## NTN SPECIAL PROGRAMME PREVIEW

### Special Holiday Movie The Incredible Rocky Mountain Race

Young Mark Twain and a bitter rival start a madcap grudge race from Missouri to California.

The setting is St Joseph, Missouri, the year 1861. The townspeople, fed up with the shenanigans of two men whose feud is disturbing the peace, devise a shrewd scheme to rid themselves of the trouble makers. The Incredible Rocky Mountain Race is proposed.

The people of St Joseph hope the race will keep the destructive duo out of their town.

To win it, one of the two contestants has to be first to reach the Pacific Ocean. That's the easy part. The tough part requires that when he gets there he has with him five hard to come by items, including an eagle's feather, one of Crazy Horse's moccasins and a mailbag from the Pony Express.

The race is on and so is the fun, but there are many obstacles to overcome. Skulduggery helps, and attempts by the pair to lay hands on the five necessary items produce one hilarious incident after another as they try to outdo each other by reaching into their considerable bags of tricks.

## National zone trials

# Southern zone favoured for title

A powerful Southern zone side is being taken over to Lae to take on an equally tough Highlands zone team.

The Southerners have placed much importance in their match against the Highlanders in the main game on Monday at the Lae rugby league oval.

Southern officials, concerned with their close encounter against Islands zone two weeks ago have dropped Paga Panthers tough fullback Pius Abeng and have slotted in his team mates Robert Jakis and Bernard Waketsi and added Tarangau duo prop Daroa Ben Moide and centre Mafu Kerekere to bolster their forwards and backline strength.

The rejuvenated Highlanders are riding high on the crest of the wave after demolishing a lowly rated Northern zone side 48-0 two weeks ago in Mt Hagen.

Barring injuries to key players in the side, Highlands zone are expected to put everything against their arch rival and zone champions for the past three seasons.

Highlands coach big Joe Mugabuga is confident he has found the winning combination in his youthful side this year and is aiming for nothing but a win in this Kumul selection trial that will select the PNG squad to play against New Zealand and a New South Wales country rep side next month.

Mugabuga will be relying on a seasoned players such as Kumul centre and skipper Bal Numapo, tough forward Mathias Kombra, Bobby Ako, Ken Kemutafe, Pora Wek, Ati Lomutopa and Gore Kaupa to lead the side against a well knitted Southern side.

Former Port Moresby Brothers rugby union fullback Asu Anis has been slotted into the fullback role after some brilliant displays for Rongo Tigers of Goroka early this season and last year.

On the other hand Southern had to fight an uphill battle to beat a determined Island zone

ago before taking out the match 22-12. Island led the match 8-6 in the first half.

On paper, the Southerners have a very balanced side. Speedsters Kepi Saia, Kerekere, Matthias Kitimon, Clement Mou, Dairi Kovae, Arnold Krewanty and Tony Kila hold the keys to a very fast backline.

All these players have had international playing experience. Their pace out wide will most probably give the Southerners an edge over the uncompromising Highlanders.

Former Highlands star Joe Tep, Iosefa Falaniko, Daroa Ben Moide, Jaki, Laka Matapare, Waketsi and Michael Matmilo add a lot of beef and weight in the forward pack that should match their opponents.

A tough duel is expected to be fought between the hookers, Kemutafe and Southern skipper Roy Heni.

Both players are non-stop hard workers with heaps of representative experience behind them and a lot of responsibility has been placed upon their shoulders to give their side ball possession from the scrums all the time for a win.

Waketsi, Tep, Heni, Arebo Taumaku, Kerekere, Kitimon, Kila, Saia, Jakis and Kovae hold more than 15 international Test matches between them and coach Steve Malum will expect them to lead the side against the solid Highlanders.

Numapo, with the sweet taste of success behind him as captain of the Highlands zone side for the first time, should get much needed support from his ever reliable Kumul team mates of Ako, Lomutopa, Andy, Wek and Kemutafe.

A tough encounter is expected from both sides, but Southern zone which has held the zone champion tag for four seasons will be more determined to fight out a win and hope to hold the title they cherish so much against the improving Highlanders.

# Paga walks over Hawks — 64-20

PAGA forced Hawks further into the doldrums when they hammered Hawks 64-20 in the main game on Saturday.

Paga skipper, Bernard Waketsi, deserved the man of the match award in last Saturday's match against Hawks at the Lloyd Robson Oval.

He inspired his team throughout the match and capped off the day with four brilliant tries.

Waketsi's side played flawless foot-

ball, making Hawks look like a bunch of juniors. Hawks deserved the thrashing they got because they refused to tackle, back the man with the ball and hang on to the ball firmly when they were in possession.

Hawks started off well by scoring first, but then gave in easily when Paga started applying pressure towards the end of the first half.

The second half was all Paga's as they dictated the game to the final whistle.

Apart from Waketsi fullback Pius Abeng played a good game keeping out the Hawks attack from the try line.

Paga's only disappointment of the day was the side lining of Kumul prop Robert Jakis due to a recurring knee injury. Jakis had been off the field for the past weeks for the same injury.

He only lasted about 20 minutes on the field before he was taken off raising doubts about his fitness for the coming zone trials in Lae this weekend.

But he said after the match that he should be in shape for the championship.

Last Saturday's win adds on the string of victories the Blue Boys have been enjoying for the past three matches. The previous weekend they caused a major upset by toppling competition leader, Toyota Defence, in a gruelling encounter.

Next week they take on Steve Malum's Kone Tigers what should be thrilling clash. Kone will be out to make up for an upset

loss to Tarangau in their last game, while Paga will be out to

prove that their past two wins were no flukes. In the first game, Brothers clobbered Easts 52-29.

## Air Niugini gets a trouncing from West

THE return of Southern zone representatives Gideon Kouoru, Roy Heni and Clement Mou helped West to score a stunning 34-22 win over Air Niugini on Sunday.

West suffered a loss to rivals DCA a week earlier because of the absence of the trio. They were in Rabaul for the zone match between Islands zone and Southern zone.

Apart from the trio, West also missed the services of Gideons's younger brother Haoda who was down with malaria.

The return of these four aces gave West the inspiration that helped them to dose Air Niugini with the same medication the high flyers tasted in the 1985 grand finals.

Kouoru brothers especially are badly needed by the crocodiles in every match and chaos is always expected without their presence.

These excuses could only be proved if the crocodiles maintain their winning run for the whole of second round.

West's presence in the match against Air Niugini was felt from the kick off where they applied pressure on their opponents to keep the play in the airliners territory for the first 20 minutes.

The crocodiles' eagerness and determination to win took its toll when five eighth Alu Poka initiated a move which enabled ace winger Francis Morola to score the first of his three tries. Poka's boots found the opposite goal mouth to give his side an early 6-0 lead.

West's lead was stopped when the airliners centre Mala Soi broke loose from his opposites and then off loaded to partner Kepi Saea who touched down. Flanker Wata Sauna converted the try for Air Niugini.

The crucial stages of the first half saw West take complete control of the lead when Gideon rang rings around Air Niugini defenders to clear Mou. Mou later offloaded to pacey winger Don Tore to touch down. Poka converted the try.

West scored again in the the last minute of the first stanza through a move instigated by Morola. He got the ball from the dummy and brushed of three Air Niugini would be tacklers, then off loaded to Mou who made a 60 metre dash to score. Poka had no problems in converting the try and West took a comfortable 18-6 lead at the break.

The second half looked like a successful comeback by the high flyers when scrum half Moale Nou scored an individual try. He put up a bomb five metres away from the West uprights and followed it through to touch down. It was surprising to see his taller opponents standing idle and watching him catch the ball in the air, to score.

Moale's try raised the hopes of the Air Niugini supporters that was shortly shattered by Morola who played havoc for West in the opposite territory.

Morola took a penalty tap two metres away from the airliners tryline and barged his way through the opposite defenders to score. This try made the high flyers lose concentration of their team drills and resorted to individual performances.

West capitalised on the errors of their opponents and again saw Morola make a 75 metres dash after collecting a well timed pass from fullback Joe Mirisa, to touch down.

Saea was one of the players who worked overtime for his side and his efforts were rewarded with a try when he brushed off his opposite Mou and sprinted off to score.

# Kumul reps to make their mark in respective zones

HIGHLANDS and Islands zones should contest an evenly fought battle in their first encounter for this year at the Lae rugby league oval on Saturday.

Both sides are fairly well balanced in the forwards and backline, but a lot will depend on the Kumul stars from each zone.

There will be international players galore when High-

lands stars Bal Numapo, Noah Andy, Bobby Ako, Ken Kemutafe, Ati Lomutopa and Ifiso Segeyaro take on Islands Lauta Atoi, Darius Haili, Jimmy Peter and zone rep regulars Joe Gispe and David Gaius.

Much of the game will be centred around the backs where both sides contain some very fast and mobile players.

It will be a game worth

watching as Numapo takes on his three Kumul team mates, Haili, Peter and Atoi. The foursome formed the core of the victorious Kumul side last year that beat New Zealand 24-22 in that memorable match at the Lloyd Robson oval in Port Moresby.

A tough battle for supremacy should be fought out in the forwards as they both have seasoned and expe-

rienced players in the likes of Mendi forward Matthias Kombra, Andy, Ako, Kemutafe and Lomutopa against Gaius, Gispe, Mack Teine and Bob Tore.

In the Norths and Souths match, the Southern boys are expected to meet a no contest if the Mt Hagen match is any indication.

Northern zone have yet to hit their straps, but the pacey Southerners will use this

match as a guide for their form against the powerful Highlands team two days later.

Only players like Simon Elap, Joe Katsir, Tony Seeto, Felix Hurae, Peter Metta, Ngala Lapan and speedy winger Ted Taru should be of any danger to the well knitted Southern squad under the guidance of Kone Tigers coach, Steve Malum.

## Northern boys no match for Islanders

A very impressive Islands zone side should bring back a lot of credibility to the region when they take on a lack lustre Northern zone squad at the Lae rugby league oval in the early game on Monday.

After years of playing second fiddle to the other three zones, the Islanders, with a new look side, are hoping to make amends in these trial matches after years of continuous loses.

Former Kumul coach Skerry Palanga has moulded a side sprinkled with youth and experience to take on the Northerners who have slumbered miserably to a low ebb in the past two seasons.

Long serving tough Islands prop, David Gaius who was unlucky to miss out from the Kumul squad to play against the Kangaroos

last year is back in top form with his forward partner Joe Gispe.

Gaius and Gispe will be supported by Mack Teine, Joe Baki, Bob Tore and solid Herman Patiax in the forwards while former Brisbane Redcliffe star, Lauta Atoi will be leading a fleet-footed young backline.

The Islanders, after giving the highly fancied Southern side a run for their money in Rabaul are expected to have a training run against Northern zone, despite the latter playing in their own backyard.

Gispe, Gaius, Tore, Teine and Patiax are a solid combination and their hard running up the middle should open the gap for their speedy backline to hit top gear.

With tough little halfback Jack Sapai calling the shots from the ruck, Kiwi destroyer and Kumul star Darius Haili should enjoy feeding Atoi

and his centre partner Jimmy Peter thorough holes in the Northern defences.

Despite wholesome sackings after their pathetic performance against a strong Highlands side in Mt Hagen, Northern selectors have not yet found a competitive winning combination.

Coach Ken Brown, a former Wynnum-Manly graded player in the Brisbane competition, has virtually got to start from scratch again with the raw material just given to him after the Hagen debacle.

Apart from Lae Tigers Simon Elap and Consort Brothers international winger Joe Katsir, the other newcomers are unknown to representative football. And that may spell an end to Northern zone hopes of being a force again in the national competition.

Southern zone's lock forward Gideon Kouoru is a very courageous footballer who runs into the opposite defenders at any cost. On one of his rampaging runs against Islands zone, Kouoru drew two defenders on him but his hands were free to get the ball away.

## DCA could not outwit the soldiers

A gallant try by DCA's Moi Ganiga and a conversion from Dairi Kovae saw

DCA take the lead 18-16 but only to see Defence level the

scores 18 all at full time after Ganiga had fumbled the ball.

**By Joseph Kau**  
Staff writer of Rugby League News

Alex Togola receiving the boots which he used to boot his team Defence to an 18 — all draw with DCA. Handing him his boots is Adrian Collins, general manager for the club's sponsors, Ela Motors.

That was the last game at the Lloyd Robson oval on Sunday.

A scrum win and then a penalty to Defence saw Defence hooker Alex Togola slot the breathtaking two pointer for the draw. DCA had fought back from a 12-4 deficit at the break only to go down by "this stroke of bad luck".

DCA scored first when fullback David Harry joined a backline movement to dive over beside the uprights, but Kovae missed the relatively easy conversion, triggering the Defence fight back.

Defence was a different pack to the one that went down dismally to Paga the other weekend and after the initial setback from the Harry try powered back to lead at halftime.

Forwards John Nelson and Joe Tep with the "Pope" John Paul made telling runs up the middle leaving the

his charges back into the game and topped off his performance with a barging try mid-way into the second half.

In the earlier game a powerhouse Tarangau side humbled competition leaders Kone Tigers, 27-16. Kone fielding a half reserve grade side played second fiddle throughout. Former junior Walter Taule at the halfback position for Tarangau played a blinder setting up play and going it alone at times.

The Tigers trailed Tarangau 23-0 at the break and were outplayed in the first half. Michael Matmilo, Jeffry Haoda and Gaius Kula just did not seem to co-ordinate their moves and the Tarangau forwards had them back peddling the entire first half.

In the second half with the inclusion of Kile Ario and Andy Taiya, Tigers made some headway only to be beaten by the time.

## City competition leaders get a beating

THE National Capital Rugby League competition leader Bomana suffered their first loss of the season when they were narrowly beaten 20-16 by Waigani in the main game of the NCRFL on Sunday at the Kone-Tigers oval.

Waigani who took sweet revenge over their 20-0 dumping by the same side in the pre-season outplayed the dominated police team to run out winners in a game seen by many as a fastest, toughest and most

entertaining match ever played this session.

The loss by Bomana now makes the competition ladder wide open to the teams for the top spot. After last weekend's matches Hohola now shares the first spot with Bomana on eight points after their convincing win over Morata 36-22 while Saraga and Waigani are on second place with six points. Saraga defeated Korobosea 30-18 in the other encounter. Down the rear Korobosea and Boroko are on three points and Morata on two.

The matches are 10am Boroko vs Waigani, 11.30am Bomana vs Morata and 1pm Hohola vs Korobosea.

Meanwhile there will be no round of matches during the Queen's birthday weekend due to the POM city junior rugby league carnival which started on Monday, June 1. The finals will be on Sunday June 7. However, prior to the finals (junior finals) on Sunday, the A grade matches which were postponed from May 9 and 10 will be played at the Lloyd Robson oval as curtain raiser on June 7.

## TWISTIES

Brothers maintain their lead in Madang rugby league by thrashing Royals 34-22 at the Ron Alberts ground last Sunday.

Brothers dominated the match and never looked back right from the start.

They registered the first points when winger Seai Kavara went in for a corner try which

Ivan Smarthy failed to convert.

After a few minutes of pressure football from both sides, Royals' efforts paid off with a try from Peter Reme after some hard work by their forwards. Conversion by Auta Ginonagi was not successful.

lead by former Kumul Gabriel Kuk. Brothers won most of the scrums in the game and their efforts were compensated, when their side stepping halfback Done Rore zigzagged his way through to score. Smarthy's boots did not find their target.

Brothers fired again when their big centre, after receiving a pass

from Smarthy, dashed in to score, his second try of the match. There was no opposition because Brothers' Camillus Agogo picked up a timely pass ran into three Royals, fended off their half-hearted tackles, collected the pass in full flight and went in to score without opposition.

The first half was all Brothers as they made their opponents look like beginners. The score at half time was Brothers 18 and Royals 4.

In the second half, Brothers opened again with a try when their halfback Rore side stepped his way into the Royals area to score. This young talented player is representative material. If he matures in the

"A" grade he could make it as far as Kumuls. Brothers fired again this time by Agogo, who outran Otto "Orchy" Barney to score and conversion by Kuk was successful.

Royals retaliated when centre Otto picked up a pass then zigzagged his way forward, the upright unloaded to Terry then to Peter Waune who was backing up to score. John Lalu converted successfully.

Royals' Otto realised that he had the opportunity to score so scored the rugby ball forwards the uprights kicked, and then wait in to touch to score, conversion by John Lalu successful. John Lalu effort paid off when he collected a pass and dashed in without opposition to score a centre try, with a successful conversion.

Royals didn't perform to expectation as their backline was starved by

their half and five eighths. Their backline which is one of the best in the competition saw the ball being played in the rocks, but never reaching their hands. The few times that they had access to the ball they fired and scored.

The final score for the day was Brothers 34 defeated Royals 22.

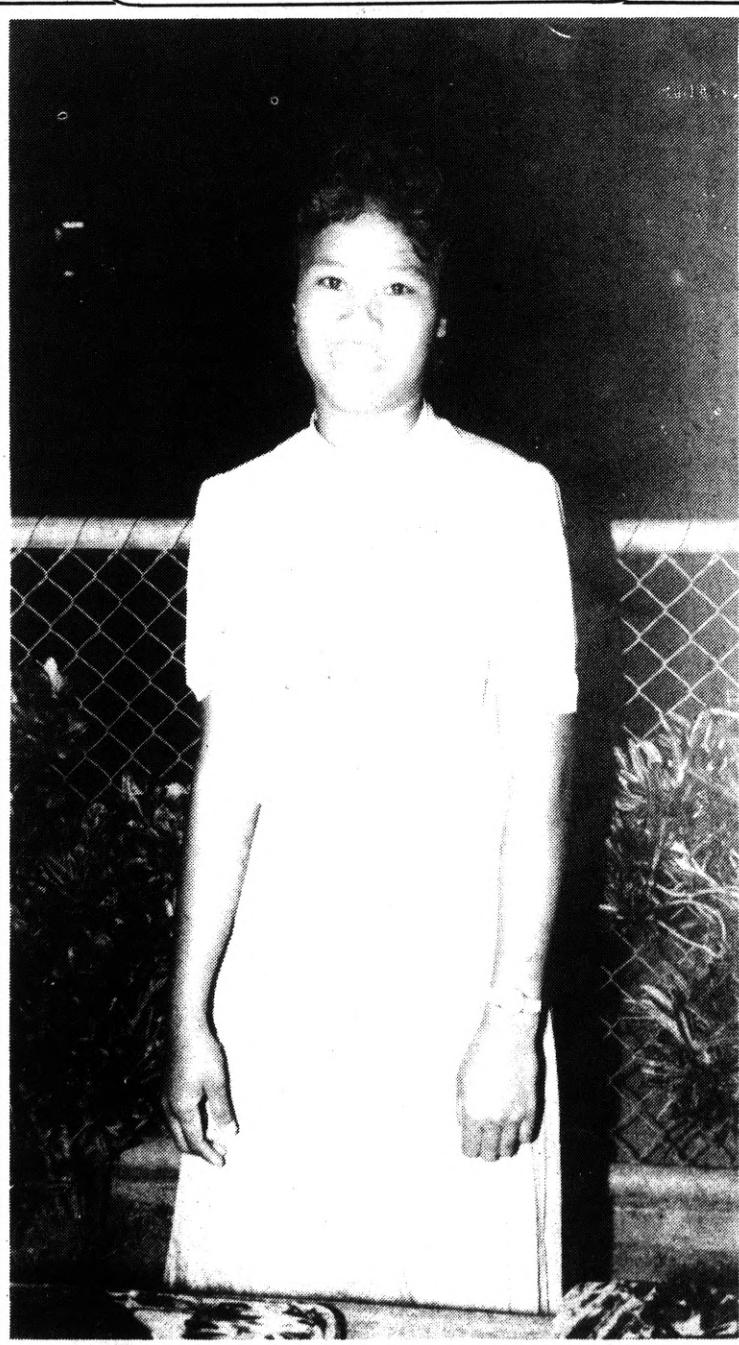

Royals were best scored by Barney, Lalu and Major Giheno.

For the bethrens Kuk, Rore, Smathey until replaced played very well. Brothers now lead the competition in the second round.

In the other games played on Saturday and Sunday PX dumped Hawks 38-22 and Panthers drew with Tigers 18 all.

In the Reserve Grades Air Niugini wallop Hawks with sweat revenge score of 48-0 and Tigers draw with Panthers 16 all.

## Lailo stops Magani's hopes of a first win

KIUNGA United's five eighth Leo Lailo stopped Magani's chance of their first win in the 1987 season last Sunday. United defeated Kam Magani 12-4.

The scores do not reflect on the closeness of the game. Magani had many scoring chances which were thrown away by careless ball handling.

The first half was particularly tough and there were no scores until five minutes before full time when Leo Lailo sneaked through for a try which was converted by second rower Benny Benong.

United led 6-0 at half time. Kam Magani came out in full swing in the second half, which soon resulted in Morea scoring an unconverted try and Magani was back in the game. The score then was Magani 4 trailing United 6.

A penalty goal by Benong increased United's lead, but Magani's chances were still strong. But the brilliant individual skills of Lailo sealed the game when took off through some tiring Magani to seal the game at 12-4 with an unconverted try.

In the early game, Brothers made mincemeat out of

Waliwests defence to win 22-8. Two tries by inside centre Clement Marisa and tries by outside centre Mark Milowa, five eighth Tom Penny, and second rower Victor shredded Waliwests defence in no uncertain manner. Player-coach Martin Paining kicked a penalty goal.

While Waliwests has flair in attack it is their defence which lets them down. Five eighth Gawi Wabada and right wing Wai Onae scored unconverted tries in the first half. Final score: Brothers 22 defeated Waliwests 8.

In the reserve grades Kam Magani 6 defeated United 4.

## Wewak league lays down the law

TWO motions were moved and carried to boost the performance of clubs and officials of the Wewak rugby football league at an annual meeting convened last week.

The league treasurer David Gavera Giobun moved the motions.

The first was that all player registration and club affiliation fees of K100 had to be paid before any player or club could take to the

field in the season proper. The second motion carried was to have clubs who did not have representatives at the weekly meeting, fined K20 and the club must pay the fine before they play their next game.
