Feb. 1985 - 10:00 AM Ulay Mesa

- I was picking celery when I saw B(P) approaching. I didn't run. I was arrested and held for 3 days, I signed on the first day for voluntary departure. But not released until the third.

STAPPED  
SEARCHED

I was also extensively questioned on how the [REDACTED] kid us and let us know that B(P) was coming.

I felt that I was being forced to ~~tell~~ tell them that we were being warned and he wanted me to tell him how, and about a radio. I told him I didn't know about any radio.

Details: Particulares:  I was picking celery when I could see that the Border Patrol was coming. I didn't run because there is no place to run. I work out on the mesa and from any place in the field you can see when someone is coming up. The border patrol took me to their station, I was stripped searched and questioned about the Cacho Farms. They wanted me to tell them that I was warned about the border patrol coming. When I'm out in the fields you can see when the Border Patrol or anyone is coming because we're out on the mesa. I know that the Border Patrol was mad at me because of the tone of his voice, and he was also angry because I wouldn't lie to him about the [REDACTED]'s. He insisted that I tell him about the radio. I don't work in the office to listen to the radio.
