Sir

I will feel thankful, if you write and let me know whether you have received an answer to the application you made on my behalf for a Land Warrant. If you have got it say what your charge is and I will remit you the amount

The acknowledgement you gave me of having left my Discharge with you got torn I would get employed by the Quartermaster at Benicia if I had I will thank you to send a similar one I will want it as I intend to apply again

Yours Truly
