

The UCSD Program in Technology and Entrepreneurship

SEVENTH ANNUAL SPRINGBOARD LUNCHEON

Augustio 200 / 11:00 a.m. 2:00 p.m. I Litton la Jolla Torest Pire

SPRINGBOARD is a year-round program of CONNECT, the University of California, San Diego program in technology and entrepreneurship.

It has helped over one hundred San Diego entrepreneurs distill their business ideas into viable, fundable ventures.

The Seventh Annual Springboard Luncheon on August 10 will showcase a select group of this year's Springboard participants, as they present their business concepts and funding requirements to San Diego's business community.

We hope you can join us.
