My dear Mr. Mathews:-

as follows:

I enclose cheque for \$53.60 to be applied

\$ 3.60 in payment W.J.Barlow water bill for July. 50.00 on a/c of Earle Orchards Co's water bill.

I thank you for your kindness in this matter, and will endeavor to keep closer watch next time. In fact, will try to give you another cheque soon after the first of the month on my own account.

Yours very truly,

1070 Laurel St., San Diego, California, 6/30/14.

The Cuyamaca Water Company, 916 - 8th. St., San Diego, California. Gentlemen:-

Replying to your recent favor, I hand you herewith my cheque for \$50.00 to be applied on the account of the Earle Orchards Company, Lakeside. I do not know anything about M. W. Mason's account, as Mr. Mason is not living at Lakeside and I do not know where to find him. As his account is a small one, I presume he would pay it promptly if it were brought to his notice. I am under the impression, however, that Mr. A. E. Kinney of Lakeside is looking after Mr. Mason's place, and would suggest that you communicate with him.

I will endeavor to send you another cheque on my own account promptly, and will clean up the balance due just as quickly as possible. The property will again be producing within two or three months.

Very truly yours,

Gentlemen: -

Lakeside, Cal.

Please be adiveed that our books show that there is a balance due this Company on water bills of \$291.30 and that in addition there are penalties for 12 months. for non-payment of bills at 25 ets per month. making a total of \$294.30.

It is not the intention of this Company to be severe on any consumer and we are ready at all times to extend any reasonable accommodation.

Can you not make some arrangements to take care of this amount?

Very truly yours.

On August 21st we wrote you asking for a check on account and since then have heard nothing from you.

Unless we receive a remittance from you of at least \$150.00 on or before September 20th, we shall be compelled to have your water shut off. I enclose herewith cheque to cover the Barlow, Lakeside, water account.

I have been expecting funds each day from which I could make payment on the Earle Orchard Co's account, but nothing has arrived to date. I have wored East that funds must be sent immediately and am now awaiting answer. In view of my recent conversation with Mr. Faude, I am deeply regre of the delay, and can only assure you that the fault is not mine. My finds from the East are long over due, but, as you doubtless know, collections are now difficult at this time. I shall send you a cheque just as soon as funds arrive.

We have your letter of October 19th stating that you are unable to make payment on your water bills.

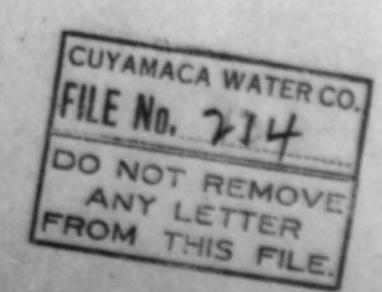

Can you not make payment for at least one month's bill at the present time, and as soon as your funds arrive from the east make a further payment on account. This is in no sense an attempt to crowd you in any way, but the request is made from the fact that this Company is in urgent need of money for the payment of operating expenses and wages.

We trust that you can see your way clear to make payment as we suggest.
