NUMBER 156

Last month in environment we learnt about the birds of Paradise. This month we will learn about "The Blue Bird of Paradise."

THE BLUE BIRD OF PARADISE

(Scientific name, PARADISAEA RUDOLPHI)

This is one of the species which is found only in Papua New Guinea and nowhere else in the world.

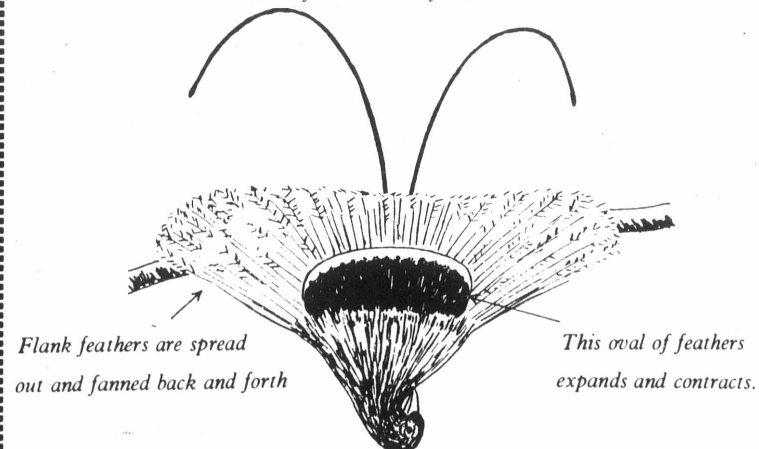

Blue bird of Paradise

As the early morning sun creeps into the misty highlands valley, the Blue Bird of Paradise and his mate wake up and fly through the forest in search of their favourite foods. They hop along the branches draped with moss and use their strong beaks to push aside the bark to find spiders and insects. Fruits and berries complete their morning meal.

Now the sun shines strongly and lights the branches where the birds sit calling to each other and preening their feathers. The display dance of the male is done when he chooses a branch where the sun will perfectly light up his colourful feathers.

Tail feathers move from side to side.

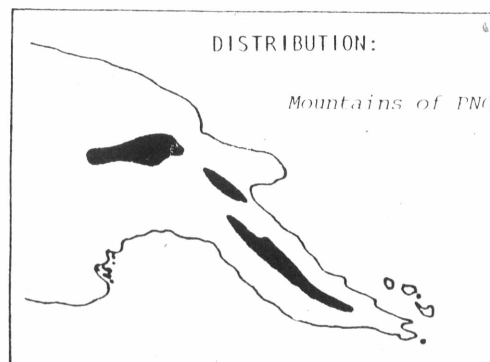

Suddenly he drops backwards and hangs upside down. He spreads out his fine blue feathers like a fan. His wings are tightly closed, his head pointing upwards. The two long black tail feathers curve up above the blue plumes. He sings gently in a soft grating voice and moves his body back and forth like a fan. The colours in his plumes vibrate. In front of his blue flank plumes a circle of black feathers edged in red changes in size and shape as he dances. His eyes are partly closed and a crescent of white feathers above and below the eyes is enlarged. The dance lasts 2 or 3 minutes and is possibly the most beautiful display dance of any bird.

Nests of the Blue bird of Paradise are not often found. One nest discovered was made of strips of pandanus leaves and fibre from palm leaves. Only one egg has ever been collected and measured about 4cm in length.

Here is a map showing where the Blue Bird of Paradise is found. It is a bird of the mid mountain oak forests. It is found at altitudes between 1100m and 2000m in and along both sides of the valleys of the Central Cordillera (range) of Papua New Guinea.

Highlands juniors meet for second trial

Alfred Kaniniba

THE HIGHLANDS Junior Rugby League association will be holding its second trial series in Mount Hagen this weekend.

The trials which will start on Saturday August 10th and will be officially opened by the Western Highlands Premier Mr Philip Kapal.

The teams which will be taking part in the trials will include one team each from Goroka, Simbu and Waghi while Mount Hagen will field two teams.

Co-ordinator of the Junior Rugby League Mr Benson Osil however said Simbu who did not take part in the first trials which were held in June would be fielding a team. He also said that

• A group of Port Moresby junior league players in action.

Wabag and Mendi who are expected to take part in the trials have not given any indication whether they would be taking part.

In the June trials Waghi took out the title and are tipped to take out the second trials again. Osil also

said that during the trials an executive would be nominated for the positions of president, secretary and treasurer for the Highlands Junior League Association.

In the first game on Saturday, Goroka plays Mount Hagen 1, in the

second encounter Tari meets Waghi and in the last game Simbu will play Mount Hagen 2.

On Sunday Mount Hagen 2 play Tari and in the second game Simbu plays Goroka and in the last game Waghi plays Mount Hagen 1.

Moresby to take on Eastern Highlands

John Morrison

THE UNDER 70 annual carnival was held at Henganofi last week with the six provincial high schools each nominating one team.

After each team played two games the two top teams Kainantu and Asaroka played off in the finals. Kainantu won the finals 4-nil after a very hard game.

Okapa provided however the surprise of the day by displaying very good football skills. Consequently a number of players were considered for selection particularly the fullbacks. Ofofi Homile was very impressive with his excellent tackling.

A squad has been picked to play against the National Capital District on August 11 in Goroka.

The National Capital under 70 kilograms team will be arriving in Goroka on Saturday August 10th to play a representative game against the Eastern

Highlands team. The game will be at the Goroka League ground and will start at 1.00pm.

The Eastern Highlands includes: Fullback Ofofi Homile (Okapa) Wingers Tom Ahako (Kainantu) and Francis Benni (Goroka) Centres Hompi Okoroho (Okapa) Andrew

Be fair Kainantu selectors

Dear Editor,

WE WERE NOT satisfied with the team that was selected to represent Kainantu in the Northern Zone Trials.

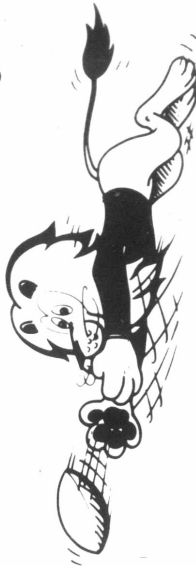

Selectors were not clear who to select and

who to omit. They should have dropped players like Duffy, Darius, Manki Kasena and Aiyuta.

Because Kainantu league fans were expecting Tarangau's Tom Sali, Royals centre

Tama Ben, and Muna A Kila and Mick Matmilo, to be on the squad. We urge the selectors to be fair "Don't bow too much on your drinking mate, mates."

Alene Sikima and Rossy Kapil.

Dear Editor,

Keep it up Tarangau!

AS A STAUNCH supporter of Fletcher Tarangau, I was thrilled with their recent victory over Kool Magani.

With such superb victories we the fans are confident that the

Eagles will enter the grandfinals for the third time.

It is regrettable to hear that Daroa Ben Moide is sidelined when the most vital games of the season are to be played

Obviously it is a blow to the team. Anyway Tarangau, keep up your present form of football.

Moresby fills Southern Zone side

AFTER the Southern Zone trials in Popondetta at the weekend. Port Moresby has dominated the Southern Zone side with 15 play-

ers while Daru has three, National Capital district one and Popondetta one.

Port Moresby proved the better side and just came

out with flying colours over the other centres that were represented at the games.

Southern Zone

The Southern Zone side includes, Allan Aukoa, Kile Ario, Peter Evera, Gesau Gebob, Lawrence Gandhi, Roy Heni, Mathias Kitimon, Mafu Kerekere, Gidieon Kouoru, Tony Kila, Henry Miro, Joe Madidu, David Noifa, Kwapena Vagi, Bernard Waketsi (Port Moresby), Alphones Kei, Sisa Kimia, Paul Pokana (Daru) Anderson Agiru (NCD) and Heni Morea (Popondetta 2).

The coach is Heni Morea and the trainer is Badi Dau from Daru.

While in Lae, Kainantu who made their debut in the

northern zone trials just sailed through unscathed in the two day trials in Lae. Kainantu just managed to keep all its opponents at a fair distance to eventually take out the title.

Northern Zone

The Northern Zone side includes: Julius Casy, Peter Meta, Sam Kawari, Simon Elap, Alphonse Malala, Harry Tambui, Joe Katsir, Andrew Gandhi (Lae) George Kura, Aiyuta Aiyoka, Tura Mauino, Dekot Koki, Mike Matmilo, (Kainantu), Mark Sahin, Gabriel Drom, Augustine Bauba, Willie Waluka, Tony Seet, John Jacob and Bonny Meriba (Madang).

The coach is Peter Barnaga, Trainer Tom McCoy and Manager Gavin Ros

are all from Lae.

The Highlands Zone has also named a team which will be taking part in the zone championships on September 10, 11, 14 and 16 to select the Kumul squad.

Highlands Zone

The Highlands Zone side is: John Koniara, Arnold Tivilet, Dickson Kimi, Bal Numapo (V/captain) Mauwe Kaupa, Ifisoe Segeyaro, Collin Bailiho, Pora Wek, Robert Kubak, Bob Ako, Philip Ralda (Captain), Ken Kemutafe, Brown Sil, Ifisa Wanenga, Joe Tep, Sam Karara, Mol'aba, Homate Paiese and Peter Launa.

The coach is Joe Mugamuga and team manager is Himoni Lapiso.

Rabaul

BALANTAMAN made a mockery out of NGIP Murruks, the defending premiers in Rabaul Rugby League on Saturday when they slammed the door on them to shut them out of defending the premiership crown in the finals of Rabaul Rugby League.

Murruks took an early lead in the first half when Benson Woiwoi and Ford Sahembo went in for their first two tries and a conversion by Captain Paul Manoma. They led 10-4 at the break with Balanataman still looking confident of a strong fight back in the second half.

Balanataman only managed an unconverted try by David Timi who

had an outstanding first half until he was replaced in the last 20 minutes of the second half.

The second half saw some strong defensive football from both sides. Murruks attempted a number of bombs near Bala's try line and they managed to keep the Nonga boys under pressure in the opening minutes of the second half. Peter Jimmy also attempted some excellent line kicks which landed well into Bala's territory. But they could not win the scrums and Balanataman kept running the ball back into Murruks goal line areas.

With about 15 minutes remaining and with Murruks still looking the

champion side, Balanataman then went into business with strong attacking runs by Kesley Tunian, John 'Guran' Polup, Levi Kava, Darius Pamel, and Markus Magel.

Stanis Maidang, Apelis Walia, Ger-son Apelis, Manoma, Jimmy, and Woiwoi tried desperately to keep the game out of Murruks' danger areas, but the Balanataman pack kept on coming strongly and still looked a fitter side on the day. They poured it on in the dying minutes and as a result Kava, and Billy Smith crossed home for their two converted tries. Michael Jerry ensured their easy

entry with long side-line conversion attempts and they snatched the lead 16-10 with Murruks scoring no points in the second half.

The final siren sounded and Murruks kissed goodbye to the premiership crown as they walked out of the field with heads down. Unlike the softball finals in Rabaul where packets of washing powder and washing pegs are normally thrown in to indicate the washing of jerseys and hanging of boots for the season, rugby teams try to do laps of honour after bowing out of the race in these elimination rounds.

Kiunga

In the grand finals in Kiunga this Saturday, SP Country meets Magani. It appears that Country has the edge as they have bigger and stronger forwards led by Prop Thomas Kitaun.

Magani forwards are light weight however, extremely mobile and could cause Country a lot of headaches in open play.

SP Country's backline has greater experience with fullback Michael Pagru. And inside centre Tom Penny can foul up the Magani backline with clever movements.

Magani's backline on the other hand with five eighth Buga laba and inside centre Paul Sisah have a few tricks up their sleeves.

SP Country is tipped to win this encounter but any silly errors and lapses in concentration could allow Magani to sneak in. The game should be a real thriller.

In the reserve grade grandfinals, Magani will meet Waliya. Both are identical with an identical way of playing Rugby League. However fitness will be the deciding factor in this game. The team which runs for 80 minutes will be the winner.

The real winner this weekend will be Rugby League Football and the crowds are expected to see some top class entertainment.

DEFENCE annihilated Brother 64-14 in the main league encounter in Vanimo at the weekend.

Brothers who were without their regular A graders fielded most of their reserve grade players who just could not match Defence's gruelling attack.

Both sides played a tough defensive game but it was Defence's fitter and stronger players who were able to last out for the full eighty minutes.

Best players for

Vanimo

Defence were R. Oa, P. Laho, W. Misina, K. Mon, T. Inne while for Brothers M. Martin, M. Takli, J. Mandari, O. Sapakali and K. Ilau.

In the other games, Tarakum dumped Sea Eagles 36-18 in another tough and rugged encounter. The first half was very tough and saw both sides displaying strong defence.

Tarakum however was able to play pressure football on the Eagles and with

their big forwards Tuka, Wilson and Aio were able to barge their way through the Eagles defence to set up their speedy backline to pave the way for quick tries.

Sea Eagles however played an individualistic game which thwarted many chances of them scoring tries.

Best for Tarakum were, Wilson, Papata, Charles, Alan and Dau while for Sea Eagles F. Kupe, Pia Apisai and Dangu stood out.

Canberra bid for Meninga

Mal Meninga

THE CANBERRA Raiders have officially joined the race for the signature of Mal Meninga — and rumors are strong that Canterbury will be next club on the trail.

As RLW went to press Manly and Canberra had sought official QRL permission to negotiate with the Test giant.

Big Mal's decision to pack his bags and head to Sydney burst as one of the big football stories of the year in Queensland this week.

Canberra are shooting for three big name players next season — and Meninga is at the top of the list.

My investigations indicated that transfer fees or release fees won't stand in the way

of Meninga heading to Sydney.

QRL chairman, Ron McAuliffe, told me neither the QRL or Meninga's club Souths, would stand in his way.

Both the QRL and Souths have the right to charge big money for Meninga's release — in the vicinity of a total of \$40,000. But indications from McAuliffe

this week were that the amount asked for Meninga wouldn't be anywhere near that figure.

As a test player going south, the QRL's new transfer system stipulates that Meninga is worth \$20,000. And the last Souths player to join a Sydney club, Chris Phelan, attracted a QRL release fee of \$17,500.

McAuliffe has always stipulated that players who have served Queensland well over the years and wanted to try their hand in Sydney, would be treated well at the negotiating table.

"Mal Meninga first represented Queensland in 1979 and has done so for the past seven years," McAuliffe said.

Brothers down East in Rabaul league

IN THE main Rabaul league game on Sunday between Brothers and PTC East, Brothers defeated East in a very strong and exciting clash that had the crowd on their toes throughout. East was equally strong in both defence and attack but they were not popular with the referee Taumaku Momoru who ruled more than 16 penalties against them and only 12 against Brothers.

Monoru's control of the game had a lot of spectators and especially PTC East players frustrated.

East suffered from more penalties in the second half and this contributed to their loss generally. A number of clear clean passes which could have easily resulted in tries were ruled as forward passes by the referee. And many spectators at the ground on the day agreed that the game could have easily been East's if the referee was fair throughout.

East registered the first four points when big prop Bolten Pelly barged over wide out for an unconverted try. They quickly increased with a penalty by Petrus Lalio. Brothers replied with a field goal by Amos Warekey to trail 6-1 at the break.

Lalio was knocked over by Jack Paiyo in Brothers' own half and he regained consciousness to pot another penalty for East which furthered their lead to 8-1 until Brothers were awarded a penalty. Joe Panapen easily converted and they narrowed East's lead to 8-3 with about 25 minutes remaining in the second half.

Lalio again made a strong break from a set up by Jeffrey Darius and he shot a long torpedo pass to Tevita Levi on the wing. Levi went through three tackles and set up Mano Pupun who went in for a try. But the referee belatedly ruled a forward pass by Lalio and Brothers were given a penalty which allowed them to find touch some metres into the East half. East again went into attack after the sixth tackle and Lalio made a strong break through the centre but he lost the ball in the tackle and Brothers gained possession.

Joe Panapen was under pressure as he kicked a high ball into East's half and fullback Francis Keta took the ball safely but he was knocked and booted onto the ground by two Brothers players. He lost the ball which the Brothers quickly picked up and went in for a try wide out to narrow the lead to 8-7 minutes before fulltime.

East again went attack and Pelly ran the ball out of their try line areas to set up victor Demas clearly on the left wing. Demas sprinted clear from his opponent, side-stepped two fast defenders and shot through for their winning try under the up-right. But Momoru ruled another forward pass after he was told by a Brothers player that the pass "looked" forward.

Brothers then took control of the game at this stage. They scored another try and a penalty conversion to win 13-8 right on fulltime.

Time for raw young talent

It is interesting to note that selectors will have a wide range of potential Kumuls to select a side from, judging from the selections made in the intra-zone trials held over the past few weeks.

It is also interesting to note that a lot of young talent are making their debut on the representative scene and are actually living up to the expectation of their respective zone selectors.

With sprinkling of older hands in the sides, I believe I am not sticking my head out by saying that we will most likely be seeing a Kumul side which will be dominated by raw talent.

I believe that if Papua New Guinea is to have a formidable side for the World Cup Championships, then this is the time to mould the side rather than relying on old hands. Times change, you know, the obvious thing to do is change with it.

All in all, a word of congratulations to the various zones for staging successful selection trials as well as to those who were lucky enough to get selected. For all those who didn't make it, I hope it gives you reason enough to give that little bit more the next time around.

Latest up date of the Highland rugby League games played on Sunday at UPNG. East Nokondis shot to the lead of the competition with a win over rivals Souths 26-16 and Enga came from behind to stop Simbu from winning 22-18. In the reserves, Souths beat Easts 8-6 and Enga lost to Simbu (scores not available). Easts lead the competition now on 6 points, Souths on 4, Enga, Wests and Simbu on two points a piece.

The K-Ave 8 clubs in Kerema may have been off the track with the suggestion that the president of Kerema Rugby League needs to attend a "refreshment (sic) course on league rules." (Letters to the Ed, RLN Vol 20, July 27). Perhaps there is too much of the refreshment courses and not enough of the refresher courses.

A four-year-old child of a league man overheard his mother talking to her grandmother on the latter's birthday. "Don't worry mum, she said, you're not old - you're only 60." "Goodness, grandma," the child piped up. "You've reached the speed limit!"

Talked about K-ave English! I had the privilege of sitting near a classical source at the League ground on Saturday and the chap really made my day, to make a long story short, short phrases like "Fass the fall" spilling innocently from the gentlemen's vocal chords at regular intervals really had me in hysterics. Infact, let me make it more shorter. For every word with a "P" (as in papa) in it, substitute with and "F" (as in Foxtrot) and you'll know what I mean. Wouldn't it be wonderful to see the faces on the drivers if he was working as a parking attendant and told them where to park their cars?

From down under comes this gem about a former star who ordered a birthday cake for his wife's 35th birthday and wanted these words: You are not getting old, you are getting better, on it. The baker asked him how he wanted the words to be placed on the cake. The league man replied that he wanted the words, "You are not getting old at the top" and "You are getting better" at the bottom. It was just before the cake was about to be cut that he noticed the inscription on the cake read "YOU ARE NOT GETTING OLD AT THE TOP YOU ARE GETTING BETTER AT THE BOTTOM!" It is said good wine matures with age. Perhaps a tip was in the offing.

Finally, all roads are pointing towards the big one and the race is well and truly on for the teams who are facing obstacles in terms of other teams to get there. Remember, a little bit will go a long way. And on that note, all the best in your endeavours.

Cheers,
Jack Metta.

East Nokondis cruising with wins

By JACK METTA

NOKONDI, a legendary figure in the Eastern Highlands folklore is said to be a cripple. But according to legends has been known to perform extraordinary feats despite his handicap.

And like their namesake, the East Nokondis of the University of Papua New Guinea are all-conquering. The side has come through the Highlands Rugby League competition undefeated so far and currently head the points table of the league after four weeks.

Their only rivals Souths suffered a humiliating defeat at their hands in the main game of the weekend on Sunday at the Union oval. The Nokondi's fired from the beginning of the game and never looked back. Infact, their prowess proved the undoing of a seemingly well disciplined Souths line-up and forced them into disorganisation and lacklustre

in their defence.

East had a much better organised backline and this was indicated by the fact that most of their points came from tries through back-line movements. The finals score of 24-16 tells the story of the day. In fact, for most of the game, Souths were limited to four points before desperate efforts towards the end made the score look respectable.

Perhaps Souths' performance on the day could be excused in that two of their best players, Johnson Morowa and Anderson Angiri were in Popondetta for the southern zone selection trials and as a result, the team had to be reshuffled to counter their east opponents.

It did not work as anticipated. Easts had too much power by way of co-ordinated teamwork to force Souths into mistake and kept the pressure on to disor-

ganise their opponents.

The whole East team played an excellent game with Thomas Lapi and Leslie Aigi playing a shade above the rest. For Souths, Peter Pepesi, Sam Kari and Jack Metta tried hard.

In the other game, Enga came from behind to steal the game from their Simbu counterparts 22-18. Simbu in fact had a good lead but sheer determination on the part of Enga in the dying minutes of the game ensured their win.

In the reserve grade Souths downed Easts 10-6 and Simbu downed Enga (score unavailable). This Sunday, Souths will meet Simbu and Enga will meet Wests in the other game.

from the EDITOR'S desk

THE GRUELLING zone trials and the painstaking selections are over. Time for respite is the temptation that immediately hits all.

For those who fall for that temptation, I can only say they have never aimed high enough. They are not fit for the Kumul jersey. The sky and beyond, the first and best should be the aim of every player worthy of the Kumul jersey.

But we cannot achieve that if we settle for the second best.

With the zone teams made, the next thing all league centres will be turning to will be to focus their attention on the zone championships which will be held in the second week of September in Port Moresby.

Of course the zone championships will be a crucial time for all players because the Kumul side will be chosen to represent Papua New Guinea during the championships.

But until then are you able to live up to the expectation which your centre has bestowed upon you?

Maybe some players who were left out, or some distraught fans will dispute your very presence. But one must always remember that "BIG DOORS SWING ON SMALL HINGES" maybe you could be one of those hinges for our Kumul sides.....

Magani makes it to the final

IN THE A grade preliminary finals played last Saturday in Kiunga, Magani come from behind to narrowly edge out A Waliya 10-8.

Magani now earns the right to play SP Country this weekend in the Grand finals.

On Friday night the head coach had a dream and someone asked him who won and he replied, "We did." Well, that was a dream come true on Sunday for Asi Gabo Asiri.

The game was a do or die match with both

sides giving everything possible to put points on the board. The game was so tight that the final result was unknown until the full-time hooter.

The first half was very tight and the only method of scoring points was from goal kicking.

Waliya's plan of marking every Magani player payed off as Magani could not penetrate the strong-as-steel Waliya defence.

Waliya's fullback Steve Rogers Dimagi opened the scoring by kicking a penalty goal to give Waliya an early two nil lead.

But this was soon equalised when Magani's inside centre, Paul Sisah kicked a penalty goal a few minutes later.

Later on in the half Sisah game gave Magani a 4-2 lead when he kicked another penalty

goal. But Waliya's Dimagi soon equalised this with another penalty goal to have the score at 4 all.

Operate A Savings Account Wisely

I have a savings account

I too....

So do I... It's really useful

IN A SAVINGS ACCOUNT, YOU PUT MONEY INTO A PASSBOOK. THE BANK LOOKS AFTER THE MONEY FOR YOU BUT ALSO LENDS MONEY TO PEOPLE WHO WANT TO BORROW MONEY. BECAUSE THE BANK USES YOUR MONEY THEY PAY YOU FOR PUTTING YOUR SAVINGS WITH THEM. THEY GIVE YOU "EXTRA MONEY" CALLED INTEREST

So, whenever I have some money, I put it in my account

You are wise... If you keep the money yourself, you buy things and spend it.

Yes. If you have money with you, sometimes you buy unnecessary things too.

I took K300 on September 29th

K652 - K300 = K352. You had only K352 balance on September 29th

So the smallest balance for September is K352. They will work out interest for only K352.

So, I put in all extra money into the savings account. I take some out when I really need it.

You really USE the savings account wisely!

Everytime you put money into your passbook or take out money from your passbook the teller stamps it and writes how much you have in your account — this is called the balance of your account.

Had I managed for 2 more days... and taken the K300

Then they would have given interest, for K652!

The bank would have given about two times as much for September!

The bank works out the interest i.e. how much extra money to give me, from this balance.

Remember... they work out this extra money every month looking at the smallest balance for that month.

In future I'll be wise in taking out money.

Be WISE when you put in money. Be WISE ALSO when you take out money.

Competition

1. What should you do with all your extra money?
2. What does the bank do with your savings?
3. How is the interest calculated on a savings account?

I don't really understand that... I had K652 on September 1st.

Then you have a balance of K650 on the 1st of September. If you have all that money till September 30th for September they will work out the interest for K652.

Raukele exploits hoods line up

PBS RAUKELE fans turned into comedians when they witnessed their team's powerful hitter Vali Kali playing tirelessly and slugged four beautiful spikes clinching the game for his team in gruelling encounter against Meridien Hoods in the main game on Sunday.

BY KILA NAO

Coach, Kila Oli must be awarded with a credit because of his psychological thinking and also his advise had been well heeded by his men throughout the game.

They fired from the start with powerful hitters Kali, Kila Dick and Vali Kila spiking and blocking defensively won the first set fairly easily 15-7.

The second set saw tight defensive volleyball and ball control

on both sides. Hoods were first to open the scoring with south paw spiker Nelson Kila spiking powerfully to take the early lead. However on the other hand, they have themselves to blame for taking Raukele lightly.

Their performance did not reflect the usual "Mona" style of play that has brought them to the top race. A lot of spiking chances went begging. During vital moments in the second set the whole side was disorganised and did not settle down quickly to catch the "plumbers and building suppliers."

Hoods replacement, veteran Karona Augerea tried to make the chances alive for his side but his concepts did not work as the scores at that stage was 14-3 in favour of Hoods.

But the Raukele's bluebird, who tried exceptionally hard all through the match, sealed the game for his team with scores at 16-14 after the end of play.

In the early game Sunkaro received a shocked defeat when Defence outclassed them two sets to one. And in the game KAK Raiders defeated them to the top race. A Saturday University dumped Kauka two sets to nil.

And in the women's encounter University thrashed Sunkaro in the main clash of the weekend with two sets to nil. Both teams displayed classic style of movements and co-ordination and in the early match Defence defeated H/Rangers.

While in the games on Sunday Barlow Gerehu forfeited to

Kauka, Hoods forfeited to Manubado.

In the main game KAK Raiders could have fought back strongly to jump back into the race if they hadn't appealed committee.

against the deflated ball at which the match was called off.

There will be a replay when a decision is made by the draws committee.

Major upset in Tabubil

by Florian Dati

COMPETITION leader and the undefeated Tabubil soccer team, Haus Bilas Guria was not at it's best form on Sunday when it went down to Chauka.

Guria's performance was not their best which resulted in the big loss. Chauka's dangerous striker Patrick Matherson ran rings around Guria's defence to score Chaukas three goals.

Chauka led two nil at half time. Haus Bilas Guria made several attempts to narrow the goals margin in the second half. However, they never found Chaukas net as striker Joel Yawing and Alex Danti either sent the shots wide or easily shot to the goal keeper.

Chauka's defenders Michael Papi and Joe Pangirut were at their best and were assisted well by mid-fielder Clay Kuwoh.

Haus Bilas Guria, on the other hand, used to have the best defenders and midfielders but were not in the game from the beginning to the end. Team coach Mac Ongapa, Pius Taboa, team captain Terry Brown, and John Konido at midfield tried hard all day.

Guria definitely missed services of big striker Robert Kasuwos.

Richard Kereu, goal keeper for Chauka was in his best form and saved several possible goals.

Chauka lived up to their word for sweet revenge, after falling to Guria on two occasions, and they took control of the game from start to finish.

Guria, as usual knowing that their defeat was inevitable played extra hard as true sportman to the final whistle.

In another upset, Kunta out played Royals by winning two goals to nil. Kunta played attacking football which had Royals confused throughout the game.

Royals known for their fast play couldn't apply their style as Kunta again and again attacked in all departments and confused the Royals team. Royals without a couple of key players couldn't control the ball applied their own style to go down to Kunta.

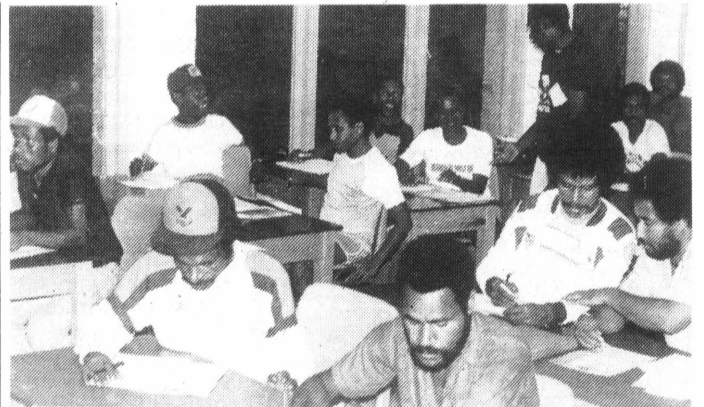

Fourth match

Lutheran Youths had to much experience and power to convincingly defeat Oksi 6-2. Oksi scared Lutheran Youth on several occasions with their fast attacking soccer which made the Youths defending at times on several occasions.

Led by tall Youths defender Gou, shorter Oksi couldn't get past the team to complete several good striking moves they made at the goal mouth.

In the first match, Idmond outclassed Kumin to win 2 goals to nil.

Tabubil Soccer associations have selected a twenty two man squad to undergo training to participate in the curtain raising match against Moresby select side during the main soccer match between PNG and China in September.

● Some of the participants at the referee's course.

THE PORT MORESBY Soccer Referees Association has just ended a course for the level 3 referees this week. And out of the 26 participants 24 passed the level 3 exams. The course which started on 6th June ended on the 1st of August.

Out of the total 26 participants, there was only one woman who attended and she did well in the course.

These series of courses were started four years ago and the few women who attended did not do too well. There were two courses conducted in 1982 another two in

1983 and one was conducted last year.

Out of the participants of the previous courses there are only two who are active referees today.

This course which ended last week was very successful as 6 clubs in the city sent more than one participant. The teams who sent representative were PTC, Rapatona, Tarangau, Yabwau, Katumani, Batu, Blue Kumuls, LSC, Wetpac GFC, Mokawa, Momase, Togelu, and two individuals.

Jerry Kalo scored the highest marks in the exams.

It is up to the participants who have com-

pleted the course to decide on taking up referring full time as many of them are also playing in their respective teams.

For those who are interested in taking up refereeing, the affiliation fee for the Port Moresby Referees Association is K25.

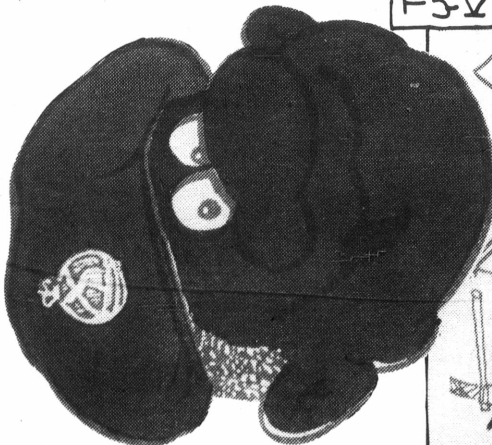

The current referees rates for officiating during a match is K8 for the premier division and K6 for the lower grades. The uniformed linesman get K2 each however these rates will be reviewed later. The Port Moresby Referees Association does not have any authority over games refereed outside the Bisini Park.
