Dear Dr. Szilard:

Thank you for your letter of May 17th, confirming our telephone conversation. I shall be pleased to keep you advised when the Silver Transfer Tax is repealed.

According to the legislation as it now stands, H.R. 5389 states that the repeal of the Silver Transfer Tax provisions of the law "shall apply only with respect of transfer after the date of the enactment of this title". If the bill is passed by the Senate in this form and signed by the President, it seems to me that you may still have to pay a transfer tax on the profit on the sales of any silver purchased before the bill became law.

We will be pleased to supply you with silver in the United States, Canada, London or Mexico, when the Silver Transfer Tax is repealed.

Sincerely,

BACHE & CO.

Re: Drs. Leo and Gertrud Weiss Szilard

Dear Miss Cherin:

In order to complete the D. C. income tax returns for Drs. Szilard we will need answers to the following questions:

- (1) Were the royalties from Hungary joint or separate income? If separate, husband or wife?
- (2) Same question as to long term capital gain.
- (3) How much was paid by each on his D. C. estimated return and balance for 1962? According to our records payments should have been:

	(H)	(W)	Total
Balance 1962	\$ 367.91	\$ 68.88	\$436.79
1963 estimate	<u>368.00</u>	<u>70.00</u>	<u>438.00</u>
	<u>\$ 735.91</u>	<u>\$ 138.88</u>	<u>\$874.79</u>

The amount claimed as a deduction on the federal return is \$873.88.

Hopefully, the returns will be completed shortly after we hear from you.

Sincerely yours,

*Robert Bernstein*

Dear Mr. Bernstein:

I have a copy of your letter of March 3 to Miss Shirley Cherin. I expect her to send you a revised income tax return since the return which she had sent you previously had contained a clerical error regarding the royalties from Hungary. This should amount to \$50.60 and not as previously listed to \$501.60.

Please note, with respect to your question No. 1, that the royalty from Hungary in the amount of \$50.60 was my separate income.

Please note further that, regarding your question No. 2, that the long-term capital gain was my wife's separate income.

Regarding your third question, my recollection is that we paid exactly what your records show that we should have paid.

Please note my new address.

Yours sincerely,

Leo Szilard

Dear Professor Szilard,

This is to confirm our telephone conversations of today when you kindly agreed to talk to Dr. Stephen Black before our film cameras about your recollections of Albert Einstein.

As agreed, I will meet you at the Cumberland at 4.15 p.m. and then take you by taxi to Dr. Black's private consulting rooms to begin filming there a little after 4.30 p.m. We shall certainly be through by 6.30, perhaps even earlier.

I look forward to seeing you again tomorrow.
