Gentlemen:

Referring to yours of April 16th I wish to learn the purpose of it. Your said letter is the first intimation of any water bill against Lot 8, Lemon Villa. Please refer to your proposition of July 13th, 1913 and my request of July 17th regarding same. Your company destroyed the corrections years ago and there has been no water used for several years on said property.

Let me hear from you.

Very truly yours,

Gentlemen:

As near as I can gather from yours to M. Hall of June 22nd I am chargeable with three months water (March, April, and May) and that two months only were paid as you state.

You have not acknowledged my request that water is not wanted on this tract from June 1st which I desire you to do in accepting the enclosed check of \$2.95 to "close account" as you state. Kindly communicate with me direct in the future.

My protest is that it is not in keeping with my contract to pay you monthly or at the rate you charge.

Yours respectfully,

Frank E. Hilton
