THE UNITED PARTY

PREAMBLE

We, the delegates from all over the country assembled here in Kerevat, East New Britain Province attending the third United Party national convention and acting in what we believe to be in the best interest of our people and nation, now present our views of what we will stand for and seek to achieve.

We firmly believe that after 11 years of independence, Papua New Guinea is redirected in the right path to ensure that greater and meaningful achievements can be made in the next decade.

Dedicated leadership, honesty and commitment must be the ingredients in government to bring about such significant changes after the 1987 general election.

Development effort and strategies must be redirected towards activities that can generate maximum revenue while those areas that have been neglected and where the masses of our people dwell must receive the earliest attention.

Definite goals are set for the country to strive towards and every encouragement is availed to vigorously foster and establish some degree of true economic independence, thus at the same time allowing our citizens total involvement and participation.

We believe that the majority of our policies are realistic and attainable in any future governments of the country. We are determined to continually maintain and develop our young democracy to meet the needs of our people and to ensure that they have stable and open governments responsive to their wishes.

Health and other social services must be provided to the people in a manner which ensures fair and equal distribution while we shall continue to fight to achieve the attainment of free education, improve and increase technical institutions, ensure that the two universities continue to produce the best graduates and greater opportunities are provided to graduates to receive

specialist training both in Papua New Guinea and the best tertiary institutions in any country and to improve and diversify the external studies with the aim of bringing closer, universal literacy.

The United Party will continue to work closely with all the churches and assist them to expand their activities in providing our people with social services, while in no way shirking our own responsibilities in this area, we will always recognise the tremendous efforts made by them and we will support and encourage them to work together.

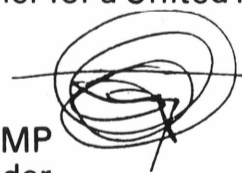

The structure of government must reflect upon the basic democratic principles as enshrined in the Constitution. We do not believe in changing basic rules only to suit the immediate need of those in power.

The sovereignty of our independent state must not be compromised and we will ensure that Papua New Guinea remains one nation, therefore, the only guarantee of maintaining this will be through equal distribution of services, development and wealth to bring about stability in all the regions.

It is therefore the conviction of the third national convention gathered here in Kerevat that true nationalism is reinstilled in our people in order that they can be proud of their country and government and contribute dynamically in nation building. This must be maintained and promoted through progressive development of all the provinces of Papua New Guinea.

"For the welfare, prosperity and collective betterment of our people and nation and the glory of God, we shall always work together for a United Papua New Guinea."

Authorised by:
Hon. Paul Torato, MP
Parliamentary Leader,
United Party.

POLICIES AND BELIEFS OF UNITED PARTY NATIONAL GOVERNMENT

- The United Party believes:
- *** The life of the National Parliament must not be less than five (5) years.
 - *** The Westminster system of government is strengthened at the National Level while Provincial Governments are permitted to exercise some autonomy in choosing the type of government they wish to have.
 - *** Amendment to the National Constitution is made to abolish all Provincial Electorates and increase the number of Open Electorates by 20 to ensure that the people are adequately represented in the National Parliament.
 - *** The Constitutional requirement of 27 Ministries shall be maintained while the Prime Minister must be given the ultimate prerogative to appoint a reasonable cabinet with paramount consideration given to save costs and expenditures in providing effective Government, while at the same time ensuring a fair representation in Cabinet by all regions.
 - *** The Prime Minister as Head of Government must be accountable to the National Parliament and the people at all time to ensure that open, sound and honest Government is provided responsive to their wishes.
 - *** Review and redistribution of Electoral Boundaries in every five (5) year life of a Parliament before Provincial and National Elections are carried out.

- *** An Organic Law on the existence and operations of political parties must be enacted in accordance with the requirement of the National Constitution in order that guidelines are established in the recognition of political parties.
- *** Ensure a National System of Government permitting each Province to find its own level of autonomy within a United Papua New Guinea.
- *** Ensure that the Government Ministers retain closer link with the people they serve and set a good example to others by maintaining standards which reflect the wealth and dignity of our people and country.

- *** Immediate reorganisation and review of the Public Service Commission and Public Service with particular emphasis on past localisation programmes, further reduction of manpower to enable only trained and professional Papua New Guineans the opportunity to perform with the strong view of improving efficiency and productivity.
- *** Provide more and better chances of further training of Public Servants both in Papua New Guinea and overseas and the retention only of skilled and experienced expatriates thus ensuring that major decision making is by Papua New Guineans.
- *** Immediate review of the existing expatriate contract system to ensure that their expertise is utilised to the maximum for the benefit of the country and special emphasis be placed on their role as trainers with bonus payment being considered.
- *** Rationalise the Public Service posting to ensure that Public Servants are not continually transferred and greater opportunities are provided in realistically serving their people.
- *** Public Servants wishing to contest both Provincial and National Elections must resign twelve (12) months prior to the issuing of writs.

The Public Service

The United Party will ensure:

- *** That the Public Service is free from politicisation.
- *** The number of Government Departments must be in conjunction with the number of Ministries.

PNGRFL blasted over appointments

by ORI MAEAOKA

THE Papua New Guinea Rugby Football league executive is being blasted over the criteria they used in appointing the Kumuls trainer Samuel Susuve and coach Barry Wilson.

President of Port Moresby's Toyota Defence club, Major Joe Kewa revealed his disappointment saying that the applicants at the club level were not given fair consideration for these two positions.

He claimed the national executive used the Kumuls win against New Zealand Kiwis last year as the base to reappoint the duo for the positions.

Kewa said that Wilson, who was the former Defence senior coach, was a failure at the club level and should not be given the PNG league's top job.

"Although Wilson was given a two year term last year, he is without a club to coach this year and the national executive should have terminated his appointment."

He also claimed that the national executives did not give fair consideration to other applicants beside Susuve for the trainer's job.

"I have trainers who are more qualified than Susuve in my camp but it was a pity that their applications for the job were overlooked."

Kewa said that this type of attitude of the executives clearly indicated that it was a matter of "who-you-know" and not "what-you-know."

"This type of attitude also puts the development of the sport in PNG at a sorry state."

Kewa also called on the national selectors to select the Kumul players on their talents' worth, excellent and courage in the game instead of reputation alone.

"National selectors must look at players with better reputations and merits when selecting the Kumul side this year," Kewa said.

He said that the Kumuls' bid to beat the Australian Kangaroos and the British Lions will not be successful if the selectors follow up the same criteria used during the selection trials.

Kewa further called on the PNGRFL executives to publicly announce the name of the current PNGRFL executive officer.

"A majority of the national rugby league fans are only aware of the resignation of the former executive officer Dawa Solomon and they are still in suspense, waiting for news of her replacement.

"We have noticed in consulting the media that the former Port Moresby league secretary Martin Adamson is acting in the position.

"We believe that Adamson resigned from the Education department to take up the job but this is yet to be confirmed by the PNGRFL.

"If Adamson is the full time executive officer to the main league then the PNGRFL executive must inform the public rather than do things behind curtains," Kewa charged.

Kewa said that the position is a full time paid job and it is an employment opportunity for a Papua New Guinean.

He continued to criticise the national league for recalling the services of retired president Jim Jacobi back to the arena.

"All local leagues should have been given the opportunity to nominate a candidate for the president's seat instead of appointing Jacobi," he said.

Jacobi, who is the current PNGRFL president, was appointed last month by the league executives after the resignation of Ben Sabumei.

Kewa said that a national should be given first priority rather than to invite Jacobi who retired from the league's administration ages ago.

"My comments should not be taken as a personal attack on any individual PNGRFL executive."

Meanwhile the executive officer and the acting secretary of the PNGRFL Martin Adamson retaliated in saying that, "If Kewa is the president of the Defence club then his line of communication with the executives is not via newspapers".

"Kewa has to take his remarks up to the Port Moresby league which will take it further to the national league if it is agreed to at the local meeting," Adamson said.

Adamson claimed that the PNGRFL executives did everything according to the book, meaning all conditions of the constitution of the league was followed in all appointments.

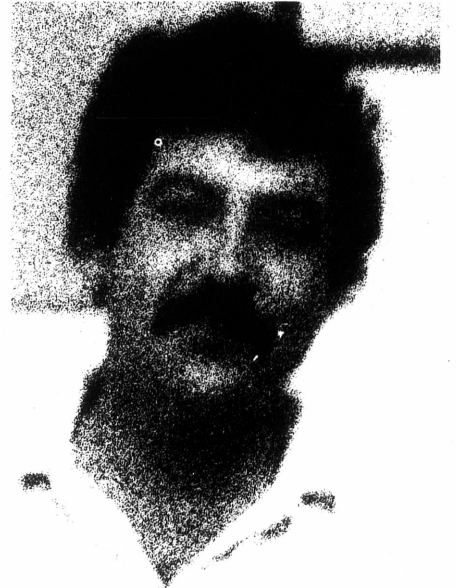

"I am the full time executive officer and the league's acting secretary

● Barry Wilson — he was without a club to coach

● Samuel Susuve — reappointed Kumul's trainer

● Martin Adamson — "What is he at present?"

Lae kicks off any way

LAE rugby league players have been training hard for the start of the season. The team is looking to make a strong start in the upcoming matches. The players are in good form and are ready to take on any challenge. The team is looking to win the championship and is working hard to achieve their goal. The players are in good form and are ready to take on any challenge. The team is looking to win the championship and is working hard to achieve their goal.

under the instructions from the national executives," Adamson said.

"Under the constitution, the executives can appoint someone to fill in a position until the annual general meeting in November.

"This is exactly the same situation in the appointment of president Jim Jacobi, who is a citizen of PNG," Adamson added.

He said that the secretary and the president's positions will be up for election next November.

Adamson defended the national selectors in saying that they know what they are doing and will not take advice from anyone.

Paga yet to form

● Left — Samuel Susuve: the national team trainer now has another hard job to tackle. He will struggle to bring the once upon a time Port Moresby glamour team, Paga Panthers, back into the stage centre.

by ORI MAEAOKA

FAIRDEAL Paga Panthers "A" grade side for the Port Moresby rugby league 1987 season is yet to be moulded according to their

trainer Samuel Susuve.

Susuve said this after his charges went down 38-8 to Air Niugini in their first meet of the pre-season competition.

The Kumul trainer

who was seen as the main factor behind the rise of Hobar West to the top form in the last two years is confident of making Paga a threat to other clubs this season.

Paga executives

only called in the services of Susuve within 20 minutes before their encounter with Air Niugini and the Panthers' heavy downfall.

Just give me a few more weeks to work on the boys and I can assure you of some results," Susuve told *Rugby League News*.

"The boys have everything that is required of good footballers. They just need conditioning and match fitness," he said.

Susuve's one week stint with Paga should prove it's course on Sunday when his charges take on reigning premiers DCA.

His old club Hobar West checked that his change of heart to join Paga was not a concern when they hammered Hugo Hawks 38-16.

A West club executive Malaha Meoro claimed that the natural talents of his charges gave Susuve

the glory to be a Kumul trainer and they would prove it to him by remaining the top side this year.

West has another easy victory on the cards as it will be doing battle with a depleted Nissan Tarangau.

The crocodiles have the edge with the Mou brothers who defected from Tarangau. Their knowledge of the eagles play pattern should help West win.

Tarangau was run over by Toyota Defence 36-8 but the soldiers are in for an uphill battle against Kone Tigers who gave DCA a hard run for their money before going down 20-14.

Air Niugini who whitewashed Paga has another training match and this time on the account of Easts and Brothers who brushed aside Easts will have a game of cat and mouse with Hawks.

Juniors praised by an amazed Coaching Director

by ORI MAEAOKA

RUGBY league juniors in the capital realised the importance of development for the code in the junior level when more than 100 youngsters met coaching director Keith Collins last week.

Words of praise came from the impressed national rugby league coaching director after a head count of interested juniors who gathered on the first of the two days for a basic league clinic.

Collins applauded the code's development in the city after witnessing a tremendous increase in the number of participants at a junior coaching clinic he conducted at the Kone Tigers oval last week.

A similar clinic conducted by Collins in 1984 attracted only 50 youngsters and he was flabbergasted to see 150 participants last week.

"I am delighted to see the interest shown by the kids in the clinic. This indicates their eagerness to learn more about rugby league."

Collins conveyed his thanks to the city's potential coaches: Tara Gau, Michael Ovia, Steve Malum, John Reeve, Alyson Taiyu, Andrew Soikava, Edi Lohia and Wally Sauna for assisting him in conducting the clinic.

"I could not have managed to conduct the clinic alone with these 150 kids without the assistance from these people."

Collins also thanked National Capital District Interim Commission's sports co-ordinator John Paliu for the footballs he supplied and Kone Tigers rugby league club for the use of their oval.

First school to fit 'flag' in classroom

by IAN KAKARERE

KIUNGA Montfort Community school is the first community school in the North Fly area of Western province to have flag football included in its sports programme.

Kiunga Montfort headmaster Peter Mackay said that when the game was unofficially introduced to school late last year, it proved to be very popular with the boys in the school.

"Because the game is popular, we have included it in our sports programme," Mr Mackay said.

"The teachers also appreciate the benefits of the game," Mr Mackay said.

Flag football has been devised by the National Rugby League coaching scheme as an introduction to young players to learn the skills and techniques of rugby league without the heavy physical contact.

Flag football gets its name from a "flag", 50 centimetres long and 8 centimetres wide worn in the back of the players' shorts.

In flag football, a player is "tackled" when his flag is pulled out of his shorts and he is in possession of the ball by an opposing player.

Many teachers in the North Fly area are interested in introducing flag football to their schools, and have expressed their desire to have an in-service training course on the game.

Kiunga High school will have an under 45kg inter-house flag football competition this year.

According to the Kiunga High school schoolboys rugby league secretary, Mr Barnabas Uako, the flag football competition will cater for the many young and lightweight boys in the school.

Mr Uako also said that Kiunga High school will also have an under 65kg and under 55kg inter-house rugby league competition.

PNG universities are not ready for visitors

by BENNY BOGG

PAPUA New Guinea universities will be caught offguard if France, New Zealand and Australia combine universities to send a team each to play in PNG later this year.

This is because of several reasons revealed by the UPNG Students Sports Co-ordinator Philip Num at the Waigani campus on Monday, February 16.

PNG Universities took the initial step in asking the three nations' universities to form a team each and to come to Papua New Guinea sometime this year to play five matches each, including two Tests, Num told RLN.

"We had replies from all three nations' universities. Australia and New Zealand have indicated that they would like to play PNG but at a time they will disclose later. I believe that time may be in August as I got word that the two nation's universities are low on finance at the moment."

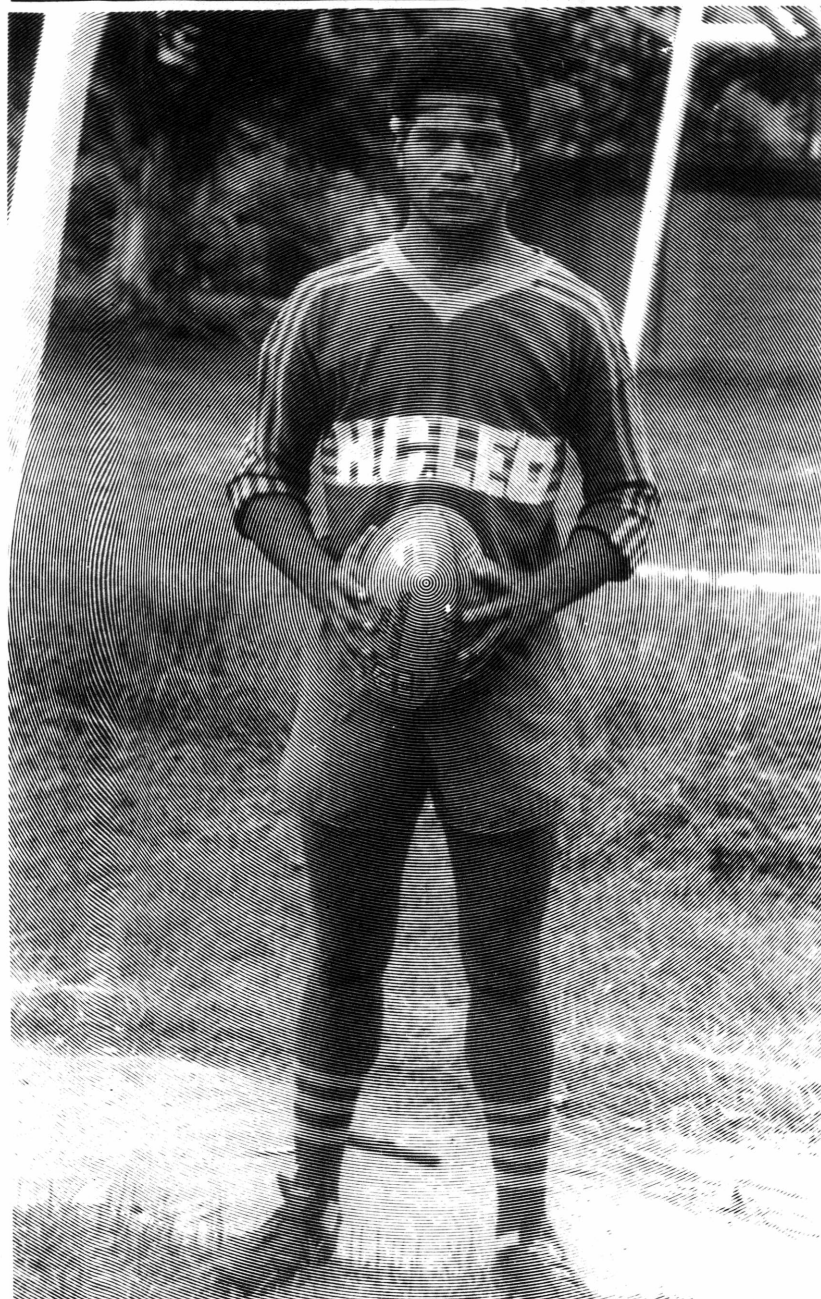

Num said that France has been prompt in reply but the letter was submitted in French and it arrived over the Christmas break at the Waigani campus when the very few people who could translate the contents were not there.

"We gave the letter to our chaplain, Robert Lak to take to one of his friends who could translate it

for us. But as of today, Fr Lak could not locate the letter."

Num said that he thinks the French team will come in March. "If they do come in March we will most probably lose most of our games to them because we are not prepared to take on any team at the moment. That is because we do not really know what is going on now with the arrangement between us and the other three nations' universities."

However, if the teams do come Num will arrange a separate match each between the visitors and the three PNG Universities — Goroka Teachers' college, Lae Unitech, and Waigani — and two Tests between the visitors and PNG Universities combined.

New Boge is here

He will play in the centre

by JOSEPH KAU

THE Hanuabada Hawks Rugby Football League off season promotion games are over, but one player who will carry his genius into the Port Moresby league arena is none other than Philip Boge, kid brother of one of Hanuabada's most revered league players, "Tengun" Dikana Boge and Halgu's A grade skipper and centre.

Voted best and fairest player in the grand final encounter two weeks ago against Hokama, Philip has a long rugby-associated history.

As long as he can recall rugby league has been around the house. Big brother Dikana Boge started the ball rolling and now Philip and another brother Mea, who plays for Albi United, have caught the fever.

Philip Boge, 20, is single and works as a clerk with Boroko Motors in its spare parts division.

He is a hawkie through and through and since he started playing in 1982, he has been regular centre/five eighth for the Hawks juniors up to last season.

In 1984 Philip was the five-eighth in the Hawks junior side that lost to Ela Magani in the grand final.

"My main aim this year is to fire as a

centre in the Hawks' A grade first 13 and to build up my confidence in playing at senior level."

And as is the dream of every other rugby league player Philip wants to wear the Kumul jumper some day. He continued, "I want to be like my elder brother Dikana and represent my country."

About his games Philip says his most respected opponents have been the Brothers and West U19 teams and Junior Kumuls Mataio Rohan, Steven Haro and John Bogana. In Hawks Sam Ovia, Vagi Heni and Simoi Gamu have been inspirational.

The powerfully built centre, he is fast and always quick off the mark. Philip is a punishing defender and although has not aped his brother "Tengun's" famous tap dancing side-steps he uses the swerve with perfection when attacking.

Of his kid brother this is what "Tengun" had to say. "I do not think it wise to push him into senior grade too early, but to bring him up the ranks slowly."

"I hate to say it but Philip is faster than I ever was. He was unlucky to miss out from the junior Kumul team that toured New Zealand last year but at the rate he is going it will not be long before he makes it into the senior Kumul side."

Philip Boge. His dreams now are of following his elder "Tengun's" footsteps, and that is to become a Kumul.

MacGregor: The sensational robber

by PAULINE LAKI

AN outsider, MacGregor Barracks, "robbed" the rich Commandants Trophy right before the Commandant Peter Fowler's very eyes.

MacGregor proved that the five inter-units college teams are no match to the untamable, ever classy Mobile Squads, when it they badly chopped the Recruit Training Wing, dubbed as the "Paiauwuts" (firewoods) 10-4 in the Bomana Police College touch rugby grand final last weekend.

Jubilant MacGregor supporters jumped, shouted and cheered.

Mothers and wives danced while their heroes made history in the first-of-its-kind college teams competition that began last November.

MacGregor thoroughly entertained the crowd. Even the college population split and one half crossed the floor in what was described as a hopeless gesture.

MacGregor starring halfback Charles Daingo, speedsters Allan Waulai, try scorer ever tricky John Gamani, prop Justus Baupo and their untiring footballers in the team presented fast and open football.

The swift ball handling with constant back-up play was the winning trademark. This kind of play really boosted them last Sunday, with an eventual victory.

Despite MacGregor's dominance over the field, RTW's Gabriel Yoke, stormed through MacGregor's heavy defence with his team's only try.

The "Paiauwuts" left their colleagues and supporters frustrated by not distributing the ball fast enough. The first half was much too slow compared to "Paiauwuts" usual game. It restored vitality in the second half but lacked speed and

fitness even in the forward line for backup play.

RTW's prop, Joseph Wate and flap David Langas, played their best with continuous efforts. Skipper Michael Kapal in the lock made the scrum winning tally on an equal basis.

MacGregor Barracks were far ahead. It even brought the ball three times to the tryline only to end up going down in a scrum.

RTW couldn't do the same distance in return, due to the complete block out by MacGregor in their territory.

More sparks flavour was added as supportive women and servicemen's wives from both sides staged provocative dances showing anger and laughter to each other. This thrilled the more than 300 spectators under the afternoon drizzling rain.

RTW skipper Kapal said, "There is another season next year." While, MacGregor skipper Kack Guburu and coach Peter Senat gave overwhelming smiles.

Commandant Fowler presented the trophy to MacGregor reluctantly. He knew it was in the spirit of sports. But said, "It would be pleasing for me to give it to my college team, you know I don't want to give it away."

RTW collected the Zulu club's shield with a bonus of K50, while third place Common Services Wing secured themselves K40.

MacGregor had a double bonus of K100 and referee, Badi Dau of the National Capital league referee awarded the best and fairest to MacGregor's Daingo.

SURPRISE!

by JOSEPH KAU

WELL this could be by chance or on purpose, all the winners in last weekend's games are up against the losers. And most of the results should turn out to the favour of last week's winners if we use last weekend as an indicator.

However the first game between Defence and Kone should spring a few surprises.

The Tigers' young backline consisting of Isa Mai, Stanley Haru, Wilfred Mai, Ivan Turia and Emanuel Kauna, should be able to just run over defence if they see more of the ball.

Tigers who stretched Port Moresby premiers DCA to the limits last Sunday will do well if it plays its game in the backline.

Defence's superior fitness and weight up front with Joe Tep and Iosefa Falaniko leading will be out to hand the Tigers the same bombardment it gave the warders last weekend.

Another hard nut to crack will be Mathias Kitimon who will be manning the soldiers rear guard activities, ensuring that no roaring Tiger gets within easy shooting distance.

The other game which should keep the crowds guessing the end result will be the

Bowmans DCA, Fairdeal Paga clash.

Paga who has probably the heaviest forward pack so far in the competition has yet to find harmony in its moves.

Kumuls Bernard Waketsi, Robert Jakis, Francis Hennessy, Roy Loitive and Londari Minape just could not find the right combinations to ground the airliners last weekend.

However if these bunch fire this weekend, the young DCA line will be in for a hard time.

DCA, who fielded a lot of new faces in last week's game will again be calling on the

services of Kumul fullback Dairi Kovae and slippery Koivi Pirika to bail them out if they get into any bother.

Again as is the feeling of most coaches and players, this is only a trial period and the results do not really matter at this stage.

In the other games to be played at the weekend, giants Hobar West should crunch and munch away the Tarangau, in the main game at 4pm, Brothers and Hawks to fight out an even encounter at 11am and Air Niugini to just Easts in the other match at 1pm.

Regeneration for Kerema

by JOSEPH KAU

KEREMA rugby league is having another regeneration and the first games are expected to kick off on February 22.

Speaking to RLN during the week, league president Rueben Pouta said six teams had affiliated to the league and the league had forwarded its associate membership fee of K300 to the PNGRFL.

The teams that have affiliated are Kouri, Niugulf, Sevese Miro, SP Bulldogs, Medics and Wests.

Mr Pouta said players also had to pay K10 for player registration in addition to their K50 affiliation fees.

The reduction of the club to five should see the new executive with enough time to organise and administer the league better and to ensure the Kerema league does not die another natural death again.

Moresby women raring for another success

by HENRY MORABANG

THIS weekend a capacity crowd is expected to flock down to the Hubert Murray Stadium to witness touch football by women in Port Moresby.

It will be the last round of the trial season and participating clubs will surely give their opposite teams a run for their money.

The organiser of women touch football John Balavu said there are 20 teams participating in the women's touch association.

He said after the trials the ladies will be graded for the two main divisions. One will be the senior grade while the other one will be junior.

Mr Balavu said so far the touch association is going

strong there are no hardship and at the moment.

The season proper for the competition starts on March 1 and Port Moresby women touch association officials want the K300 registration fees paid as soon as possible Mr Balavu said.

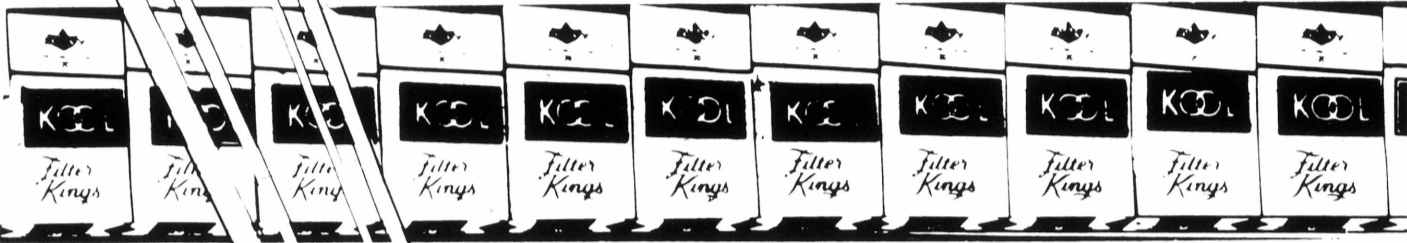

He said that K300 would cover the cost of the field, uniforms and other facilities

used by the women's touch association.

The association was progressing successfully in its second year.

Mr Balavu said the association was lucky to secure sponsorships from two business houses. The two are the Port Moresby Clothing and the Haus Bilas a joint sponsorship.

Kepi Saea: the legend that will live on for ever...

A man called Saea

● Heading for the tryline. Last weekend Kepi scored three tries for Air Niugini.

by **RAYMOND AUGUST**

EXCITING young Kumul centre Kepi Saea will remain with his club Air Niugini this season.

Saea had his dream come true when he was selected in the 1986 PNG Kumul squad against the world rugby league king, the Kangaroos, last year — unfortunately they went down to the Kangaroos 62 — 12 at home.

Originally from the Gulf province, Saea started playing rugby league in 1980 with the Sharks club in the Kaugere suburban rugby league competition in Port Moresby.

In 1981 he left the Kaugere suburban league and signed up with the Brothers Under 19 team in the city competition. The following year he switched back to Kaugere suburban league competition and then went back to his old club, the Sharks. That year they won the premiership.

He later joined the junior Magani rugby league club in 1983 and was selected to represent the junior Southern zone team in Lae where they won the championship crown that year.

On return to Port Moresby he played in the Under 19 Kool Magani side and later was promoted to reserve grade and straight into the first division A grade side but after playing two consecutive games he withdrew due to weight differences.

In 1985 he first appeared in the Air Niugini rugby league A grade team where he played a dramatic role in driving Air Niugini into the 1985 grand final against West, however they lost to West.

In 1985 the talented centre led Air Niugini into the grand final and was among a key figure in dumping Toyota Defence to win the Kool Cup K3000 price money.

Saea's style of sidestepping and determination in the sport enabled him to impress the selections in 1986 and he joined the Southern zone side for the first time in the Kumul squad to challenge the Australian Kangaroos last year.

For 1987 the energetic player is working hard polishing his boots to go again. Saea probably completed one of his most successful seasons last year as he cemented the centre position in the Kumul squad against the Kangaroos.

But the icing on the cake will come this season when Saea will once again explode his talent and skills and be named in the Southern zone team and possibly the Kumul squad to tour Europe.

However, at the age of 23 Saea, just like Kumul star halfback Tony Kila and others like Peter Peng, will be seen in the rugby league arena for a long time.

Wings want the major semi pie

by **JOSEPH KAU**

A capacity crowd is expected at the Kaugere Horseshoe as the dreaded Pygmies take on Pie-Wings in the major semi-final of the Kaugere touch football this Sunday.

Wings earned the right to meet the Pygmies, who lost to Tigers 5-4 after they clipped North Bears 4-3.

Both games the Wings/North Bears clash and the Tigers/Pygmies encounter went into extra time after both games ended in a draw at fulltime.

North Bears who were missing the services off aces Paimuru Kairi and Jimmy Kairi gave a full strength Wings side a good run for their money before finally going down.

Wings victory architect Karara Aua led his charges in fine style and inspired his teammates to perform above par to run out winners after extra time.

The Tigers/Pygmies clash was another story of an unfortunate lose as the Pygmies gave Tigers a real scare before succumbing.

The gap left by Kepi Saea was evident and colleagues Charlie Kavoi and David Joseph had to work overtime to contain the Tigers, but their efforts were in vain.

Wings will go into this game as the underdog and will be out to stop the Pygmies firing their deadly poison arrows.

Aua will again masterminded Wings onslaught and if let loose will create havoc in the Pygmies camp. Sidekicks Aua Kani, Chris Ako, Ukia Peter and Robert Muri should give enough to support to give the Wings victory.

Saea will be sorely missed in the Pygmies line-up and again Kavoi will be called on to make sure that Wings do not take advantage of Saea's absence.

An even tussle is expected with the winner to win with one point only, Wings to win 2-1, and this will be my bet.

The line-up for this weekend is as follows: Pygmies — Mika Karara, Kavoi, Joseph, Mark Joseph, Michael Evo'o, Harry Ove, Koivi Evo'o', Robert Karara, Gideon Martin and Saea and for Wings — Aua, Kani, Ako, Mason Henry, Igo Hairoi Muri, Peter and K Ove.

Hohola Sharks' final hopes dashed ...

by HENRY MORABANG

BORDERLINE Eels dashed Sharks' intention to be the premier of Hohola with a win of 15-3 last Sunday in Port Moresby.

Again, it was suspended junior Kumul full back, Sukope Tova who saved the day for his team, Borderline.

From a brilliant torpedo followed by a soccer-style header came the final try for the season.

Full back Tova kicked the bomb and raced after his kick, and headed the ball to Koavea who crossed over for a centre try.

The slim, six foot, 22-year old former PX engine starter was the man of the match. Despite some challenges during the game, he outshone his skipper who is also his brother and other A grade players like Charlie Kouri.

During a conversation with RLN last week, he said he will struggle to get his jumper back

after his suspension expires.

Tova was suspended by PNGRFL when he took part in a brawl where the match referee was assaulted. The incident happened between Hobar West and Air Niugini in the semi-final a couple of years back.

In Sharks' camp, skipper Neil Sauna should be congratulated for displaying true sportsmanship on the field. He helped cool down players and supporters when the game almost got out of hand.

Sharks had the manpower but never fully utilised its players. Its backline was hardly organised which resulted in Sharks' strongman, Wilfred Mai, to walk off the field filled with distaste.

Sharks had one of the best football teams in the local competition but failed to click at the right times. Last week they put on a bold show, one you would rarely find in the Hohola Touch scene. But it failed to repeat a similar dose in the match which really counted.

...and how did Borderline win?

HOHOLA Touch association ended its season with a top class football grand final show between two strong premiership contenders, Borderline and Sharks.

Many touch associations ended their '86 season with a bad finish while the growing touch population of Hohola witnessed one of the most brilliant displays of football ever in the history of the code in Port Moresby.

Six clubs took part in Hohola Touch Football. All struggled hard for success, only one found the happiness of being the king around the Hohola suburb.

Of the association, it was through Billy Aisi and other dedicated touch administrators that it was founded just last season.

The six clubs were Roosters, Crusaders, Sea Eagles, Raiders, Sharks and Borderline. Each club formed two teams of A and B graders.

Out of all the clubs in the association Borderline had the most impressive record. It started with a high note and reached second place after the first round of the season, while in the second

round it was ousted by Sharks. Yet Borderline was minor premier.

Raiders and Crusaders were the underdogs of the Hohola Touch Association.

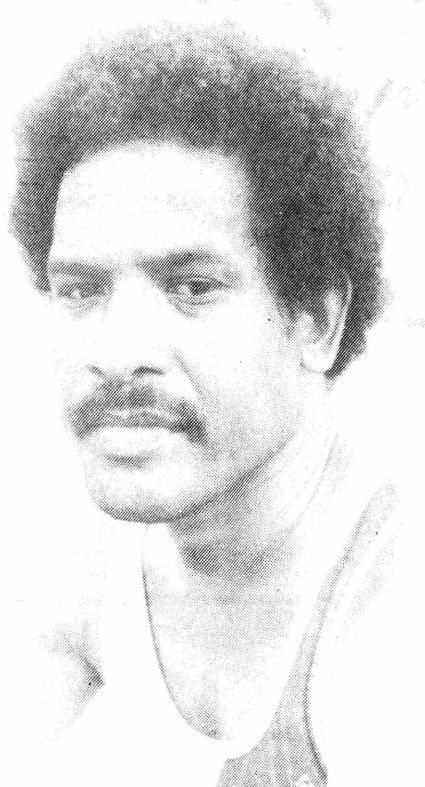

The four possible contenders for premiership during the middle of second round were Roosters, Sea Eagles, Sharks and Borderline.

However, as the battle drew to a closure Roosters stood out as the most

likely rivals for the finals together with Borderline.

Sharks also had a good record. It had the good start but ended badly.

The whole show isn't over. That was the first year and so far that was a good start. About October 1987 the next season will take off again with a louder roar and the touch population is anticipated to be twice larger than '86's two to three thousand for the Hohola Association.

Twin birth excites NS elder four

THE two newly formed clubs in the North Solomons league scene is certainly a challenge for the existing clubs.

The clubs are Sea Raiders — a local team and Souths. It was suggested that it is high time for clubs to pave their path to premiership so the competition is going to be a tough one.

The vice president of North Solomons league, Mark Mom told RLN this week that the existing clubs will surely face a tough challenge from the two clubs.

Previously, North Solomons had only four participating clubs: Wests, Easts, Air Niugini and Royals.

Mr Mom said the pre-season kicks off this weekend with tough competition expected from the clubs.

He said the pre-season is expected to be staged with clubs displaying their new tactics

and style.

Mr Mom continued, "Players within the association should be proud of one of the greatest achievements for North Solomons this year. Now players can represent us in international matches because our association is now a member of the PNGRL."

He said at the moment the association is using the Arawa High school field while the renovation for the association's field is still being planned.

The vice president said it is good that the PNG main body of the code is planning to host an international game at Arawa. "Often the national body used our players and never remember to pay back."

The North Solomons league plans to have some of the-and-coming stars well exposed in the games before the Kumul selections.

Payback killing

50 to nil for Tigers in Wau/Bulolo opener

MOALE Tigers roared over BM Easts 50-0 in Wau/Bulolo's opening action last Sunday.

Tigers retaliated after their previous loss to Country when they were defeated in a one sided pre-season affair two weeks ago.

The Cats' forward pack was equipped with experienced players like Yoko Koko, Koi Simina, skipper Kalabe Yaba, Jerry Song, Elvis Mai and masterminder Henry Richard who gave all they had got to BM Easts to "quench their thirst" and avenge their loss.

It would have been odd for BM East to master the game. With their skipper Wilson Kinda they were exhausted after running around the field all afternoon.

The game was determined in the fifth

minute. It was to be the Tigers' day. Its flanker Jerry Song crossed over the try line for the first four points after brilliant ballwork by forwards.

BM Easts could not contain the wild running of Tigers' Koi Simina and Kalabe Yabai who were creating gaps for Tigers' backline Henry Richard to score at will.

Easts is still learning from leader teams because that is its first appearance this year. Many of its players are new and with little or no experience.

Another contributing factor to BM Easts' downfall was lack of fitness which caused them to allow Tigers to walk over them through the entire 80 minutes of football.

On Sunday, Country forfeited Panthers. Panthers failed to field all its three grades. Appcats was on bye.
