FOREIGN EXCHANGE 3

In the last two weeks you learned how to change kina into foreign currencies. This week you will learn how to change certain foreign money into British pounds. Large banks set the rate for changing money of one country into the money of another country.

Foreign Money System And Exchange Rates

(Country)	(Units Of Money)	(Kina)	(Sign)	(Exchange Rates)
PNG	100 toea =	1 kina	(K)	K.2185 = £1
United States (US)	100 cents =	1 dollar	(\\$)	\\$2.07 = £1
Spain	100 centimos =	1 peseta	(Pts)	Pts 137 = £1
Sweden	100 ore =	1 krona	(Skr)	Skr 8.81 = £1
Greece	100 lepta =	1 drachma	(Dr)	Dr 78 = £1
Great Britain (UK)	100 pence =	1 pound	(£)	

Examples of changing money from British (UK) pounds to money of other countries.

Example 1: Using the exchange rates above, find the Swedish Krona equivalent to £30.00.

Answer: £30 = 30 x 8.81
= Skr 264.30

Example 2: A tourist changes travellers cheque for £80.00 into Spanish money at 137 pesetas to £1. He spends 2500 pesetas and changes the remainder back into pounds at 136 pesetas to £1. How much does the tourist receive?

Working:

1st Change pounds to pesetas
£80.00 = 80 x 137
= 10 960 pesetas.

2nd. Find money spent and money remaining
money spent = 2 500 pesetas
money remaining = 10 960 - 2 500 pesetas
= 8 460 pesetas

3rd. Change Pesetas back to pounds at the rate of 136 pesetas = £1
Pts 8 460 = £8 460
= £62.21

Answer: The tourist receives £62.21.
You should be now familiar with changing money from one country into the money of the other country.

Activity:

- Using the exchange rates given above, find:
- The number of US dollars equivalent to £15.00
 - The number of Swedish krona equivalent to £75.00
 - The number of kina equivalent to £119.00
 - A transistor radio costs £26.50 in Britain. A tourist from Greece wishes to buy it. He wishes to pay for this in Greece drachma. What is the equivalent of this amount in drachma?
 - Below are two lists of names. On the left side is a list of countries. On the right side is a list of names of money. Draw a line from the country to the money that they use. Some of the countries were talked about in the last two weeks.
- First one is done for you.

MATHS

1. Look at the picture given below. It shows the stages of building up a TRIANGULAR PATTERN.

Oranges, limes, apples, etc. could be piled, one layer on the other in this pattern.

Look from the top and you will see something like this:

An orange seller can have pleasure in piling his oranges in this pattern.

1 1+3 1+3+6 1+3+6+10

The base has 10 oranges. You can work out the number easily and quickly by adding the number in each layer:

$$1 + 3 + 6 + 10 = 20 \text{ oranges}$$

How many oranges altogether if the pile was increased by one more layer at the base?

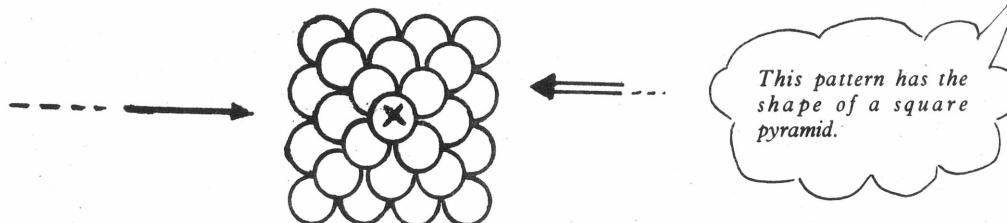

Answer: $1 + 3 + 6 + 10 + 15 = 35$ oranges.

$$\begin{array}{r} \nearrow \searrow \nwarrow \swarrow \\ +2 +3 +4 +5 \end{array}$$

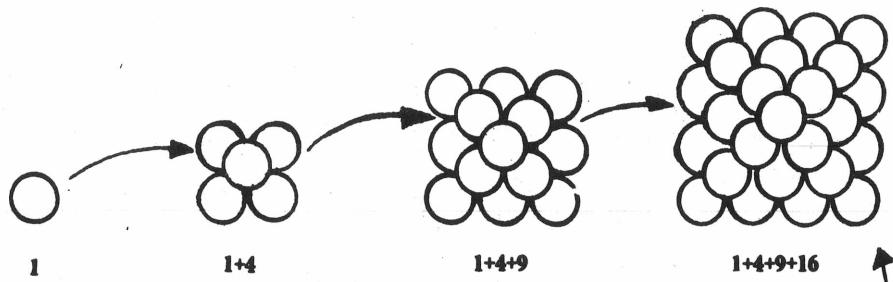

And he need not COUNT to find how many he has. He can use a short way!

2. The orange seller can also pile his oranges in the shape of a SQUARE PYRAMID.

You will see this pattern when you look down from above x.

The oranges can be piled on top of each other, layer by layer as shown.

On the base of this pile there are $4 \times 4 = 16$ oranges.

He can work out the number like this:

$$1 + 4 + 9 + 16 = 30 \text{ oranges in the last pile.}$$

If the oranges on the base were increased by one layer, how many oranges will there be in the pile?

Answer: $1 + 4 + 9 + 16 + ? = 55$ oranges.

$$\begin{array}{r} \uparrow \uparrow \uparrow \uparrow \\ 1 \rightarrow 2 \times 2 \rightarrow 3 \times 3 \rightarrow 4 \times 4 \rightarrow 5 \times 5 \end{array}$$

NEWS

Season 84 Issue Number 21 — 22nd September.

Northern Zone giant prop, Iosefa Falaniko, positions himself perfectly for a pass despite the attention paid him by his Island Zone opponents.

Panthers set in Madang

THE strong forwards in Brothers lineup will use their weight and strength to envelope the highly fancied Panthers over in Madang this weekend. But there is a greater chance that Panthers will leap away with a big margin to win the grand final.

Panthers backline is the strongest and the fastest in Madang competition. While you have Kumul's five-eighth Tony Seeto to get the ball in full play, Willie Waluka, Willie Bagore, Henry Kamilus and Nick Deilala will make the ball work at scoring.

Brothers captain, Dick Moiga has prepared his boys to take the match with everything they have for the last game.

Dick Moiga says, "We will play a defensive game and we hope to tackle Panthers out of the match. Captain Dick Moiga is the danger man in Brother's file. A lot of things will depend on him plus forwards Joe Tep and Joe Paga.

Panthers said they

will win the game and that it will be a one side affair. Panthers coach Lawrence Kramer will be taking his team for a two night camping clinic.

Coach Kramer has decided to take defence training seriously. He said, "We will win our match through good defensive play. And that is why I believe in giving more instructions to my boys for putting up the best defence in the game."

Madang league is hoping to use a referee from Port Moresby to officiate in the big match. Ray Steward will be the first bet. But Steward said last Wednesday, "We have not heard of any official call from Madang for a referee."

Whatever

happens, Panthers will be out to get Brothers on the neck. If Brothers make a slight mistake in the game, Panthers may go all the way to score 50 to 5. Brothers have the potential to hold Panthers to a draw also if their defences click.

Panthers are current Madang competition leaders. They are minor premiers and their fight will be twice as strong when they meet Brothers in the final match of the season.

However, Brothers captain Dick Moiga said, "Even when they are competition leader, we will give them a hard run for the prize. If they win, it will be by a very small margin."

Heterington, tips Panthers.

Final zone trials — seen from sideline

THE zone trials as seen from the sideline could be described in many ways depending on whoever discussed the pattern, and what they want to see in the matches during the two days competition.

But then, many will talk about the obvious things with pride or anger or most of the time, with uncertainty. Because the competition was a fair display and organisers must be proud to run a good show this year.

However, the attendance was shocking. It is a real disgrace to see the final games of the '84 season and not only that, but the greatest inter-region performance in rugby league in the country, watched by a third or so, of Port Moresby's league crowd in the two successive days. About 5,000 attended each day.

Why did that happen? I'll describe the lack of genuine attendance, but I'll split that three fold.

The increase of gate fees for the games at Lloyd Robson Oval may well be one cause. The stands which people normally paid K1 for, rose by a 100 per cent more in value and so did the K2 platforms to K4 per head. Money talks these days, and for many, money does not come easy thus they could not enter without that kind of money.

Most of the league fans are young lads who liked to become league stars one day and therefore would get money anyhow anywhere to go to the ground, but for many, K4 was too much.

Secondly, many other things beside the league zone championships occurred over the Independence Day celebrations and league fans have been forced to divide. The Basketball championships were held in Port Moresby, and the main celebrations for the occasion at various other areas in Port Moresby also magnetised a good crowd of their own, again splitting league fans.

Thirdly, it seems that the whole league zone championships did not have the fire. As William Kinjibi, Mt Hagen league President puts it, "Moresby people are not interested in the trials. They do not care. But if it was up in Hagen, the whole league ground will be filled to the capacity and there will be more still with money, but lack of space in the field, standing outside the gates."

Anyway, in the interest of rugby league, let's hope next year will be a great season for league in PNG. Hope Bougainville and other disaffiliated bodies could see eye to eye with the PNGRFL and make the great PNG inter-competition a better day for the nation.

Southern holds twin victory

Southern Zone scored a double victory over the weekend when both their junior and senior teams emerged victorious from their respective trials.

Southern Zone edged Highlands on percentage after the two sides had won two games out of three in the round robin competition held in Lae over the independence weekend.

Southern Zone notched up 28 points for and conceded 24 points while Highlands piled 38 points for and 34 against.

Only Northern Zone had prevented Highlands juniors from making a clean sweep at the trials. Highlands kicked off the tournament with a bruising win over Southern Zone on

Friday night. The score being 6—2 in favour of the Highlanders was good in test for the strength of the two traditional rivals.

While Highlands went on to defeat Islands 18—16 on Saturday, Southern made amends with 14—10 victory over Northern. Northern had also lost to Islands Zone 10—18 the previous night. Then came the deciding clashes. Southern defeated Islands 12—8 while in the main game, Northern was way out in front in the first half leading Highlands by 10 points to nil.

Had it not been for the grim determination by the Highlanders, Northern would have had the game wrapped up midway through the second half.

Burst And Brains Crushes H.Z.

It took only one man to think straight, fake moves, stretch, over like that ... and complete Southern Zone's moment of happiness.

Benny Bogg

The most needed try for Southern Zone came five minutes before the full-time siren as Clement Mou exploded from a God sent moment seven yards from the Highland Zone tryline.

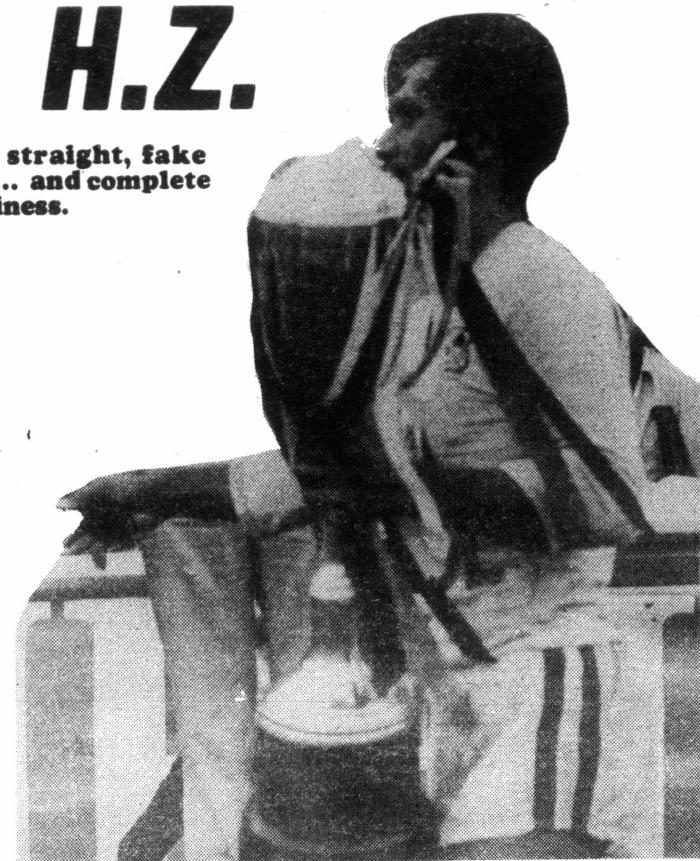

That is all it took ... a few quick short bursts punctuated with side steppings and mastered with great thinking by Mou raised Souths from two down to Highlands, to collect four vital points. And with the success of his own conversion, Southern Zone grabbed the Danny Leahy trophy. The second time in line.

The match was hard fought. Highlands' John Joseph, Pora Wek, Robert Kubak, Fleming Asorifa and Bal Numapo gave no quarter and took none from the Southerners. Young

Kubak's defence busting gallops and Pora Wek's ground making skills pointed to Highlands Zone for the victory. However, silly moves from both the Southerners and the Highlanders threw the course of football into a stalemate before Clement Mou saw his try and nurse the ball through the posts for a two points claim.

Free flow of ball did not come from Highlands play and that could well be one of the reasons for their slight fall. Many tries which could have been scored for Highlands in the first half went crying. No backing up play also pulled Highlands down.

However Highlands played four games in the zone trials, lost the grand final but won all others. In July 14th and 15th, Highlands defeated Southern Zone over in Lae, 18—4. Again High-

South's captain, Tara Gau with the Danny Leahy trophy.

land defeated NGI Zone 44—10. Over in Port Moresby, Highlands defeated Northern Zone on Saturday 15 Sept, 33—17 while Southern Zone won against NGI Zone 30—18. Northern Zone trashed NGI Zone 74—6 on Sunday.

Sounds easy but it was not. It was the battle of the fittest.

The spectators saw otherwise. They blame the match referee, Graham Ainiu for Highlanders loss saying he was one sided. Stones, sticks and bottles flung to incite physi-

cal violence were the victory salute from spectators to the joy filled Southerners as they made a half oval lap with the trophy and so ended the big day. No one was reported abused around the league ground. So all is well that ends well.

Islands misin link

Island zone gave the eventual zone champions, Southern, a big scare on Saturday when they led 12-nil in the first stanza.

Scoring three beautiful tries to none against, Island zone, looked set to pull off an upset only that they forgot the brand of football they displayed before the half time-siren.

Their defence in the first half soaked every wave of attack elicited by the Southerners during which they produced their best attacks ever to come from them in the tournament.

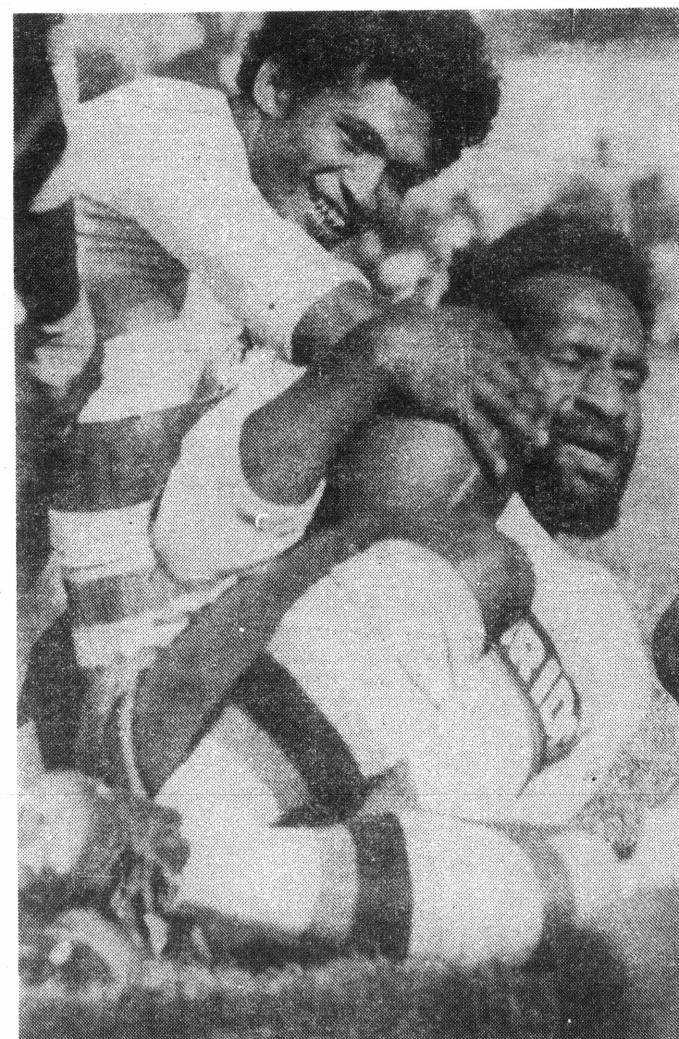

However the difference in big game experience told in the second half when Tara Gau's boys began throwing the ball around a lot more and the Southern forward increased their momentum.

That was when the absence of the Bougainvilleans began to show in the Island zone forward line.

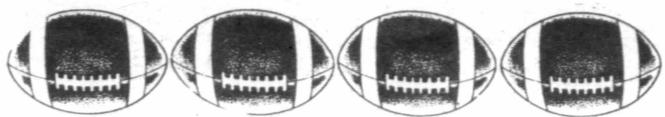

Again Clement Mou's speed was called upon to settle the differences and once Southerners had succeeded in checking the Island zone moral there was no stopping them as they piled on 30 points in the second half, only conceding a converted try in their come back bid.

Twelve players took the field on Sunday for Island zone, against Northern. And when Iosefa Falaniko had scored the first try after brushing aside several half hearted tackles, Northern were home and away.

Northern's massive 74—6 hammering of Island zone goes yet to indicate that Southern and Highlands will soon be troubled by the zone which has produced the champion club of Papua New Guinea and has come near to breaking the holds of the two traditional greats.

• Southern Zone centre Greeny Mea lets a sight of relieve now that Highlands forward Alois Jeffery has been contained.

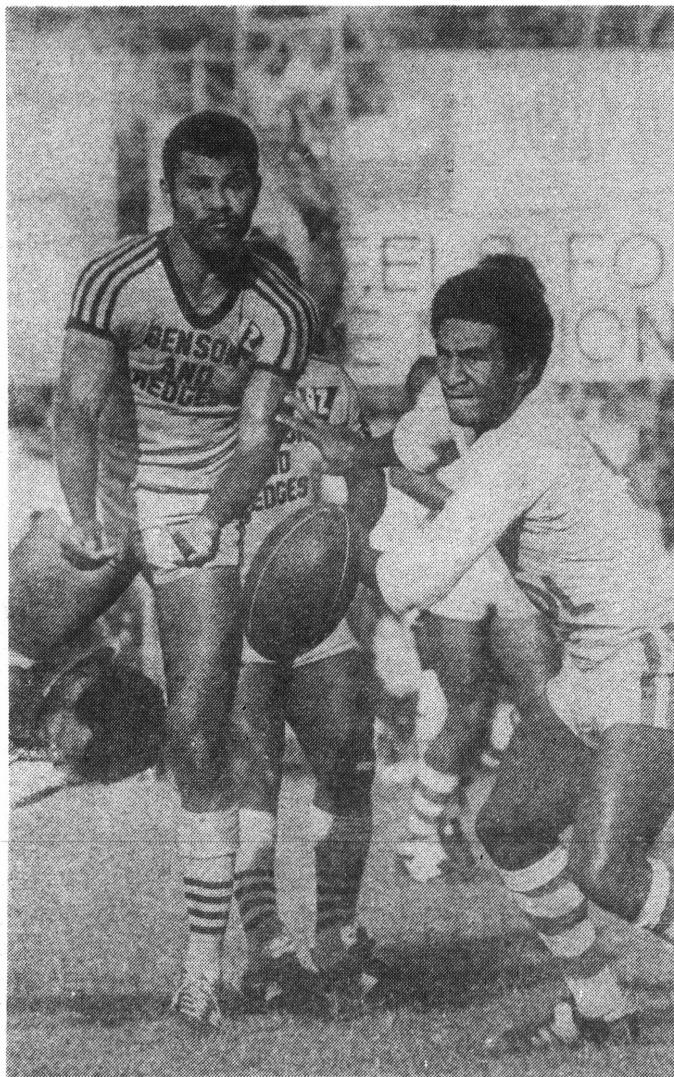

Southern Zone

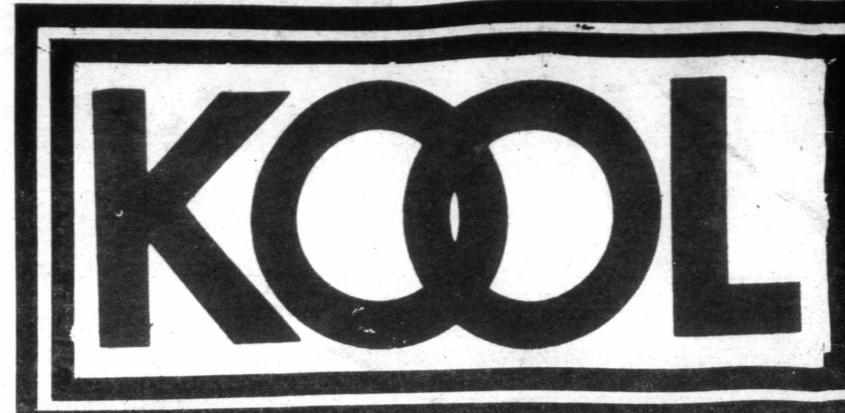

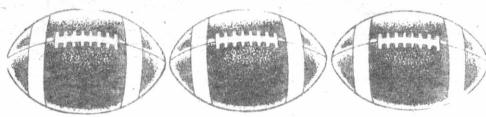

The souths have done it again, the second time in a row. But they have always been fighting against Highlands Zone and the story does not have to be exaggerated. The moment of truth has been; has come; will it come again in the next season? That is the question with which Rugby League News is closing its pages. Good luck next season!

Islands Zone

Islands — our colourful people have not shown their insides too much lately. We will soon see their true colours. Strong and macho as they look, they play football to that standard. But to be robbed of their natural regional right to play with brother North Solomons, they become weak. Not a sorry sight, because they do not want to be called the pity lot. We have the makings of best footballers in our part of the region. We will be back. We won't cry next season!

Highlands Zone

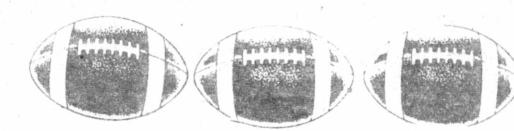

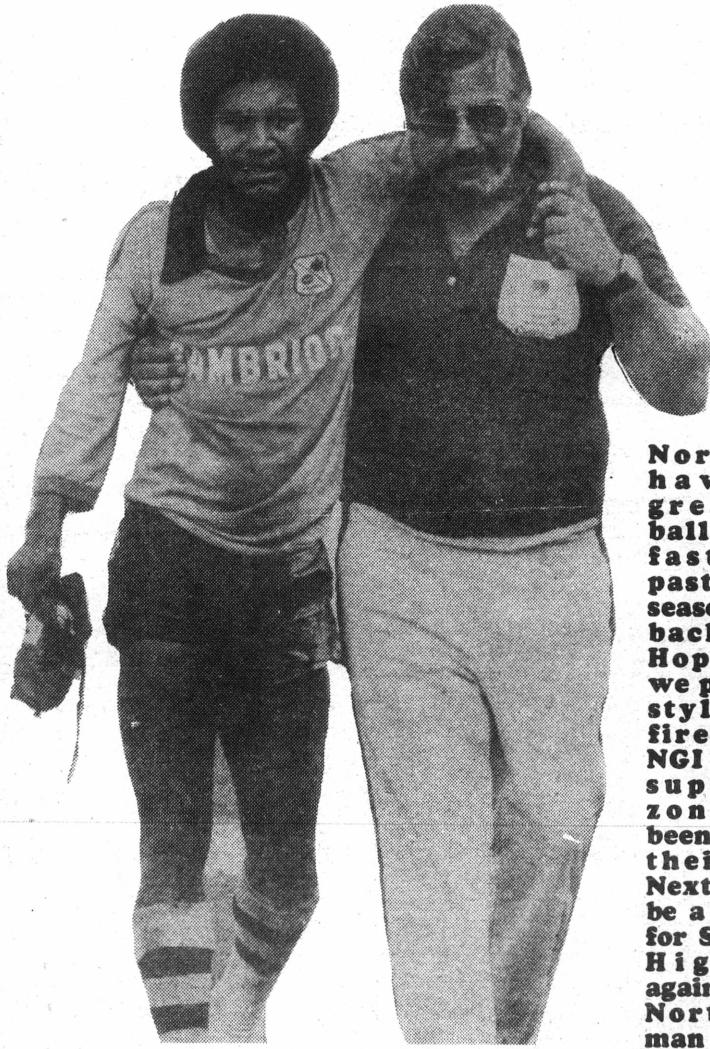

Highlands, the King of the Greatest Game of All — We like to say this always, but Souths have proved to be

kings this year again. Back in our own villages now, competitions will be held against surrounding vil-

lagers. "Taim bilong bruk bun stret! We shall be back in the inter-region competition. Victory in the next season!"

Northern Zone

Northerners have been great footballers in the fast fading past. But this season they are back to stay. Hopefully so we pray. Their style of play fired against NGI Zone was superb and zones have been watching their moves. Next year will be a hard time for Souths and Highlands against Norths. North lands man are brave and strong. Young in heart with strength untold. We'll kill next Season!

The National Coaching Scheme 1984

Keith Collins
Papua New Guinea Rugby League National
Coaching Director

For Papua New Guinea, sport is a way of life, as national coaching director, of a particular sport, I know this is true.

On the coaching scene. Because of the response to each and every course, in rugby league coaching or refereeing during 1984, the sponsors Rothmans of Pall Mall PNG Pty Ltd and South Pacific Brewery Holdings Ltd, are to be congratulated for sponsoring a scheme that takes sport to the people. The PNGRFL decision to implement the National Coaching Scheme at this moment in time, has been justified, by the

support given to the scheme in 1984, by Leagues throughout the nation.

January saw the first course being held in Goroka, then it was Kieta-Kavieng-Kimbe-Mt-Hagen-Bereina-Madang-Ramu and Port Moresby. Port Moresby had two courses. Goroka at the National Sports Institute has been host for eight courses, two referee, two Level 1 Coaching and four Preliminary coaching courses in rugby league.

Also at the National Sports Institute, the students from the Goroka Teachers College, who are completing their Physical education training, prior to entering our school

system, as physical education teachers, are all completing courses, in rugby league coaching at Preliminary and Level 1 standard, Year 2 students will also sit for the rugby league referee exam.

The benefit to rugby league from these courses, have been Referee courses, 58 people - Level 1 Rugby League Coaching, 49 people - Preliminary Level Rugby League Coaching, 305 people. Add to these figures, the 58 students from the Goroka Teachers College, who will be accredited, and with still one course to be held in Alotau, there are 480 coaches and referee's who will have progressed

through the Coaching Scheme this year. This will give the National Coaching Scheme, a solid base to work from, and continual follow up courses should assure the success of the scheme, and the continued growth of Rugby League in Papua New Guinea.

There has been a lot of hard work by a lot of people to achieve this result with Rugby League officials, Provincial Recreation Officers and individuals making an effort to attend courses. Special thanks to Barry Middlemiss, Kieta, Roger Dixon, Lapok Manoa P.R.O. Kavieng. Peter Humphries, Leo Silabu P.R.O. Kimbe. Joe Mugubuga Mt Ha-

gen. Andrew Aoka N'gu'u, Peggy Iamo P.R.O. Bereina. Kariva Hariveta, Joe Buka P.R.O. Madang. James Guler John Saret, Ramu, Jeff Wall Port Moresby, Staff of the National Sports Institute and Polaiap Kisokau P.R.O. Goroka.

Australian referee Nick Best who conducted the referee course at N.S.I. at the invitation of the P.N.G.R.F.L., for his vision and foresight in having the "Kumul" squad complete their Level I, coaching accreditation prior to the test match against the Great Britain Lions.

Woo Textiles and Wriggley's P.K. Gum, for their support of the Rugby League Clinics, that have been conducted in centres where coaching courses have been run, these "clinics" are for youths 12 years to 17 years. They are run by the Coaching Director and the coaches who have just completed their courses in each centre. The largest of these clinics was at Mt Hagen, where 250 youth took part. Over 700 youths have taken part in clinics this year.

School Boy rugby league in Papua New Guinea is on the move. The encouraging work, being done by Geoff Richardson, Director of school boy rugby league, in Port Moresby, and in the Highlands Dema O'Toole, from Henganofo, has made great progress during 1984. School teachers are making an effort to help. There have been 49 school teachers who have completed coaching

courses, this along with the Teachers College students, will be a great asset to our school boy rugby league.

Coaching at senior level! Yes we have very good coaches, who are prepared to spend time studying the opposition. Coaches must remember that players need help, it is a team game. The coaches interest and guidance is needed by his team at all times. Be constructive, basics are the best foundation to build your coaching career on.

The National Coaching Scheme is structured so as to reinforce the experienced coach, to give correct training to people who wish to become coaches, or to increase their knowledge of the game of rugby league.

It is a system where you can be accredited for the knowledge you have, and it gives you access to knowledge you may find useful in the future.

Rugby League over the next ten years, is gearing up for enormous steps forward. Rugby League in Papua New Guinea is more than coast to coast. It ranges from Vanimo to Manus to Kavieng to Kieta to Alotau to Port Moresby to Daru to Kiunga and all rugby league centres inside the boundary. There is no sport in any nation in the world, that can boast that exposure.

The Cambridge Rugby League National Club Competition which is being discussed by the P.N.G.R.F.L. has the potential to develop into a nationwide competition that would have no

peer in world sport. Sport brings people together in friendly competition, it is a worth-while national goal, let us all get on with the job.

But, let us remember, that every coach or referee that has been accredited, is of no value to the game, unless he or she endeavours to put back into the game what they have learnt.

Rugby League is a game that either team can win, that is what brings people to watch. It is the uncertainty of sport, it is the joy of watching a fit athlete perform, under the pressure that a team sport generates.

The National Coaching Scheme, with the support of its sponsors, Rothmans of Pall Mall P.N.G. Pty Ltd and South Pacific Brewery Holdings Ltd look forward to 1985 as an opportunity to work harder for rugby league and consolidate the work completed in 1984 for "The Greatest Game of all."

26 SANDE BILONG YIA
30 Septemba 1984

Long gutnius bilong tude (Matyu 21: 28) Jisas i stori nating long tupela pikinini bilong wanelala fama. Em i salim tupela i go long gaden wain bilong em. Wanelala i tok yesa tasol em i no go. Brata bilong em i tok "nogat" - tasol bihain em i go long wok.

Jisas yet i wokim dispela stori; em pasin bilong em bilong skulim ol pipel. Em i wokim dispela stori nau bilong skulim ol Judaman i sanap nabaut na ol i gat namba na biknem. Oltaim - inap tude yet - ol Judaman i save hambak long ol pikinini bilong Ebraham ... na God yet i bin makim ol Juda i olsem spesel pipel bilong em. Dispela i min, bai ol i no mas hatwok long kamap long heven Sampela i ting olsem.

Nau Jisas i laik toktok stret long ol. Em i tokim ol olsem: toktok nating na nem nting em i no save winim heven. Pasin bilong yu bai winim heven. Yesa tasol i no opim dua bilong heven pasin bilong yu i opim.

Nau em i sutim ol stret na i tok: "Mi tok tru long yupela, ol man bilong kisim takis na ol pamukmeri bai go insait long kingdom bilong God paslain long yupela." Bilong wanem? Bikos pastaim ol i bin givim baksait long God, tasol bihain ol i tanim bel na kamap gutpela man na meri Ol i olsem dispela boi i tok nogat tasol bihain em i go long wok

Dispela liklik stori bilong Jisas i min olsem: yu no ken ting heven em i wanelala samting yu ken kisim nating bikos yu Kristen, o bikos yu kisim baptais pinis, o bikos yu bilong wanelala lotu. Nogat. Heven em i wanelala samting yumi wan wan mas winim.

God i no bin askim yu pastaim long em i salim yu i kam long dispela graun. Laik bilong em, na yu kam pinis. Tasol i narakain long go long heven. God bai no putim yu tasol insait long heven. Nogat. Yu yet — wantaim helpim bilong God — yu putim yu yet i go Yu redim rot long gutpela pasin bilong yu, long gutpela sindaun bilong yu. Tasol ol dispela samting i fri. God i no putim hevi long yu

Stori bilong tude i pointim planti yumi

Kristen tu. Planti yumi i stap insait long Sios, na yumi bin tok yesa long God long taim bilong baptais. Tasol inap nau yumi bin mekim wanem samting bilong winim heven? Ating liklik nating tasol.

Nau mi ting long wanelala man bipo em i memba bilong palamen. Bipo em i gutpela Kristen tisa na i bin trenim planti pipel long kisim baptais. Mi bungim em wanelala de na mi askim em olsem wanem na nau em i gat tripela meri. Em i bekim tok, "Yes, i tru. Tasol, yu no ken wari mi gutpela Kristen ... Yu save, em i pasin bilong mipela bikpela man, mipela i mas gat planti meri. Em i kastam bilong ples"

Na mi askim em moa, sapos sampela taim em i go long lotu na em i tok, "Mi gat planti wok nau. Mi mas raun planti na toktok wantaim ol pipel. Na mi mas kisim win long Sande Tasol yu no ken ting bikos mi no kam long lotu, mi no Kristen. Nogat tru Mi Kristen; mi bilip"

Sore! Kain man olsem i pas long namba wan hap bilong stori bilong Jisas. Pastaim em i yesa ... na bihain em i painim narapela rot tasol em i no rot i go long heven.

Long ol taun bilong yumi, na long planti bikpela skul tu yumi lukim planti yangpela Kristen ol i skin Kristen tasol. Ol i gat nem Kristen tasol ... Ol i no marit, tasol ol i karim nabaut pikinini. Sampela i sem long kam long lotu. Long gavman potnait bai hamas bilong ol i spka, na long tumora ol i no inap kam long lotu? Hamas i kalap marit? Hamas i kamap raskol stret? Em hia ol manmeri i bin tok yesa long God pastaim.

Long narapela ples Jisas i tok olsem: "I no olgeta man i singaut nating 'Papa. Papa' bai kamap long heven. Nogat Man/meri i bihainim laik na tok bilong mi, em bai kamap long heven."

Heven i no save kamap nating longhan bilong yumi, olsem hap winmani Nogat. Yumi mas taitim bun bilong winim heven. Yumi no ken drip nating ... bai tait i kisim yumi i go daun tasol i no go antap. Bilong go antap, yumi mas pul ... o yumi mas wokabaut, o yumi mas fail.... Laik bilong wan wan.
