NOTE TO EDITORS RE: Visit of Senator Edward Kennedy to UC San Diego

I have been informed that press credentials for Senator Kennedy's November 30 visit to the University of California, San Diego will be issued by the San Diego office of the Secret Service.

The Senator is scheduled to speak on national health issues at 10 a.m. on the campus. He will be on the campus for an hour to an hour and a half. No press conference has been scheduled.

Any media representatives holding San Diego Police press credentials should contact the San Diego office of the Secret Service (293-5640) to inform them of an intention to cover the Kennedy visit.

If you have any questions, please let me know. My telephone number is 452-3120.
