

5k Run/Walk for scholars, Dynes car wash

November 17, 1999

MEDIA ADVISORY

EVENT: As the result of winning a challenge in the recent 5k Run/Walk for Scholars, UCSD Chancellor Robert Dynes will drive his car onto Library Walk, where it will be washed by Associated Students President Tesh Khullar. A campus police car, with siren on, will alert students to the event by escorting the chancellor to the car wash site. The Chancellor then will witness his win from a nearby lawn chair.

DATE/TIME: Noon, Wednesday, Nov. 17.

LOCATION: Library Walk at UCSD. (See map attached.)

BACKGROUND: Chancellor Dynes and the head of the Associated Students traditionally vie in the campus 5k, which raises scholarship funds for undergraduate students. If the AS president outruns the chancellor, the prize is a barbecue for students. If the chancellor finishes ahead, the student body president has to wash the chancellor's car. The chancellor came in 170 out of 872 entries, outdistancing Khullar, thus the payoff Wednesday.

VISUALS: More than \$158,000 was raised by the fourth annual run/walk. Definitely a photo op.
