruction continued:

- the horizontal line indicates the level of the chosen lowest pitch -  
with the final pitch being 2 octaves higher than the chosen lowest  
- first-pitch.

▭ = free pause - long value

◡ = free pause - short value

↔ x  $\begin{matrix} 3 \\ 6 \\ 9 \end{matrix}$  ( ↔ ad libitum) = the section is to be realized 3, 6, or 9  
times-  
with optional ad libitum of the total realization of the section -  
ie. if a section is realized 3 times, then the musician can - at option -  
continue to realize that section in 3's , for as long as desired.

all intensities are free -

- soft intensities are desired -

the piece can be realized in any environment -  
under any circumstance -  
under any condition -

the piece can be realized indoors -  
or outdoors -  
with or without a specific audience -  
in concert format -  
or

in circle format - with musician in the center of the circle -  
and the audience placed equidistantly from the center -

the piece can be accompanied with light projections -
