### REVELLE COLLEGE TO STAGE RENAISSANCE FAIRE APRIL 18

The excitement and pageantry of Elizabethan England will be recreated at the University of California, San Diego, from 11 a.m. to 4 p.m. April 18 on the south lawn of the Galbraith Hall, Revelle College. The public is invited.

The 13th annual Revelle Renaissance Faire, held in the past in conjunction with UCSD's Open House, this year is being staged in conjunction with "Admit Day" for prospective students.

An entirely student-run production, the Renaissance Faire includes fencing demonstrations, jugglers in armor, and musical performances throughout the day.

A marketplace will offer handmade crafts by local artisans, including clothing, bronze wind chimes, pottery and jewelry. Hearty food and drink will be available.
