

Jackson Mac Low

who is impossible as a leader who is jackson speaker  
on the whole front page continuance often teach silent  
too horse carriage for sir elder  
please sir older we grow we know more older

jackson the perfect scream lists puzzles good dictionaries  
too much quote do out jackson please breakdow dont  
erase jackson thats funny quote

has have godd for you take jackson out EAT dear jackson  
said dont drink

experiment in any form that occurs to jackson

you hear jacksons voice CHAREMAGNE jackson is obvious  
ridiculous wrong calling window level OOLONG big bok

just say jacksons voice reread heard ohboy permit life  
granted twice what yer sayin what yer sayin read also  
he hears me when i read hear him too also silent

ohboy dont get rid of that old man please them boys and  
girls ohboy they learning fast oh jackson

the plant that flashed is still flashing so what jackson  
can see its energy field its pretty purple iridescent  
oh jacks potato fields

remember the umbrella it wanted you to take an umbrella  
rain you refused it said get an umbrella get the navy  
blue one jackson always carries one he shows up with  
umbrella at a reading you both come out WOW it rains for  
one minute you both laugh

listen to jackson voice obtrusion complete line  
be clever hear jackson

clairvoyantly written  
Hannah Weiner
