My dear Dr. Dickie:

On my own account and on behalf of the Civic League of  
La Jolla, I wish to thank you and the State Board of Health  
for your assistance in clearing up our water situation here.

Mr. Ross seems to possess the rare quality of being able to  
so handle a difficult situation as to gain the confidence of  
both sides. We certainly trust him and yesterday Col. Ed  
Fletcher spoke of him to me very highly as the ablest  
sanitation man in California.

If we ever have trouble again we know whom to ask for.

Again thanking you for your assistance, I am,

Yours very sincerely,

W. L. Peet

My dear Dr. Dickie:

Enclosed find copy of telegram which is explanatory.

Your letter of December 23d referred to issuing permit to the San Dieguito Mutual Water Company. As a matter of fact, it is a contract between Henshaw & Fletcher, with the city of San Diego, and Wm. G. Henshaw and Ed Fletcher are buying the water from the Santa Fe Land Improvement Company.

If you will kindly issue the permit to Wm. G. Henshaw and Ed Fletcher, this will be appreciated.

Yours sincerely,
