Mr. E. W. Morse,

Dear Sir :- I have just received, letter, statement, and check from Futzelby. Check is \$70 ⁹⁶. I don't remember what the balance of lost statement is, you have it. I think they were very good to expend \$15 ⁰⁰ for Kolsumming and new shades so soon before you sold, but I suppose they did not know that you were to sell. Please examine the statement, and return the letter to me so I may answer it. As soon as convenient,

Yours truly,
T. H. Hoyt.
