### UCSD OFFERS FULL SCHOLARSHIPS TO STUDENTS OF ACADEMIC EXCELLENCE

As interest in the University of California, San Diego rises, so does the number of scholars choosing to attend UCSD.

During the 1989/90 academic year, UCSD awarded over 3,450 scholarships for an approximate total of \$1.72 million. Such support marks UCSD's commitment to attracting exceptional students to the campus.

In recognition of academic excellence, UCSD will continue to offer one year of full California resident fee scholarships for 1990/91--worth approximately \$1,734--to students entering UCSD who meet any of the following qualifications:

- a minimum GPA of 3.8 and SAT math and verbal scores of 650 each (provost defined scholar)
- finalist in the National Merit Scholarship Programs
- Regents Honorarium Scholar
- continuing Early Admission Honors Program student

Other privileges and recognitions are awarded to outstanding scholars. For further information, contact Debi Fidler, Scholarship Coordinator, at 534-1067.
