SAFE

Tri-motor and single-motored U. S. Licensed planes, flown by experienced Transport Pilots make safety our watchword. Over a million miles without an accident of any kind.

FAST

Cruising speeds of 125 miles per hour quickly span the distances between terminals. By Traveling the Skyways you have more time for business or pleasure.

COMFORTABLE

Cabin planes, properly ventilated, having wonderful visibility, fly high above the dust and dirt and heat of highway and other ground transportation.

SERVICE

By Experienced Air Line and transportation personnel interested in making your journey pleasant and memorable.
