because he is our
great leader
hangs up
the wall

some people have
more speaking
knowledge than

We switched it
around ^{the ogalalas} ^{to speak}
and Leonard speaks
without his power
on for the
benefit of his
people

I publish this

James committed
to Leonard only
and his farm

Mary has it
all her life
and dies from
it comfortable

I am always in a
little trouble at
Marys house
because I talk too
much

Just be silent stupid
and dont spend any
more Mothers
money

I AM listed
and quickly
tapped by
wire

that's why I don't
spend any money
on vacations

Her husband that's clear
and don't spend any
money on anything
Dogs either
she spends it on

Clothes

that's ended
special name
she doesn't want
signals
old fur coat either
unless she freezes
herself to death
Barbara would
hide her at once
on her own farm
up south
where she fights
and forgets the land

this story is ended
bads ending
since august
Leonard is learned
and shows it
even to the whites
when he cheats just
a

WARM

little

Keep your head
warm saturday

Lesson
this lessens the
interference
if Barbara contacts
you send her
some money
shes cold
and no family
thats why Mary cries
over her last
sister
she needs a good
coat and is thin

believe in yourself
and quits
writing
you are older
than they are
she must
disguise herself
as an author
and write novels
Hannah if you
really believed
in herself you'd
write every night

and quit those
bowing movies
telephone rings
and Gloria sings
that's means
you must be
sure of it
big telephone bill
she can't pay the ^{rent}
until august

APR 24 Mary writes a
poem
writes a letter
Mary has a writer
voice, line please

See what the problem
is

I'd as tair
didn't come first
what's tair is first
& this is my first
poem to blue

Many upstairs
is blue wald
the people
across the hall
this is instructions

please
let's many speak
wait til you
hear the

Barry's home
next door
This building has
power in it

and don't push
people around with
that's why
Mary is safe
until May
So it hurts today
I write Mary's
poem in silence
Boy is she hot
and Christina
plays the drums
that Leonard stops

many speaks of
her knowledge
to us

She knew it was a
bad

long before she
conceded it

That makes Bernadette

Sister

she wrote it in
July 31 daughter

I think its that
date check the
book

they would love
it if they knew
each other stupid
Thats how Lewis
works

with books
and some
knowledge of it
yet

So I praise Sister

The fight is in
Liaty Falls
Handle that
do stop writing
many page of
is concluded here
checks memory
The book

Mary doesn't
think Bernadette
is even

Speak
that's a sentence
finished
that's enough
for her

5 children please
that's all
Pedro speaks

his six
I am still a
little boy when
I saw dede
and I'm dead
before my mother
that's a prayer
for long life giving
The Indians did
very frequently
like a Yurok

stupid
Stop writing
Bernadette has
challenged us
once again

I create daughters
I shake to it first
Read Memory
Stop speaking
Mary has one
fault to show
she gives in her
silence
and she comes
twice
once in bed and
once in the sky
Stop writing it

type it up as he found
~~was~~

Mary speaks
and I've written
it in

it's perfect
sentence makes
no difference
who says it now

as long as it is
spoken to

Thus Mary speaks

and finished page
I'd wish this as a
letter to Bernadette
who published me
first despite
our quarrels
when my father
died

who has the
Crawdops
money Bernadette
says now

he needs 10,000
to save his
land and leave
it again

James takes over
it. Won the prize
yet it's straight.

The baby inherits it
pleased by
change sentences

Mary Mary

in his silence

since she became
a guru too
trate for love of it
My babies died

own land

She makes it
and leads it

Just write about
the baby next
praying hard
all day stayed
she keeps her
