**June 3, 1980**

MEDIA ADVISORY

EVENT: 16th annual Watermelon Splat

DATE: Friday, June 6, 1980

TIME: Noon

LOCATION: Urey Hall Plaza just east of Urey Hall on the Revelle College campus

CONTACT: Paul W. West, 452-3120

**BACKGROUND:** The one major UC San Diego tradition, throwing a watermelon off the seventh floor of Urey Hall, will be continued. The object is to create a "splat" and then measure the distance between ground zero and the most distant piece. A Watermelon "Queen" (last year it was a male), chosen by the students, will do the tossing. The UCSD Jazz Ensemble will play and a watermelon feast will follow the ceremonies.
